Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Children's Hospital Medical Center Employee Savings Plan, which comprise the statement of net assets available for plan benefits as of December 31, 2016, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974*, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Teachers Insurance and Annuity Association of America (TIAA) and College Retirement Equities Fund (CREF), except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that TIAA and CREF (together, TIAA-CREF) hold these investment assets and execute investment transactions. The plan administrator has obtained certifications from TIAA and CREF as of and for the year ended December 31, 2016, that the information provided to the plan administrator is complete and accurate.

As described in Note 2(a), the Plan has excluded from investments in the accompanying statements of net assets available for plan benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statements of changes in net assets available for plan benefits. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2016 financial statements.

Prior Year Disclaimer of Opinion by Other Auditor

Other auditors were engaged to audit the financial statements of Children's Hospital Medical Center Employee Savings Plan as of and for the year ended December 31, 2015, whose report dated September 16, 2016, disclaimed an opinion on those financial statements as a result of the omission of certain audit procedures at the request of management as permitted by 29 CFR 2520.103-8 of Department of Labor's Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974*, as well as the exclusion of investments and related investment income and distributions for certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009.

Other Matter

The supplemental schedule listed in the table of contents is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974* and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2016 financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974*.

Children's Hospital Medical Center Employee Savings Plan

Notes to Financial Statements December 31, 2016 and 2015

(1) Plan Description and Contribution Policy -

The following brief description of the Children's Hospital Medical Center Employee Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

Children's Hospital Medical Center (Cincinnati Children's) established the Plan effective January 1, 1958. The Plan is a nondiscretionary defined contribution plan which contributes 10% of compensation to individual accounts of qualifying participants of Cincinnati Children's who have attained the age of twenty-one and qualify as an Employee (as defined in the Plan document), subject to the limitations in the Internal Revenue Code. The employee must complete at least 1,000 hours of service each year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Effective January 1, 2013, the Plan was amended to allow voluntary employee deferrals. Prior to this date, the Plan was noncontributory.

Participants are fully vested in their employer contributed benefits, measured by the participant's date of employment or reemployment and each anniversary thereof, after three years of credited service. Participants are immediately vested in their contributions plus earnings thereon.

Cincinnati Children's contributes to the Plan, both employer and employee contributions, every two weeks coinciding with Cincinnati Children's payroll periods. The Plan administrator establishes and maintains an account for each participant.

Effective January 2015, new and re-hired employees are automatically enrolled in the Plan for employee deferrals with payroll deductions beginning sixty days after hire. Contributions are automatically invested in an age-appropriate lifecycle fund at a 3% contribution rate but investments and contribution rates may be changed at any time by the employee. During the sixty day period, employees can choose to opt out of the Plan. If, after payroll deductions begin and the employee opts out of the Plan, the employee has ninety days from the date the first contribution was made to withdraw from the Plan and request a refund of withholdings.

The Plan provides for benefits to be paid upon retirement, death or separation other than retirement as defined by the Plan document. Plan benefits will be primarily paid in a lump sum payment. Participant's benefits shall commence upon the latter of the participant's normal retirement date or date of termination. For participants in the Plan on or after January 1, 1997, the normal retirement age is their 65th birthday. Nonvested portions of a separated participant's account are forfeited and used to offset future Cincinnati Children's contributions. In 2016 and 2015, there were \$703 and \$175,843 of employer contributions offset with forfeitures. There were \$0 and \$175,175 forfeitures during 2016 and 2015, respectively. Forfeitures at December 31, 2016 and 2015 were \$43 and \$1, respectively. Benefit payments to participants are recorded upon distribution. There were no amounts payable to participants who have terminated, but were not paid as of December 31, 2016 and 2015.

TIAA-CREF Trust Company is the asset custodian. The Plan is administered by Cincinnati Children's management and Teachers Insurance and Annuity Association (TIAA) as recordkeeper.

Children's Hospital Medical Center Employee Savings Plan

Notes to Financial Statements December 31, 2016 and 2015

(2) Summary of Significant Accounting Policies -

- (a) Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

The Plan has not maintained sufficient accounting records and supporting documents relating to certain contracts and custodial accounts issued to current and former employees prior to January 1, 2009. The Plan has excluded from investments in the accompanying Statements of Net Assets Available for Plan Benefits, certain contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, "Annual Reporting Requirements for 403(b) Plans". The investment income and distributions related to such accounts have also been excluded in the accompanying Statements of Changes in Net Assets Available for Plan Benefits. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements. The effects of these excluded contracts and custodial accounts and the related income and distributions on the financial statements are not reasonably determinable.

