Plan Sponsor
McKinney Communications Corporation 401(k) Plan
(formerly Satellites Unlimited, Inc. 401(k) Plan)

We were engaged to audit the accompanying financial statements of McKinney Communications Corporation 401(k) Plan (formerly Satellites Unlimited, Inc. 401(k) Plan) (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2016, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Matrix Trust Company and TD Ameritrade Trust Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Matrix Trust Company held the Plan's investment assets and executed investment transactions as of December 31, 2015 and for the period January 1, 2016 to March 31, 2016 and that TD Ameritrade Trust Company held the assets as of December 31, 2016 and for the period April 1, 2016 to December 31, 2016. The plan administrator has obtained certifications from the trustees as of December 31, 2016 and 2015, and for the year ended December 31, 2016, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – 2015 Financial Statements

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated October 10, 2016, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by Matrix Trust Company, the trustee, were presented in compliance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedules

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of December 31, 2016 are required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

(the Company) who have completed two months of service and are 19 years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendment and Restatement

Effective April 1, 2016, the Plan was amended and restated to adopt the volume submitter profit sharing plan of a new trustee. Assets were transferred to the new trustee on April 5, 2016. Additionally, effective November 1, 2016, the Plan was amended to become a multiple employer plan and changed the Plan name to McKinney Communications Corporation 401(k) Plan in conjunction with the name change of the Company. Affiliated employers who adopted the provisions of the amended Plan include McKinney Management Group, LLC, Satellites Unlimited, LLC, Landscape Workshop, LLC, Digital Electronic Supply, LLC, Pixsys Technologies, LLC and McKinney Capital, LLC.

Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation (as defined by the Plan) and Roth contributions, not to exceed federal limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may make a discretionary matching contribution to each participant's account based on his or her elective deferrals in a percentage set by the Company. For 2016, the Company elected to match 100 percent of participant contributions up to a maximum of two percent of the participant's annual compensation. Contributions are subject to certain limitations.

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Contributions (continued)

Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and Plan earnings or losses from that account's investment activities. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Administrative Expenses

Certain administrative expenses of the Plan, including accounting fees, have been paid by the Company. Trustee, recordkeeping and investment management fees have been paid by the Plan.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after three years of credited service.

Benefit Payments

On termination of service due to separation of service, death, disability, or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Partial withdrawals are permitted for required minimum distribution only. A participant may obtain an in-service or hardship withdrawal from his or her tax-deferred contributions subject to certain conditions and penalties (as defined in the Plan).

Forfeitures

Forfeitures of terminated, nonvested participant accounts are used to reduce future Company contributions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100 percent vested in their Company contributions.

2. Summary of Significant Accounting Policies

Recent Accounting Pronouncements

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. Part II eliminates the requirements to disclose individual investments that represent 5 percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by natures, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. Parts I and III are not applicable to the Plan. The ASU is effective for fiscal years beginning after December 15, 2015. Part II is applied retrospectively. Management has elected to adopt Part II.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management of the Company determines the Plan's valuation policies utilizing information provided by the investment advisors and trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

The Plan provides for investments in various investment securities that in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Reclassification

Certain 2015 amounts in Note 4 were reclassified to conform to 2016 presentation.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Basis of Presentation

The financial statements of the Plan have been prepared on the accrual basis of accounting.

3. Investment Information

All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2016 and 2015 and net appreciation in fair value of mutual funds and interest and dividends for the year ended December 31, 2016, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Matrix Trust Company and TD Ameritrade Trust Company, the trustees.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

McKinney Communications Corporation 401(k) Plan
(formerly Satellites Unlimited, Inc. 401(k) Plan)

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include:
Quoted prices for similar assets or liabilities in active markets;
Quoted prices for identical or similar assets or liabilities in inactive markets;
Inputs other than quoted prices that are observable for the asset or liability;
Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Mutual funds: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

McKinney Communications Corporation 401(k) Plan
(formerly Satellites Unlimited, Inc. 401(k) Plan)

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by investment class and level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016 and 2015:

Assets at Fair Value as of December 31, 2016				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,238,262	\$ —	\$ —	\$ 4,238,262

Assets at Fair Value as of December 31, 2015				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,624,485	\$ —	\$ —	\$ 3,624,485

5. Tax Status

The Company adopted a volume submitter profit sharing plan with a cash or deferral arrangement that received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax.

6. Subsequent Events

Effective January 1, 2017, Landscape Workshop, LLC and McKinney Capital, LLC stopped participating in the Plan. The Company evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 3, 2017, which is the date the financial statements were available to be issued.
