INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustees of the
Rutter Bros. Dairy, Inc.
Retirement Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Rutter Bros. Dairy, Inc. Retirement Savings Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph; however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules (DOL) and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information described in Note C, which was certified by John Hancock Life Insurance Company (U.S.A.), custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the custodian as of December 31, 2016 and 2015 and for the years then ended, that the information provided to the Plan Administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note B to the financial statements, for the years ended December 31, 2016 and 2015, the Plan adopted ASU 2015-07 which presented new accounting guidance updating the disclosure requirements for investments that use net asset value as a practical expedient. Our opinion is not modified with respect to this matter.

Other Matter

The supplement schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2016, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF PLAN

The following description of the Rutter Bros. Dairy, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Rutter Bros. Dairy, Inc., Rutter Bros. Ice Cream, Inc., CHR Corp., d/b/a Rutter's Farm Stores, Rutter's Inc., and M & G Realty, Inc. (collectively referred to as “Company”), who have completed one year of service, worked 1,000 hours and attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 100% of their compensation, not to exceed the annual maximum deferral amount as defined by law. Catch-up contributions are permitted for eligible participants age 50 or older by the end of a calendar year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Each year, the Company shall determine, in their sole discretion, the amount of any matching contribution. During 2016 and 2015, the Company’s matching contribution was 25% of the participant’s salary deferral contributions to a maximum of 3% of the participant's eligible compensation. For the years ended December 31, 2016 and 2015, the Company’s matching contributions were $99,464 and $102,382, respectively, before applying forfeitures.

The Company shall also determine, in their sole discretion, the amount of any discretionary profit sharing contribution. The discretionary profit sharing contribution is allocated based on the percentage of the participant’s eligible compensation to total eligible compensation. For the years ended December 31, 2016 and 2015, there were no discretionary profit sharing contributions.

Participants must complete a year of service during the plan year and be actively employed on the last day of the year to share in the matching and discretionary profit sharing contributions.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

NOTE A - DESCRIPTION OF PLAN - continued

Participant Accounts

Each participant's account is credited with the participant's contribution and the participant's share of (a) the Company's contributions, (b) an allocation of investment earnings or losses based on the participant's directed investment accounts, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investments for their account.

Vesting and Forfeitures

A participant is 100% vested at all times in the participant's salary deferral amounts and earnings thereon regardless of the number of years of service. If a participant ceases participation, except by retirement, death or permanent disability, the vested interest in employer contributions and earnings thereon is dependent upon the years of credited service. Each participant is vested in the matching and discretionary profit sharing contributions according to the following schedule based upon years of service:

Years of Vesting Service	
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Forfeitures may be used to offset administrative expenses, employer contributions, or other costs at the discretion of the Plan Administrator. For the years ended December 31, 2016 and 2015, forfeitures in the amounts of $2,132 and $2,084, respectively, were applied to employer contributions paid in 2017 and 2016, respectively. At December 31, 2016 and 2015, forfeited non-vested accounts totaled $2,006 and $2,037, respectively.

Payment of Benefits

Upon termination of employment, if a participant's vested interest in their account exceeds $5,000, no distribution shall be made to the participant before they reach the age of normal retirement or receipt of consent to pay out by the participant and their spouse.

If the participant's account is less than $5,000, the vested account balance is paid out in the form of a lump sum distribution. In the event of a mandatory distribution greater than $1,000, the Plan Administrator will pay the distribution in a direct rollover to an individual retirement arrangement designated by the Plan Administrator if the participant does not elect a direct rollover or lump-sum distribution.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note D. Purchases and sales are recorded on a trade date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities of the Plan are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Accounting Changes

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent).* The ASU eliminates the requirements to categorize investments measured at fair value using the net asset value (NAV) practical expedient in a hierarchy level. The ASU is effective for fiscal years beginning after December 15, 2016, with early adoption permitted and is to be applied retrospectively. Management has elected to adopt ASU 2015-07 early.

NOTE C - INVESTMENTS

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA as of, and for the years ended, December 31, 2016 and 2015. Accordingly, the custodian has certified that investments, investment income, notes receivable and interest income related to those notes is complete and accurate for 2016 and 2015. The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

At December 31, 2016 and 2015, the Plan's investments were held by the custodian, John Hancock Life Insurance Company (U.S.A.). Adjustments have been made to some of these amounts using additional information obtained from the Company and recordkeeper of the Plan in order to present the financial statements on an accrual basis.

NOTE D - FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures,* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs for identical assets and have the lowest priority. The Plan uses valuation techniques based on the available inputs to measure the fair value of its investment. When available, the Plan measures fair value using Level 1 inputs because they provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 and Level 2 inputs are not available.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	Investments at Fair Value as of December 31, 2016			
	Level 1	Level 2	Level 3	Total
Guaranteed interest accounts	$ -	$ 42,988	$ -	$ 42,988

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.

Gains and losses (realized and unrealized) are reported in net appreciation (depreciation) in fair value of investments in the statements of changes in net assets available for benefits.

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2016 and 2015.

Pooled separate accounts (PSA): The NAV of each PSA is based on the market value of its underlying investments. The NAV is not a publicly quoted price in an active market. Market value represents allocated contributions, earnings on the invested funds, realized and unrealized gains or losses on investments, less any administrative expenses charged. The average cost method is used to determine historical cost amounts for investments in PSAs.

Guaranteed interest accounts: The Plan's Guaranteed Interest Fund, a group annuity contract with John Hancock Life Insurance Company (U.S.A.), is not considered a fully benefit-responsive contract. The fund provides its participants with a guarantee of the return of principal plus compound interest earned over a defined term (3, 5, or 10-year term), less any applicable contract or participant-level recordkeeping charges. Interest rates are established on the first day of each calendar month and apply to any regular ongoing contributions made to the guaranteed account in that month. For the years ended December 31, 2016 and 2015, the average interest rate for a 3 year account was .54% and .34%, respectively, the rate for a 5 year account was .85% and .85%, respectively, and the rate for a 10 year account was 1.04% and 1.16%, respectively. Per John Hancock, fair market value equals contract value. Due to the valuation process used, this fund is considered to be within the Level 2 hierarchy.

NOTE D - FAIR VALUE MEASUREMENTS - continued

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is measured using NAV per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice is only applicable to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently) eligible)	Redemption Notice Period
December 31, 2016				
Pooled separate accounts	$ 12,359,920	n/a	Daily	Immediate
December 31, 2015				
Pooled separate accounts	$ 11,881,961	n/a	Daily	Immediate

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Should the Plan terminate at some future time, participants would become fully vested in their employer contributions.

NOTE F - PLAN TAX STATUS

The Plan's prototype plan document received an advisory letter dated March 31, 2014, that the form of the Plan is acceptable under section 401 of the Internal Revenue Code (IRC); such letter is not considered an opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2013.

NOTE G - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are managed by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Transactions resulting in plan assets being transferred to or used by a related party are prohibited under ERISA, unless a specific exemption exists. John Hancock Life Insurance Company (U.S.A.) is a party-in-interest as defined by ERISA as a result of investing plan assets in its funds and accounts and providing investment management services. However, such transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA.

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE H - NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are reported at unpaid balances plus any unpaid accrued interest. Participants may borrow a minimum of $1,000 up to a maximum of $50,000 under the Plan's loan provision. The loans may not exceed one-half of the employee's vested account balance and are generally limited to 5 years. Interest rates are determined by the Plan Administrator in accordance with the Plan's loan provisions. Loan repayments are made through payroll deductions. There is no credit risk involved with these loans as any defaults are then deemed taxable distributions to the participant. Loans are considered in default when they are not paid within the terms stated on the agreement, typically within 90 days. No allowance for credit losses has been recorded as of December 31, 2016 and 2015. These loans satisfy the statutory exemption from the prohibited transaction rules.

NOTE I - SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date of the independent auditors' report, the date the financial statements were available to be issued.