- (b) Investment Valuation and Income Recognition – The majority of the Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end. The fully benefit-responsive investment contracts are recorded at contract value.

The fair values of accumulation units held by the Plan in CREF Variable Annuity accounts and the TIAA Real Estate Account are based on each account's daily net asset value, which is considered by Plan management to be the best approximation of fair value and is based on the estimated fair value of the underlying net assets.

Prior to January 2013, all investments in the TIAA Traditional Annuity were non-benefit responsive ("non-benefit responsive investment contract"). In January 2013, the Plan elected to offer a fully benefit responsive option of the TIAA Traditional Annuity ("fully benefit responsive investment contract") in addition to the non-benefit responsive investment contract. The TIAA Traditional Annuity is a guaranteed fixed annuity through a contract with TIAA, an insurance company. Participants who choose to allocate a portion of their retirement savings to the TIAA Traditional Annuity make contributions that purchase a specific amount of lifetime income based on the contractual rate schedule in effect at the time the premium is paid. The participant's principal, plus a specified rate of interest (which TIAA guarantees will not be less than 3% annually), are guaranteed by TIAA's claims paying ability. The TIAA Traditional Annuity also provides an opportunity for participants to receive additional amounts, which the TIAA Board of Trustees may declare on a year to year basis. Participants in the TIAA Traditional Annuity can withdraw their investment over a ten year period from date of election.

Children's Hospital Medical Center Employee Savings Plan

Notes to Financial Statements December 31, 2016 and 2015

Participants in the non-benefit responsive investment contract can withdraw their investment over a ten year period from the date of election. Participants in the fully benefit responsive investment contract have no redemption restrictions. The non-benefit responsive TIAA Traditional Annuity is recorded based on discounted cash flows which is an approximation of fair value. The fully benefit responsive TIAA Traditional Annuity is recorded at contract value. There are no limitations on the ability of the TIAA Traditional Annuities to transact at fair value.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded as earned on an accrual basis, and dividend income is recorded on the ex-dividend date.

The Plan presents, in the Statements of Changes in Net Assets Available for Plan Benefits, the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and unrealized appreciation or depreciation on those investments.

- (c) Management Fees – A portion of the management fees and operating expenses charged to the Plan for certain investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, a portion of the management fees and operating expenses are reflected as a reduction of investment return for such assets. Certain administrative functions are performed by employees of Cincinnati Children's at no cost to the Plan. Certain administrative fees were paid directly from the Plan in 2016 and 2015.
- (d) Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits as of the date of the financial statements and the reported amounts of changes in net assets available for plan benefits during the reporting period and accompanying notes to the financial statements. Actual results could differ from those estimates.
- (e) Risks and Uncertainties – The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.
- (f) Fair Value Measurements and Disclosures – The Plan accounts for its assets under ASC 820 Fair Value Measurements (ASC 820). ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 establishes a three-level hierarchy to be used when measuring and disclosing fair value. The fair value hierarchy gives the highest priority to quoted prices available in active markets (i.e., observable inputs) and the lowest priority to data lacking transparency (i.e., unobservable inputs) as follows:

Level 1 – Observable inputs for identical instruments such as quoted market prices;

Children's Hospital Medical Center Employee Savings Plan

Notes to Financial Statements December 31, 2016 and 2015

Level 2 – Inputs include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability (i.e., interest rates, yield curves, etc.), and inputs that are derived principally from or corroborated by observable market data by correlation or other means (market corroborated inputs); and

Level 3 – Unobservable inputs that reflect management's determination of assumptions that market participants would use in pricing the asset or liability. These inputs are developed based on the best information available.

The following are descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of the investments:

Mutual Funds – Mutual funds are valued using quoted prices listed on nationally recognized securities exchanges (Level 1 inputs).

CREF Variable Accounts – The fair values of accumulation units held by the Plan in CREF accounts (registered investment companies) are based on each account's daily NAV, which Plan management considers to be the best approximation of fair value. CREF accounts are not exchange traded and are classified within Level 2 of the fair value hierarchy. Data for NAVs are available daily to Plan administrators and client investors on TIAA-CREF's website, and provides sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of individual underlying holdings. Underlying holdings are primarily valued using market quotations or prices obtained from independent pricing sources. There are no unfunded commitments from participants in the Plan who invest in these accounts.

