Weiss Envirotronics, Inc. 401(k) Profit Sharing Plan
Grand Rapids, MI

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Weiss Envirotronics, Inc. 401(k) Profit Sharing Plan as of and for the year ended December 31, 2016, in accordance with auditing standards generally accepted in the United States of America, we considered the Weiss Envirotronics, Inc. 401(k) Profit Sharing Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by auditing standards generally accepted in the United States of America and did not include a consideration of internal control relating to the information summarized in Note 8 to those financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on those financial statements.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in the Weiss Envirotronics, Inc. 401(k) Profit Sharing Plan's internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in the Weiss Envirotronics, Inc. 401(k) Profit Sharing Plan's internal control to be a significant deficiency:

Employer Matching Contributions

While performing our audit, we identified a participant who received more than the maximum employer matching contribution for the year. The participant was originally an hourly employee and was transferred to a salaried employee during the year. According to ADP, year-to-date accumulators must be setup under the new payroll records when changing employees from one code to another code. This requirement was not communicated to the Plan Sponsor, and as a result, the participant received excess matching contributions.

We recommend the Plan Sponsor work with ADP to get the necessary training to implement procedures to prevent this from occurring again and take steps to correct the excess contribution, if necessary.

We would like to make the Trustees aware of the following observations made during the audit:

Eligible Compensation

While performing our audit, we discovered deferrals were being withheld on bonuses. According to the Plan document, bonuses are excluded from eligible compensation. Because the Plan Sponsor intended for bonuses to be included in eligible compensation, we believe this to be an error in the Plan document.

We recommend the Plan Sponsor amend the Plan document to include bonuses in eligible compensation as desired by the Plan Sponsor.

Maximum Loans Allowed

While performing our audit, we noticed the maximum number of loans allowed was changed from two to one upon adoption of ADP's plan document. Because the Plan Sponsor intended for the maximum number of loans to be two, we believe this to be an error in the Plan document.

We recommend the Plan Sponsor amend the Plan document to change the maximum number of loans allowed.

Generally accepted auditing standards require that we communicate the following items to the Trustees at the conclusion of the audit:

- Our audit procedures included evaluating the qualitative aspects of the Plan's significant accounting practices; items such as accounting policies, accounting estimates, and financial statement disclosures. Based on our evaluation, the Plan's significant accounting practices are consistent with generally accepted accounting principles.

- There were no difficulties encountered in dealing with management while performing our audit.
- There were no significant financial statement misstatements identified in the course of the audit.
- We did not have any disagreements with management during the course of our audit.

This communication is intended solely for the information and use of management, the trustees, and others within the plan, and is not intended to be and should not be used by anyone other than these specified parties.

We wish to thank your staff for their support and assistance during the audit engagement.

Sincerely,

DOLINKA, VANNOORD & COMPANY, P.L.L.P.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Weiss Envirotronics, Inc. 401(k) Profit Sharing Plan, which are comprised of the statement of net assets available for benefits as of December 31, 2016 and 2015, the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by Reliance Trust Company and Great-West Life & Annuity Insurance Company, the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that Reliance Trust Company held the Plan's investment assets and executed investment transactions from January 21, 2016 to December 31, 2016, and that Great-West Life & Annuity Insurance Company held the Plan's investment assets and executed investment transactions as of December 31, 2015, and for the period January 1, 2016 to January 20, 2016. The plan administrator has obtained a certification from the trustees as of and for the years ended December 31, 2016 and 2015, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule of Assets Held at End of Year as of the year ended December 31, 2016, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Respectfully submitted,

WEISS ENVIROTRONICS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Weiss Envirotronics, Inc. (the Company) who are 18 years or older at the enrollment dates (January 1 and July 1). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant and Employer Contributions

Contributions to the Plan are made as follows:

Participants

Each year, participants may contribute up to 90% of base compensation up to the statutory limit. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a common collective trust fund, and a money market fund as investment options for participants.

