Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 and the supplemental schedule, which was certified by Transamerica Life Insurance and Annuity Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the custodian of the Plan holds the Plan's investment assets and executes investment

transactions. The plan administrator has obtained a certification from the custodian of the Plan as of and for the years ended December 31, 2016 and 2015, that the information provided to the plan administrator by the custodian of the Plan is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note 2 to the financial statements, in 2016, the Plan adopted new accounting guidance Accounting Standards Update (ASU) 2015-12. Our report is not modified with respect to this matter.

Other Matter

The supplemental Schedule of Assets (Held at End of Year) is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

NOTES TO FINANCIAL STATEMENTS

Note 1. DESCRIPTION OF THE PLAN

The following description of the Johnny Janosik, Inc. (the "Company") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution salary reduction and profit sharing plan covering all eligible employees of the Company. An employee first becomes eligible to participate in the Plan upon completing twelve consecutive months of service with at least 1,000 credited hours and must be at least the age of eighteen. Eligible employees may enter the Plan on January 1, April 1, July 1, and October 1, the Plan entry dates. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Johnny Janosik, Inc., is the Plan administrator. Transamerica Life Insurance and Annuity Company ("Transamerica") is the record keeper and asset custodian of the Plan. The trustees are Lori Morrison and Mary Janosik.

Contributions

Participants may contribute an amount not to exceed the dollar limit that is set by law, of pre-tax and post-tax annual compensation, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. As permitted under the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA"), effective January 1, 2002, the Plan allows Participants who are at least age 50 (or who will attain age 50 by the end of the calendar year) to make additional "catch-up" contributions to the Plan in accordance with, and subject to, the limitations of Section 414(v) of the Internal Revenue Code (the "Code"). The Plan currently offers thirty-six pooled separate accounts and a stable value fund.

Employer contributions are determined at the discretion of the Company's Board of Directors. Profit sharing and employer match amounts may be contributed at the option of the Company's Board of Directors and are determined annually. For the plan years ended December 31, 2016 and 2015, the Company made discretionary contributions to the Plan totaling **$148,470** and $161,830, respectively.

Participant Accounts

Each Participant account is credited with the Participant's contribution and allocations of a) the Company's contribution, and b) Plan earnings. Allocations are based on Participant earnings or account balances, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account. See also Note 5.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting of the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. For Company contributions made before January 1, 2007, a Participant becomes 100 percent vested in such contributions after five years of credited service. Effective for Company contributions made after December 31, 2006, a Participant becomes 100 percent vested in such contributions after three years of credited service. A Participant will also become fully vested upon

NOTES TO FINANCIAL STATEMENTS

Note 1. DESCRIPTION OF THE PLAN (Continued)

attainment of normal retirement age, early retirement age, retirement due to disability, death, or upon termination of the Plan.

Participant Notes Receivable ("Loans")

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of the lesser of $50,000 or fifty percent of their account balance. Loan terms may not exceed five years unless the proceeds are used to purchase a personal residence. The loans, which are evidenced by notes receivable, are secured by the balance in the Participant's account and bear interest at a reasonable fixed rate as of the date of loan origination. The interest rate for all loans is the Prime rate plus one percent. The current interest rate for loans originating in 2016 was 4.5 percent. Principal and interest is paid ratably through payroll deductions. A Participant may have only up to two loans outstanding at any given time.

Payment of Benefits

The normal form of payment under the Plan is a single lump sum payment.

Forfeited Accounts

Forfeited non-vested amounts are to be used by the Company first to offset plan expenses and then to reduce any future employer contributions. At December 31, 2016, forfeited non-vested accounts totaled **$1,093**. New forfeitures of non-vested account balances during the 2016 plan year totaled **$487**. During 2016, forfeited participant accounts were used to reduce company contributions by **$11,385** and to pay plan expenses of **$9**. No forfeitures were used to offset plan expenses or employer contributions in 2015.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates and Basis of Accounting

The preparation of financial statements in conformity with accounting principles generally accepted within the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value as reported by Transamerica. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See also Note 3.

