Mr. Eric M. Goff
All State Home Health 401K Plan
945 West Kenyon Ave, Suite 200
Englewood, CO 80110

Dear Eric:

We are pleased to confirm our understanding of the services we are to provide for the All State Home Health 401K Plan (Plan) for the year ended December 31, 2016, in connection with its annual reporting obligation under the Employee Retirement Income Security Act of 1974 (ERISA).

Except as described below, we will audit the statement of net assets available for benefits of the Plan as of December 31, 2016, and the related statement of changes in net assets available for benefits for the year then ended. Also, the following supplemental schedules accompanying the basic financial statements, as applicable, will be subjected to the auditing procedures applied in our audit of the financial statements:

1. Assets (Held at End of Year) and Assets (Acquired and Disposed Within Year)
2. Loans or Fixed Income Obligations in Default or Classified as Uncollectible
3. Leases in Default or Classified as Uncollectible
4. Reportable Transactions
5. Nonexempt Transactions

These financial statements and supplemental schedules are required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA to be filed with Form 5500.

As you have instructed, our engagement does not include preparation of the Plan's Form 5500. The AICPA's Audit and Accounting Guide, *Employee Benefit Plans*, requires that, before an auditor's report on the Plan's financial statements can be included with a filed Form 5500 (including any related schedules), the auditor must review the Form 5500 and consider whether there are any material inconsistencies between the other information in the form and the audited financial statements (including the required supplemental schedules) or any material misstatement of fact. We will, therefore, not issue our auditor's report until the completed Form 5500 has been provided for our review.

Audit Objective

Our audit will be conducted in accordance with U.S. generally accepted auditing standards except that, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by you, we will not perform any auditing procedures with respect to information prepared and certified to by Reliance Trust Company, the trustee, in accordance with 29 CFR 2520.103-5, other than comparing the information with the related information included in the financial statements and supplemental schedules. Under ERISA, the Plan administrator is generally responsible to the Plan participants for the financial information for the financial information and the ability of the certifying entity to issue such ERISA certification. Because of the significance of the information that we will not audit, we will not express an opinion on the financial statements and supplemental schedules. We will issue a written report upon completion of our audit of the Plan's financial statements. Our report will be addressed to the Administration of the Plan. We cannot provide assurance that a limited-scope disclaimer of opinion, as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, will be expressed. Circumstances may arise in which it is necessary for us to make further

modifications to our report, such as adding an emphasis-of-matter or other-matter paragraph. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified to by the trustee, will be audited by us in accordance with auditing standards generally accepted in the United States of America, and will be subjected to tests of your accounting records and other procedures we consider necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. If for any reason we are unable to complete the engagement, we may decline to issue a report or withdraw from this engagement.

Audit Procedures

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and direct confirmation of investments (except those certified by the trustee) and certain other assets and liabilities by correspondence with financial institutions and other third parties. We may also request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will also request certain written representations from you about the financial statements and related matters.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgement about the number of transactions to be examined and the areas to be tested, except that assets and related transactions certified by the trustee will not be tested. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the plan or to acts by management or employees acting on behalf of the plan.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards, except as previously noted. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential and will include prohibited transactions in the supplemental schedule of nonexempt transactions as required by the instructions to Form 5500. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Except as described in the "Audit Objective" section, our audit will include obtaining an understanding of the Plan and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards.

In addition, we will perform certain procedures directed at considering the Plan's compliance with applicable Internal Revenue Service (IRS) requirements for tax exempt status and ERISA plan qualification requirements. However, you should understand that our audit is not specifically designed for and should not be relied upon to disclose matters affecting plan qualifications or compliance with the ERISA and IRS requirements. If during the audit we become aware of any

instances of any such matters or ways in which management practices can be improved, we will communicate them to you.

Management Responsibilities

You are responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles and for the fair presentation in the financial statements of the net assets available for benefits and changes in net assets available for benefits of the plan in conformity with U. S. generally accepted accounting principles. You are also responsible for management decisions and functions; for designating an individual with suitable skill, knowledge, or experience to oversee any bookkeeping, actuarial, or any other non-attest services we provide; and for evaluating the adequacy and results of those services and accepting responsibility for them.

You are responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the plan involving (1) plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the plan received in communications from employees, former employees, regulators, or others. In addition, you are also responsible for identifying and ensuring that the plan complies with applicable laws and regulations.

Engagement Administration, Fees, and Other

We understand that your personnel will prepare schedules and analyses and type all confirmations we request and will locate any invoices or other documents selected by us for testing.

The audit documentation for this engagement is the property of Hiratsuka & Associates, LLP, and constitutes confidential information. However, we may be requested to make certain workpapers available to the U.S. Department of Labor pursuant to authority given to it by law. If requested, access to such audit documentation will be provided under the supervision of Hiratsuka & Associates, LLP, personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the U.S. Department of Labor. The U.S. Department of Labor may intend, or decide, to distribute the photocopies of information contained therein to others, including other governmental agencies. In addition, access to work papers will be granted to other firms of Certified Public Accountants for our firm's required participation in the American Institute of Certified Public Accountants "Peer Review" process.

During the course of our engagement, we may need to electronically transmit confidential information to each other and to outside specialists or other entities engaged by Hiratsuka & Associates, LLP or the Plan. E-mail is a fast and convenient way to communicate. However, e-mail travels over the public Internet which is not a secure means of communication and, thus, confidentiality could be compromised. The Plan agrees to the use of e-mail and other electronic methods to transmit and receive information, including confidential information, between Hiratsuka & Associates, LLP and the Plan and between Hiratsuka & Associates, LLP and outside specialists or other entities engaged by Hiratsuka & Associates, LLP or the Plan.

We estimate that our fees for these services will be \$4,200. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. We appreciate the opportunity to be of service to the Plan and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Sincerely,

HIRATSUKA & ASSOCIATES, LLP

These financial statements and supplemental schedules are required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA to be filed with Form 5500.

As you have instructed, our engagement does not include preparation of the Plan's Form 5500. The AICPA's Audit and Accounting Guide, *Employee Benefit Plans*, requires that, before an auditor's report on the Plan's financial statements can be included with a filed Form 5500 (including any related schedules), the auditor must review the Form 5500 and consider whether there are any material inconsistencies between the other information in the form and the audited financial statements (including the required supplemental schedules) or any material misstatement of fact. instances of any such matters or ways in which management practices can be improved, we will communicate them to you.

Management Responsibilities

You are responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles and for the fair presentation in the financial statements of the net assets available for benefits and changes in net assets available for benefits of the plan in conformity with U. S. generally accepted accounting principles. You are also responsible for management decisions and functions; for designating an individual with suitable skill, knowledge, or experience to oversee any bookkeeping, actuarial, or any other non-attest services we provide; and for evaluating the adequacy and results of those services and accepting responsibility for them.

You are responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the plan involving (1) plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the plan received in communications from employees, former employees, regulators, or others. In addition, you are also responsible for identifying and ensuring that the plan complies with applicable laws and regulations.

Engagement Administration, Fees, and Other

We understand that your personnel will prepare schedules and analyses and type all confirmations we request and will locate any invoices or other documents selected by us for testing.

The audit documentation for this engagement is the property of Hiratsuka & Associates, LLP, and constitutes confidential information. However, we may be requested to make certain workpapers available to the U.S. Department of Labor pursuant to authority given to it by law. If requested, access to such audit documentation will be provided under the supervision of Hiratsuka & Associates, LLP, personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the U.S. Department of Labor. The U.S. Department of Labor may intend, or decide, to distribute the photocopies of information contained therein to others, including other governmental agencies. In addition, access to work papers will be granted to other firms of Certified Public Accountants for our firm's required participation in the American Institute of Certified Public Accountants "Peer Review" process.

During the course of our engagement, we may need to electronically transmit confidential information to each other and to outside specialists or other entities engaged by Hiratsuka & Associates, LLP or the Plan. E-mail is a fast and convenient way to communicate. However, e-mail travels over the public Internet which is not a secure means of communication and, thus, confidentiality could be compromised. The Plan agrees to the use of e-mail and other electronic methods to transmit and receive information, including confidential information, between Hiratsuka & Associates, LLP and the Plan and between Hiratsuka & Associates, LLP and outside specialists or other entities engaged by Hiratsuka & Associates, LLP or the Plan.

We estimate that our fees for these services will be \$4,200. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. We appreciate the opportunity to be of service to the Plan and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Sincerely,

HIRATSUKA & ASSOCIATES, LLP