Employer Matching Contribution

The Company may make a discretionary matching contribution to the Plan on behalf of each participant that contributes to the Plan. For 2016 and 2015, the contributions were equal to 20% of the first \$2,000 of base compensation that a participant contributes to the Plan.

Employer Discretionary Profit Sharing Contribution

The Company may make a discretionary profit sharing contribution to the Plan in an amount determined by management. Discretionary profit sharing contributions are allocated on a ratio of each participant's compensation to total compensation. There was no such contribution for 2016 and 2015.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, the Company's discretionary profit sharing contribution, as well as allocations of Plan earnings, and is charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on investment earnings on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

See independent auditors' report.

NOTE 1 – DESCRIPTION OF PLAN - Continued

Vesting

Participants are 100% vested in their compensation deferrals plus earnings thereon at all times.

Participants are vested in employer matching and discretionary contributions according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	20 %
2	40 %
3	60 %
4	80 %
5	100 %

Participants are 100% vested if they die, become disabled, or attain retirement age prior to termination of employment.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account. The notes have various annual interest rates, which are commensurate with local prevailing rates as determined by the Plan administrator and have various maturities. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of services, a participant may elect to receive their vested interest as a lump sum payment or may choose from various other payment and annuity options. In-service and hardship distributions are permitted pursuant to the terms of the Plan.

Forfeited Accounts

At December 31, 2016 and 2015, forfeited nonvested accounts totaled \$19 and \$1,348, respectively. These accounts will be used to reduce future employer contributions. Also, in 2016 and 2015 employer contributions were reduced by \$2,403 and \$988, respectively.

DECEMBER 31, 2016 AND 2015

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

In May 2015, the FASB issued ASU No. 2015-07, Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or Its Equivalent) (ASU 2015-07), which is effective for fiscal years beginning after December 15, 2016 for entities other than public business entities. ASU 2015-07 eliminates the requirement to categorize investments in the fair value hierarchy if the fair value is measured at net asset value (NAV) per share (or its equivalent) using the practical expedient in the FASB's fair value measurement guidance. The ASU is to be applied retrospectively. As permitted by ASU 2015-07, management has elected to adopt the ASU early and presented the amounts in these financial statements accordingly.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account. As of December 31, 2016 and 2015, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Appreciation (depreciation) represents the difference between the values of the investments at the end of the Plan years plus any gains or losses from sales of investments during the Plan year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

All operating expenses of the Plan are paid by the Company and are therefore excluded from these financial statements.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of inputs of the fair value hierarchy are: Level 1 - quoted prices in active markets for identical assets; Level 2 - significant other observable inputs; and Level 3 - significant unobservable inputs. As of December 31, 2016 and 2015, the Plan had no assets which were required to be measured using Level 2 or 3 inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Common Collective Trust Fund: These investments are public investment securities valued using the Net Asset Value (NAV) provided by Putnam Investments. The NAV is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets Measured at Fair Value on a Recurring Basis at December 31, 2016

Assets	Level 1 Quoted Prices in Active Markets for Identical Assets	Total
Mutual Funds	\$ 5,367,032	\$ 5,367,032

Investments Measured at Net Asset Value (a)	-	570,322
Investments at Fair Value	\$ 6,467,809	\$ 7,038,131

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2016 and 2015, are reported in the net appreciation (depreciation) in fair value of investments.

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following tables set forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of:

WEISS ENVIROTRONICS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE 4 – RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Reliance Trust Company and Great-West Life & Annuity Insurance Company. The administrative expenses recorded were for investment management and other fees charged by ADP. Reliance Trust Company and Great-West Life & Annuity Insurance Company are the trustees as defined by the Plan and ADP is the Plan's third party record keeper, and therefore, these transactions qualify as party-in-interest transactions.

All other plan expenses were paid by the Company. As the Company is the Plan sponsor; the Company qualifies as a party-in-interest.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their employer contributions.

NOTE 6 – TAX STATUS

The Company has adopted ADP's prototype profit sharing plan. It has been determined to be acceptable under the Internal Revenue Code (IRC) by a letter dated July 16, 2014. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2013.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

See independent auditors' report.
