Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by John Hancock Life Insurance Company, the custodian of the plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan

administrator that the custodian holds the plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2016 and 2015 and for the years ended December 31, 2016 and 2015, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

Effective December 30, 2016, the Plan was merged into the NIBE USA 401(k) Retirement Plan ("NIBE 401(k) Plan"). All participants in the Plan became participants in the NIBE 401(k) Plan at that time.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**ENERTECH GLOBAL
401(k) PLAN**

NOTES TO THE FINANCIAL STATEMENTS

1. PLAN DESCRIPTION

The following description of the Enertech Global 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Enertech Global, L.L.C. (the "Company") who are 21 years of age or older and complete 250 hours of service in a three month period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's Board of Directors is responsible for oversight of the Plan. The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Company's Board of Directors.

Plan Merger

Effective December 30, 2016, the Plan was merged into the NIBE USA 401(k) Retirement Plan ("NIBE 401(k) Plan"). Total assets transferred to the NIBE 401(k) Plan including notes receivable from participants were \$3,987,777. All participants in the Plan became participants in the NIBE 401(k) Plan at that time.

Contributions

Each Plan year, participants may contribute up to 100% of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). The Company contributes an amount not less than 3% of each eligible employee's annual compensation under the safe harbor provisions of the Plan. In addition, profit sharing amounts may be contributed at the option of the Company's Board of directors. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain limitations as determined by applicable law.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's safe harbor contributions, any profit sharing contributions made by the Company, and allocations of any earnings or expenses thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO THE FINANCIAL STATEMENTS

1. PLAN DESCRIPTION (Continued)

Vesting

Participants are immediately vested in their salary deferrals, the Company's safe harbor contributions, and the earnings thereon. Participants vest in 20% of their employer discretionary and profit sharing contributions each year beginning in the second year of participation and are fully vested after six years of credited service. Forfeitures of terminated participants' non-vested accounts are used to reduce future employer contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms generally range from three to five years, but may be extended for the purchase of a primary residence. The loans are secured by the balance in the participant's account. The loan interest rate is based on local prevailing rates at loan inception as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, a participant may elect to receive either a lump-sum amount or an annuity equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan also allows for in-service distributions from certain fully vested accounts provided the participant is actively employed by the Plan Sponsor and has attained the age of 55. Active participants are not allowed to make in-service withdrawals from their elective deferral account and qualified nonelective contributions account until they have attained the age of 59 ½.

Plan Termination

The company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTES TO THE FINANCIAL STATEMENTS

1. PLAN DESCRIPTION (Continued)

Plan Administration

An Officer of the Company serves as the Plan's trustee. John Hancock Life Insurance Company serves as record keeper and custodian of the Plan. Advanced Benefits Consulting serves as the third party administrator for the Plan.

Forfeited Accounts

The Plan uses forfeitures to pay plan administrative expenses and any remaining forfeitures are used to reduce employer contributions. There were no forfeitures in 2016 and 2015.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the custodian. See note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2016 or 2015. Delinquent loans are reclassified as distributions.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with accounting principle generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 28, 2017 the date on which the financial statements were available to be issued.

Plan Restatement

The Plan was restated effective January 1, 2016 to bring the Plan into compliance with the Pension Protection Act of 2006 ("PPA") and other legislative and regulatory changes. This restatement did not materially change the terms of the Plan.

3. TAX STATUS

The Internal Revenue Service has determined and informed CCH Incorporated, the volume submitter plan sponsor, by a determination letter dated March 16, 2010, that the Plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been restated since receiving the determination letter to comply with the Pension Protection Act of 2006, HEART Act, and other IRS guidance. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable

ENERTECH GLOBAL
401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

3. TAX STATUS (Continued)

requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by a plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

4. RISKS AND UNCERTAINTIES

The Plan invests in various investments securities that are exposed to certain risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

ENERTECH GLOBAL
401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

5. FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Pooled separate investment accounts: John Hancock Life Insurance Company offers pooled separate accounts (PSA) as investment options through a group annuity contract. PSA's are made up of a wide variety of underlying investments such as equities, preferred stock, bonds, real estate and mutual funds. The net asset value of each PSA is determined by the issuer based on the market value of its underlying investments. The fair value of the underlying investment is adjusted by accrued income, taking into account any distribution income, and reduced by an administrative maintenance charge, service fees, and other items. The unit value is John Hancock's method of valuing the accounts and is not the same as the net asset value reported by the underlying investment. The accounts have no restrictions on redemptions, no unfunded commitments and no redemption notice period.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The financial statements do not present investments within the fair value hierarchy because ASU 2015-07 eliminated that requirement for investments that use the practical expedient to measure net asset value. As of December 31, 2016 and 2015, all of the Plan's investments were PSA that use the practical expedient to report net asset value. The net asset value of the PSA were \$0 and \$3,530,540 at December 31, 2016 and 2015, respectively.

6. INFORMATION CERTIFIED BY THE CUSTODIAN

John Hancock Life Insurance Company (the “Custodian”) has certified the completeness and accuracy of certain information which management used in preparing the financial statements, supplemental schedule, and accompanying notes. Accordingly, this information was not audited. The following is a summary of information furnished by the Custodian.

- Investments as reported in the statements of net assets available for benefits at December 31, 2016 and 2015.
- All items of income and expense related to Plan investments, and all transactions for the years ended December 31, 2016 and 2015.

7. PARTY-IN-INTEREST INFORMATION

Certain Plan investments are units of pooled separate investment accounts managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

In addition, the Plan retains Advanced Benefits Consulting to prepare the Plan’s Form 5500 and for other administration services.