TIAA Real Estate Account – The fair value of the Plan's interest in the TIAA Real Estate Account (a pooled separate account) is based on the fund's daily NAV, which is considered by Plan management to be the best approximation of fair value. This investment is classified within Level 2 of the fair value hierarchy. The unit value of the fund is calculated daily and available to Plan administrators and client investors on TIAA-CREF's website. Underlying holdings are primarily valued using independent appraisals or independent pricing sources. There are no unfunded commitments from participants in the Plan who invest in this account.

TIAA Traditional Annuity – Non-benefit Responsive – Investments in TIAA Traditional Annuity contracts are reported at estimated fair value based on discounted cash flows. The contract value of the TIAA Traditional Annuity equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. The TIAA Traditional Annuity is not available for sale or transfer on any securities exchange. Accordingly, transactions in similar investment instruments are not observable, and the investments are valued using unobservable inputs (Level 3). While transactions involving the purchases/sales of individual TIAA Traditional contracts are not observable in a public marketplace, contract value is an approximation of fair value.

The Plan's policy is to recognize transfers in and transfers out as of the actual date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2016 and 2015, there were no transfers in or out of Levels 1, 2 or 3.

Children's Hospital Medical Center Employee Savings Plan

Notes to Financial Statements December 31, 2016 and 2015

The Plan's Level 3 investments are investments in guaranteed insurance contracts. These investments are classified as Level 2 or Level 3 based on time restrictions for redemption. An investment is classified as Level 2 if it can be liquidated in 90 days or less otherwise it is classified as a Level 3 investment.

The table below includes the major categorization for debt and equity securities on the basis of the nature and risk of the investments at December 31, 2016.

Children's Hospital Medical Center Employee Savings Plan

Notes to Financial Statements December 31, 2016 and 2015

The following table presents a reconciliation of the beginning and ending balances of the fair value measurements using significant unobservable inputs (Level 3) for the years ended December 31, 2016 and 2015:

	<u>2016</u>	<u>2015</u>
Beginning balance – January 1,	\$94,210,287	\$88,998,319
Realized gains	974,231	630,067
Unrealized gains	2,078,204	2,214,670

	<u><u>\$ 2,078,204</u></u>	<u><u>\$ 2,214,670</u></u>

The valuation methods as described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The Plan utilizes its custodian's external pricing service to estimate the fair value of the underlying investments held in the Plan. Cincinnati Children's receives audit reports of the custodian's operating controls and valuation processes. The custodian uses multiple pricing vendors for the assets held in trust.

Children's Hospital Medical Center Employee Savings Plan

Notes to Financial Statements December 31, 2016 and 2015

(3) Participant Accounts and Investment Options –

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the Cincinnati Children's non-discretionary contribution, elective employee contributions, and an allocation of the Plan's earnings and losses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may elect to direct the investment of their account in one or all of the investment options offered by the Plan. The Plan offers a self-directed brokerage account feature where participants may direct their investments through a trustee sponsored brokerage account.

(4) Tax Status –

The Plan, together with the investment vehicles, is intended to be a tax-sheltered annuity plan under Section 403(b) of the Internal Revenue Code of 1986, as amended. The Plan has not requested or obtained a determination letter, as the Internal Revenue Service does not currently provide that service for 403(b) plans. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and not subject to tax.

(5) Information Certified by the Custodian –

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA-CREF, the custodian of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments as shown in the Statements of Net Assets Available for Plan Benefits as of December 31, 2016 and 2015.
- Investment income as shown in the Statements of Changes in Net Assets Available for Plan Benefits for the years ended December 31, 2016 and 2015.
- Investment information included in the accompanying Schedule of Assets Held at end of year as of December 31, 2016.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(6) Termination Priorities –

Although it has not expressed any intent to do so, Cincinnati Children's has the right under the Plan, in certain circumstances, to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, the participants become 100% vested in their accounts.

December 31, 2016 and 2015

(7) Exempt Party-In-Interest Transactions –

Plan investments include units of a mutual fund, variable annuities, a pooled separate account and investment contracts managed by TIAA-CREF and affiliated entities. TIAA-CREF and TIAA are the asset custodian and the benefit payment administrator, respectively, as defined by the Plan document and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid for by the Plan for the investment management services are included as a reduction of the return earned on each fund.

(8) Subsequent Events –

Plan management reviewed subsequent events through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued.