The pooled separate accounts ("PSAs"), which are proprietary to Transamerica, often invest exclusively in one underlying mutual fund traded on an established market. PSAs begin with a price

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

determined by Transamerica (a unit price), and the number of units issued are calculated to match the current fair market value of the underlying mutual fund holdings. This is known as unitizing the underlying assets. The PSAs are valued daily. PSAs invested in mutual fund or equity securities are valued using publicly available quoted market prices of identical assets. PSAs invested in fixed maturity securities are measured based on the pricing data provided by outside valuation service providers who in turn generally use the mean bid and ask prices but may also use alternative observable pricing inputs for certain securities.

Transamerica's Stable Value Fund ("SVF", "Contract"), which is a non-tradable obligation of Transamerica and is backed by the general account of Transamerica Financial Life Insurance Company, complies with FASB's fully benefit-responsive requirements. There are no underlying assets in the stable value fund that are invested in either guaranteed investment contracts or in synthetic guaranteed investment contracts. The SVF seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year U.S. Treasury bills. All contributions (deposits) to the SVF are credited with the same interest rate on a daily basis, and with no set maturity. The effective six-month interest rate is set on January and July of each year. The repayment of principal and interest credited to Participants holding the investment is a financial obligation of Transamerica, and the terms of the Contract require all permitted participant-initiated transactions involving the investment to occur at contract value with no conditions, limits or restrictions. Transamerica believes that the occurrence of an event that limits the ability of the investment to transact at contract value between Transamerica and a Participant holding the investment is not probable. In addition, the SVF allows Participants reasonable access to their assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Recent Accounting Pronouncements

In July 2015, the FASB issued ASU No. 2015-12, *(Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*, that eliminates the requirements to measure fully benefit-responsive investment contracts at fair value; disaggregate investments by nature, risks, and characteristics; disclose individual investments that represent five percent or more of net assets available for benefits; and disclose net appreciation or depreciation for investments by general type. The Plan adopted Parts I and II of this ASU as of December 31, 2016 and retrospectively revised the December 31, 2015 financial statements and disclosures to conform; Part III is not applicable and has not been adopted.

During 2016, the Plan's PSAs (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by **$287,468**.

NOTES TO FINANCIAL STATEMENTS

Note 3. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements*, establishes the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

* Quoted prices for similar assets or liabilities in active markets;
* Quoted prices for identical or similar assets or liabilities in inactive markets;
* Inputs other than quoted prices that are observable for the asset or liability;
* Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Stable value fund: The fair value of the stable value fund is based on expected cash flows, i.e. the amount Participants would receive upon termination of the contract. The credit-worthiness of the issuer is taken into consideration in determining the expected cash flows. See also Note 2.

Pooled separate accounts ("PSAs"): The PSAs offered are proprietary to Transamerica and many invest exclusively in one underlying mutual fund traded on an established market. PSAs for which the underlying investments are equity securities or mutual funds, the publicly quoted fair market value of the stocks or mutual funds is used in determining the unit value of the pooled separate account, which is not publicly quoted. PSAs for which the underlying investments are in fixed securities, the measurement is based on the pricing data provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities. See also Note 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

Note 5. PLAN FEES AND ADMINISTRATIVE EXPENSES

Each participant's account is charged on a quarterly basis with asset fees associated with each participant's investment choice. Information regarding the expense ratios and other costs associated with each investment choice is provided to participants in the Investment Fact Sheets provided in each participant's enrollment package. Other reasonable transaction-specific charges, such as loan origination fees, loan maintenance fees, and distribution fees are charged to participants engaging in such transactions.

Quarterly Plan administration fees and annual Plan audit fees may be paid from funds in the Plan's forfeiture account, if available, in accordance with the Plan document.

Note 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the net value of each participant's account shall become fully vested and no portion of the Plan's assets may be used for any purpose other than the exclusive benefit of the participants and their beneficiaries.

Note 7. INCOME TAX STATUS

The Plan obtained its latest determination letter on June 11, 2009, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("the Code"). The Plan was amended and restated effective January 1, 2016 to bring the Plan into compliance with the Pension Protection Act of 2006 and other legislative and regulatory changes. The Plan utilizes the Volume Submitter Profit Sharing Plan with CODA ("Volume Submitter Plan") as provided by Delaware Valley Retirement, Inc., which obtained its latest advisory letter on March 31, 2014, in which the Internal Revenue Service stated that the form of the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
