Commercial Vehicle Group, Inc.

September 26, 2017

Crowe Horwath LLP

155 W. Nationwide Blvd, Suite 500

Columbus, Ohio 43215

Ladies and Gentlemen:

We are providing this letter in connection with your limited-scope audits of the financial statements of Commercial Vehicle Group, Inc. 401(k) Plan ("Plan") as of December 31, 2016 and 2015 and for the year ended December 31, 2016. We understand that, at our instruction and as permitted by Regulation 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, you did not perform any audit procedures with respect to information prepared and certified by Fidelity Management Trust Company, in accordance with DOL Regulation 2520.103-5, other than comparing such information to the financial statements and supplemental schedules. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedules taken as a whole.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Except where otherwise stated below, immaterial matters less than \$256,000 collectively are not considered to be exceptions that require disclosure for the purpose of the following representations. This amount is not necessarily indicative of amounts that would require adjustment to or disclosure in the financial statements.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audits:

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 3, 2017 for the preparation and fair presentation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States, and for the fair presentation of the accompanying supplemental schedules in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, and we believe the financial statements and supplemental schedules are fairly presented.
2. We are responsible for designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to error or fraud. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
3. All transactions have been recorded in the accounting records and reflected in the financial statements.
4. We have provided you:
 - a. Access to all financial records, documentation and other information that is relevant to the preparation and fair presentation of the financial statements.
 - b. Additional information that you have requested from us for the purpose of the audit.
 - c. Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
 - d. All minutes of the meetings of the Commercial Vehicle Group Benefits Committee, or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - e. Plan instruments, trust agreements, and amendments to such documents entered into during the year (including amendments made to comply with applicable laws), or insurance contracts.
 - f. All correspondence to and from regulatory agencies, including communications concerning compliance with laws and regulations.
 - g. Results of the assessment of risk that the financial statements may be materially misstated as a result of fraud.
5. We have no plans or intentions that may materially affect the carrying amounts or classifications of assets and liabilities.

6. We have identified all accounting estimates that could be material to the financial statements, including the key factors and significant assumptions underlying those estimates, and we believe the estimates are reasonable in the circumstances. These estimates include the fair values of Plan investments and derivative instruments and the classifications of Plan investments and derivative instruments within the fair value hierarchy, pursuant to and in accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*.
7. Adequate provision has been made for adjustments and losses in collection of receivables. There were no investments in default and none are considered to be uncollectible.
8. The following have been properly recorded or disclosed in the financial statements, if applicable:
 - a. Material liabilities or gain or loss contingencies that are required to be accrued or disclosed by FASB ASC 450, *Contingencies*.
 - b. Significant accounting estimates that are susceptible to changing materially as a result of an event or change in conditions that is reasonably possible of occurrence within one year from the financial statement date.
 - c. Concentrations that make the Plan vulnerable to the risk of a severe impact within one year from the financial statement date (including the nature and type of investments held by the Plan, or markets for which events could occur which would significantly disrupt normal finances within the next year).
 - d. Amendments to the Plan document during the year or subsequently.
 - e. Derivative financial instruments such as futures, forwards, swaps or options, or other financial instruments.
 - f. Securities lending arrangements, including the associated collateral and policy for requiring collateral.
 - g. Other financial instruments with significant "off-balance-sheet" risk of accounting loss to which the Plan is a party.
 - h. Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or other lending institution.
9. Related parties and all related party relationships and transactions, and transactions with parties-in-interest (as defined in ERISA section 3(14)) and related amounts receivable or payable, including sales, purchases, loans, transfers, leasing arrangements and guarantees, have been disclosed to you, and have been appropriately accounted for and disclosed in the financial statements in accordance with the requirements of accounting principles generally accepted in the United States.
10. We have no knowledge of any fraud or suspected fraud affecting the Plan involving:

- a. Management, whether material or not.
 - b. Employees who have significant roles in internal control, whether material or not.
 - c. Others when the fraud could have a material effect on the financial statements.
11. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements received in communications from employees, former employees, participants, analysts, regulators, service providers, third party administrators, or others.
12. There have been no communications from regulatory agencies concerning noncompliance with or deficiencies in financial reporting practices that could have a material effect on the financial statements in the event of noncompliance.
13. The Plan and trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. The Plan sponsor has operated the Plan and trust in a manner that has not jeopardized this tax exempt status. The Plan has complied with fee disclosure requirements to participants under DOL Regulation Section 2550.404a-5, and has received the required disclosures from service providers under ERISA Section 408(b)(2). We understand that failure to comply could cause the Plan to enter into a prohibited transaction. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
14. All required filings of Plan and trust documents have been filed with the appropriate agencies. The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
15. There are no --
 - a. Nonexempt transactions with parties in interest, as defined in ERISA section 3(14) and related regulations, that were not disclosed in the supplemental schedules or financial statements.
 - b. Investments, loans, or leases in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
 - c. Reportable transactions as defined in ERISA section 103(b)(3)(H) and related regulations that were not disclosed in the supplemental schedules.

- d. Untimely remittances of participant contributions to trusts containing assets for the Plan, as determined by the Department of Labor's participant contribution regulation (29 C.F.R. Sec 2510.3-102), that were not properly disclosed in the supplemental schedules.
16. The Plan has complied with the fidelity bonding requirements of ERISA.
17. There are no violations of any laws or regulations (including ERISA, DOL and IRS) whose effects should be considered for disclosure in the financial statements or as a basis for reporting a loss contingency, or other material liabilities or gain or loss contingencies that are required to be accrued or disclosed.
18. The Plan has satisfactory title to all owned assets. None of the Plan's assets were mortgaged, assigned, pledged, or encumbered by law in any other manner. No security agreements have been executed under the provisions of the Uniform Commercial Code, there are no liens or encumbrances on assets, and no assets have been pledged.
19. The Plan had no purchase commitments for investments at prices in excess of fair value at the date of the financial statements, no agreements to repurchase items previously sold, and no sales commitments at prices expected to result in losses on fulfillment.
20. All investments are valued at fair value, as defined by FASB ASC 820. Quoted prices in active markets for identical investments are used to determine fair values, when available. All matters of judgment involved in the calculation and determination of the fair values of investments, and all related valuation methods and assumptions and financial statement disclosures, including the reporting of investments within the fair value hierarchy defined by ASC 820, are the responsibility of management. The valuation methods and assumptions used are reasonable and supportable, have been determined in compliance with ASC 820, and have been adequately disclosed in the financial statements for all periods presented.
21. The Plan has no direct or indirect interests in fully benefit-responsive investment contracts.
22. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
23. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the Plan's financial statements in the event of noncompliance.
24. The form and content of the information included in the financial statements and supplemental schedules are presented in compliance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
25. We have complied with the applicable reporting and disclosure requirements under ERISA relating to the Summary Plan Description, Summary of Material Modifications, and the Summary Annual Report, as applicable.

September 26, 2017

26. No events have occurred subsequent to the date of the Plan's financial statements and through the date of this letter that would require adjustments to, or disclosure in, the financial statements.
27. There are no present intentions to terminate the Plan.
28. We have disclosed to you all known actual or possible litigation, claims and assessments whose effects should be considered by management when preparing the financial statements. These matters have been accounted for and disclosed in conformity with accounting principles generally accepted in the United States. The Plan, Plan Administrator, or Plan Sponsor on behalf of the Plan has not consulted with or been represented by legal counsel, during the period audited to the date of this letter, regarding any litigation, claims, or assessments asserted or unasserted, or qualification matters relating to the Plan.
29. The Plan administrator has obtained certification from Fidelity Management Trust Company stating that the 2016 information provided by the trustee to the Plan administrator, as disclosed in the financial statements, is complete and accurate.
30. During the course of your audit, we have provided to you physical or electronic copies of various original documents. We understand that you are relying on such copies as audit evidence in your audit and represent that copies provided are an accurate and complete representation of the original documentation and that the copies have not been modified from their original version.

COMMERCIAL VEHICLE GROUP, INC.
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2016 and 2015

NOTE 1 – DESCRIPTION OF PLAN

The following description of Commercial Vehicle Group, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Commercial Vehicle Group, Inc. and its subsidiaries listed below (collectively the “Company”), who are 18 years of age and are not covered by a collective bargaining agreement.

- Mayflower Vehicle Systems, LLC
- Trim Systems Operating Corp.
- CVG Management Corp.
- Sprague Devices, Inc.
- Cabarrus Plastics, Inc.
- National Seating Company
- Monona Wire Corporation
- Monona Mexico Holdings, LLC
- Bostrom Seating, Inc.

Employees are eligible to enter the Plan on the first day of each month after 1 month of service. Effective January 1, 2015, the plan was amended to include an auto-enrollment feature. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan was created on April 1, 2006, and was initially funded through the merger and transfer of assets from other plans sponsored by the Company and its subsidiaries.

Contributions: Each year, participants may contribute a percentage of pre-tax annual compensation, a maximum of 75% as defined by the Plan, up to the maximum annual limitation per the Internal Revenue Service (“IRS”). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct these contributions into various investment options offered by the Plan. The Company may, at its discretion, make matching contributions to the Plan, as well as an additional discretionary contribution. Effective January 1, 2015, the plan was amended to become safe harbor plan. The Company makes matching contributions equal to 100% of the first 3% of compensation and 50% of the next 2% of compensation that a participant contributed to the Plan. No discretionary contributions were made during the year ended December 31, 2016. Company contributions are invested in a manner consistent with the participant’s contributions. Contributions are subject to certain limitations.

Participant Accounts: Each participant’s account is credited with the participant’s own contributions and allocations of (a) the Company’s contribution, if any, and (b) the Plan’s earnings and charged with an allocation of administrative expenses and his or her withdrawals. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant’s account.

Vesting: Participants are immediately vested in their voluntary contributions and employer matching contributions plus actual earnings thereon. Participants become 33% vested each year for Company discretionary contribution based on years of continuous service. A participant is 100% vested after three years of credited service, as defined. Participants are 100% vested in their accounts in cases of death, disability or normal retirement.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Only one outstanding loan per participant is permitted. The maximum loan term allowed is five years, unless the loan is for the purchase of the participant's principal residence in which case the loan term may not exceed ten years. The loans are collateralized by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the trustee and range from 4.25% to 8.5% at December 31, 2016. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits: Upon termination, participants or beneficiaries will receive a single lump-sum payment in an amount equal to the value of the participant's vested account. Benefit payments are recorded when paid.

Forfeitures: Forfeitures of non-vested Company matching contributions are used to first reduce administrative expenses and then to reduce future Company contributions payable under the Plan. Forfeited non-vested accounts totaled approximately \$9,000 and \$145,000 at December 31, 2016 and 2015, respectively. During the year ended December 31, 2016, approximately \$170,500 of forfeitures were used to reduce employer contributions.

Administrative and Investment Management Expenses: Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain administrative expenses of the Plan are paid by the Company. Investment management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Excess Contributions: Refunds of excess participant deferral contributions may be required to satisfy the relevant nondiscrimination provisions of the Plan. Such refunds are accrued as a liability and recorded as a reduction in contributions in the Plan year in which the excess deferrals were made to the Plan.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Continued)

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investments Valuation and Income Recognition: The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 820 defines fair value as the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. FASB ASC 820 establishes a fair value hierarchy which requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and gives the lowest priority to unobservable inputs (level 3 measurements).

The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (level 1 inputs).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 – UNAUDITED INFORMATION – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements, including the associated investment income (loss) and interest earned on notes receivable from participants, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan. This information has not been audited by independent accountants.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 – INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated July 7, 2010 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016 and 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS or Department of Labor; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2013.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Management Trust Company is affiliated with Fidelity Investments and is the trustee as defined by the Plan, and therefore, these investments qualify as party-in-interest transactions. The Plan held notes receivable from participants at December 31, 2016 and 2015, which qualify as party-in-interest transactions. Administrative fees paid by the Plan to Fidelity Investments Institutional Operations Company, Inc., the Plan's recordkeeper, for the year ended December 31, 2016 totaled approximately \$23,000. The Plan also paid approximately \$68,000 in fees to Cottonwood Advisors, the Plan's investment advisor.
