Report on the Financial Statements

We have audited the accompanying financial statements of Janotta & Herner, Inc. Employee Stock Ownership Plan and Trust, which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015, and the related statement of changes in net assets available for benefits for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2016 and 2015, and the changes in net assets available for benefits for the year ended December 31, 2016, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Janotta & Herner, Inc. Employee
Stock Ownership Plan and Trust
Monroeville, Ohio

Report on the Financial Statements

We have audited the accompanying financial statements of Janotta & Herner, Inc. Employee Stock Ownership Plan and Trust, which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015, and the related statement of changes in net assets available for benefits for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2016 and 2015, and the changes in net assets available for benefits for the year ended December 31, 2016, in accordance with accounting principles generally accepted in the United States of America.

Employee Stock Ownership Plan and Trust (the Plan) effective as of January 1, 2000. The Plan operated as a leveraged employee stock ownership plan (ESOP), and is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (the Code) and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan covers substantially all employees of the Company who have completed ninety days of service and are age 18 or older.

CONTRIBUTIONS. The Company may contribute to the Plan at its own discretion. Contributions are subject to certain limitations. As of December 31, 2016 and 2015, the Company committed to contributions of \$1,250,000 and \$750,000 in cash, respectively.

VOTING RIGHTS. The Trustees, at the direction of an advisory committee, are entitled to exercise voting rights attributable to Company common shares held in the Trust. However, each participant or beneficiary is entitled to exercise voting rights with respect to the approval or disapproval of any corporate merger, consolidation, liquidation or such similar transactions.

PARTICIPANT ACCOUNTS. The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited each plan year with an allocation of shares of the Company's common stock released by the Trustee from the unallocated account and forfeitures of terminated participant's nonvested accounts. Only those participants who are eligible employees of the Company during the plan year will receive an allocation. Allocations are based on a participant's eligible compensation, relative to total eligible compensation. Plan earnings are allocated to each participant's account based on the ratio of their account balance to all participants' account balances, as defined in the plan.

DIVERSIFICATION. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In each of the first five years, a participant may diversify up to 25 percent of the number of shares allocated to his or her account. In the sixth year, the percentage changes to 50 percent.

NOTE A...DESCRIPTION OF PLAN (CONT.):

VESTING. Participants who were employed on the effective date of the Plan and who were at least age 60 on such date, shall be 100 percent vested immediately. Participants who were employed on the effective date of the Plan and who were at least age 55 on such date, shall be 100 percent vested after two years of credited service. All other participants shall be 100 percent vested after three years of credited service. Participants also become 100 percent vested upon attainment of normal retirement age (60), death, or permanent disability.

PAYMENT OF BENEFITS. No distributions from the Plan will be made until a participant retires, dies (in which case, payment shall be made to his or her beneficiary or, if none, his or her legal representatives), or otherwise terminates employment with the Company. Distributions may be made in cash only, either as a lump-sum payment or in installments, subject to the Plan provisions.

FORFEITURES. Forfeitures represent the nonvested portion of withdrawing participant accounts and are generally not used to reduce the Company's contribution to the Plan. Forfeitures for 2016 and 2015 were \$2,187 and \$12,846, respectively.

NOTE B...SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

1. BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

2. INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the independent appraiser, investment advisers, and custodians. See note G for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B...SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.):

3. RISKS AND UNCERTAINTIES

The Plan investments consist primarily of the Company's common stock, which is exposed to various risks such as interest rate, market, and credit risks, as well as valuation assumptions based on earnings, cash flows and/or other such techniques. Due to the level of risk associated with the investment in the common stock and to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in the value of the common stock will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for plan benefits.

4. PAYMENT OF BENEFITS

Benefits are recorded when paid.

5. ADMINISTRATIVE EXPENSES

The Plan incurs professional service fees related to plan administration. The Company absorbs certain other administrative expenses on behalf of the Plan. Expenses absorbed by the Company have not been reflected in the financial statements.

6. USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

7. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 29, 2017, the date which the financial statements were available for issue.

NOTE C...CHANGE IN ACCOUNTING PRINCIPLES:

In July 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. This three-part standard simplifies employee benefit plan reporting with respect to

NOTE C...CHANGE IN ACCOUNTING PRINCIPLES (CONT.):

fully benefit-responsive investment contracts and plan investment disclosures, and provides for a measurement-date practical expedient. Parts I and II are effective for fiscal years beginning after December 15, 2015 and should be applied retrospectively. Part III is effective for fiscal years beginning after December 15, 2015 and should be applied prospectively.

During 2016, the Plan adopted Part II of FASB ASU No. 2015-12 which simplifies the Plan's investment disclosures. The provisions of this change require application retrospectively to all periods presented. The December 31, 2015 financial statement disclosures have been simplified and have been restated for these changes. Parts I and III of FASB ASU No. 2015-12 are not applicable to the Plan.

NOTE D...CONCENTRATION OF CREDIT RISK:

The Plan has a potential concentration of credit risk in that it sometimes maintains deposits with financial institutions in excess of federally insured limits. As of December 31, 2016 and 2015, there were no excess deposits.

NOTE E...ADMINISTRATION OF PLAN ASSETS:

The Plan's assets are held by the Trustees of the Plan, a financial institution, and a brokerage firm. Company contributions are held and managed by the Trustees, who invest contributions received, invest interest and dividend income, and make distributions to participants. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE F...INVESTMENTS:

The Plan's investments, at December 31, are presented in the following table. Investments that represent five percent or more of the Plan's net assets are separately identified.

NOTE G...FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

NOTE G...FAIR VALUE MEASUREMENTS (CONT.):

Certificates of deposit: valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Corporate and municipal bonds: valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

Money funds: valued at the closing price reported in the active market in which the individual securities are traded.

Mutual funds: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Unit trusts: valued at the quoted net asset value of units held by the Plan at year end

JHI Group Inc. common stock: valued at fair value on December 31 and is discussed more fully below.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2016 and 2015.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2016 AND 2015

NOTE G...FAIR VALUE MEASUREMENTS (CONT.):

The fair value of JHI Group Inc. common stock held by the Plan is valued at fair value based upon an independent appraisal. This appraisal was based upon market valuation techniques consistent with prior years. The appraiser took into account historical net sales, EBIT, and EBITDA, guideline company financial data, guideline company EBIT and EBITDA multiples, and qualitative and quantitative factors specific to the Company and the guideline companies. Plan management has concluded that a market participant would also recognize a discount for lack of marketability.

The valuation process involves Plan management's selection of an independent appraiser under a contract that is negotiated annually. Plan management accumulates the data for the appraiser from the reviewed financial statements of the Company. The appraiser prepares a preliminary report with Plan management, along with Plan trustees, reviews in detail, discusses and approves. The results of this process are documented in the minutes of the Plan trustees.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE H...PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions or terminate the Plan at any time, subject to Plan and ERISA provisions. Generally, participants will become 100 percent vested in their accounts. Upon such termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan provisions and the Code.

NOTE I...TAX STATUS:

The Internal Revenue Service has determined and informed the Company by a letter dated October 8, 2015, that the Plan and related trust is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since requesting the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore the Plan is qualified and the related trust is tax-exempt.

NOTE I...TAX STATUS (CONT.):

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress.

NOTE J...TRANSACTIONS WITH PARTIES IN INTEREST:

Fees incurred by the Plan for professional services rendered by parties in interest are based on customary and reasonable rates for such services.

NOTE K...ESTIMATED BENEFITS PAID IN 2017:

The amount of estimated benefits applied for prior to December 31, 2016 and that are to be paid by December 31, 2017 are \$0.

NOTE L...RECLASSIFICATIONS:
