Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Thompson Hine LLP Retirement Plan ("Plan"), which comprise the statements of net assets available for benefits as of December 31, 2016, and the related statements of changes in net assets available for benefits for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by The Charles Schwab Trust Company, the Trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of December 31, 2016, and for the year ended December 31, 2016, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter-Supplemental Information

The supplemental schedule of Assets Held at End of Year as of December 31, 2016 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Other Matter-2015 Financial Statements

The financial statements of the Plan as of December 31, 2015 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the Trustee. Their report, dated September 16, 2016, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

Thompson Hine LLP Retirement Plan

1 Description of Plan

The following description of the Thompson Hine LLP Retirement Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General:

The Plan, which began December 1, 1968 is a defined contribution plan covering substantially all partners, employed attorneys and staff of Thompson Hine LLP ("Partnership") who meet the age requirement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was amended and restated effective January 1, 2015.

For purposes of the Plan, an associate includes an Employee who is employed to practice law by the Employer as (i) an associate, (ii) senior attorney, (iii) staff attorney, (iv) senior counsel or (v) counsel. Partners, employed attorneys and staff may elect not to participate in the 401(k) portion of the Plan. The Thompson Hine LLP Retirement Plan Committee ("Committee"), whose members are appointed by the Managing Partner of the Partnership, is responsible for overseeing and making decisions regarding the investment options offered under the Plan and for certain other related duties and requirements.

Eligibility:

All employees of the Partnership age twenty-one and older are eligible to participate in the Plan.

Contributions:

Participant Contributions - Participants may elect to contribute one or more of the following elective contributions, all of which are subject to certain limitations specified by the Internal Revenue Code ("Code"): (i) pretax 401(k) contributions up to 50% of annual compensation, all or a portion of which may be irrevocably designated as Roth 401(k) contributions which are made on an after-tax basis, (ii) additional after-tax contributions up to 10% of annual compensation if the participant is not a partner, and (iii) if the participant is 50 years or older at the end of a calendar year, catch-up pretax 401(k) contributions and/or Roth 401(k) contributions up to the annual legal limit.

Partnership Nonelective Contributions - The Partnership makes nonelective contributions to the Plan on behalf of each participant, except for employed attorneys, who have completed two or more years of service. Nonelective contributions for partners are determined using separate age-weighted formulas for general partners and income partners (as defined in the Plan and the Partnership Agreement). Contributions are determined as a percentage of the partner's eligible annual compensation from 4.63% to 14.50% for general partners and 3.09% to 14.50% for income partners, based on the partner's age as of his birthday nearest January 1, at the beginning of each contribution period. Nonelective contributions for staff participants are equal to 5% of the participant's annual compensation up to the Social Security Taxable Wage Base in effect for the Plan year plus 13% of the annual compensation in excess of the Social Security Taxable Wage Base.

NOTES TO FINANCIAL STATEMENTS

Thompson Hine LLP Retirement Plan

1 Description of Plan, Continued

Contributions, Continued:

Rollover contributions from other Plans are also accepted, providing certain specified conditions are met.

Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code, as defined in the Plan agreement.

Participants' Accounts:

Each participant's account is credited with the participant's elective contributions, partnership nonelective contributions, earnings and losses, and charged with an allocation of administrative expenses including such expenses that are attributable specifically to the participant's account and certain administrative and/or Plan transaction fees.

Vesting:

Participants are vested immediately in all contributions plus earnings thereon.

Notes Receivable from Participants:

Loans are permitted under certain circumstances and are subject to limitations. Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans are repaid over a period not to exceed 5 years with exceptions for the purchase of a primary residence. Loans are valued at unpaid principal plus accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2016 and 2015. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

The loans are secured by the balance in the participant's account and bear interest at the Prime Rate at the time of the loan plus 1.5%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits:

Upon termination of service by reason of separation of service, retirement, death or total and permanent disability, a participant or beneficiary may elect to receive distribution of all or any portion of his or her account up to the value of the participant's interest in the account, in a direct rollover to an eligible retirement plan, or in a series of installments over a specified period of time. Withdrawals of a participant's interest in his after-tax contribution and/or rollover contribution accounts may be made prior to termination for any reason, subject to certain restrictions. A participant who is at least age 59 ½ may withdraw any portion of his account, subject to limitations. Benefits are recorded when paid.

Hardship Withdrawals:

Hardship withdrawals are permitted in accordance with Internal Revenue Service guidelines.

NOTES TO FINANCIAL STATEMENTS

Thompson Hine LLP Retirement Plan

1 Description of Plan, Continued

Investment Options:

Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan.

Plan Expenses:

Expenses for the operation and administration of the Plan are paid from the Plan's trust, as provided by the Plan document, unless the Partnership elects to pay the expenses. Expenses attributable to a specific participant's account are paid from that account.

2 Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's transactions are reported on the accrual basis of accounting.

Valuation of Investments:

Investments are stated at fair value. Marketable securities are reported at fair market value as of the balance sheet date. Fair market values represent quoted market prices or, if quoted market prices are not available, estimated fair values as determined by the Plan's investment broker.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as held during the year.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Plan Termination:

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will receive the vested portion of their accounts.

NOTES TO FINANCIAL STATEMENTS

Thompson Hine LLP Retirement Plan

2 Summary of Significant Accounting Policies, Continued

Risks and Uncertainties:

The Plan invests in various investment securities with varying degrees of risk, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statement of Net Assets Available for Plan Benefits.

Reclassifications:

Certain prior year amounts have been reclassified to conform with the current year's presentation.

Subsequent Events:

Management evaluates subsequent events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements.

Subsequent events have been evaluated through October 3, 2017, which is the date the financial statements were available to be issued.

3 Tax Status

The Internal Revenue Service has determined and informed the Partnership by letter dated October 5, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2016, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress.

4 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

NOTES TO FINANCIAL STATEMENTS

Thompson Hine LLP Retirement Plan

4 Fair Value Measurements, Continued

- * Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- * Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
 - * Quoted prices for similar assets or liabilities in active markets
 - * Quoted prices for identical or similar assets or liabilities in inactive markets
 - * Inputs other than quoted prices that are observable for the asset or liability
 - * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- * Level 3: Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Mutual Funds:

The fair value of the mutual funds are based on quoted market prices.

Common/Collective Trusts:

The fair values of participation units held in collective trusts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. The investment objectives and underlying investments of the collective trusts vary, with some holding diversified portfolios of domestic or international stocks and open-ended mutual funds, some holding securities of U.S. companies in a particular industry sector, some holding short-term and/or medium-term corporate, government agency bonds, and others holding a blend of various domestic stocks, bonds and mutual funds. Each collective trust provides for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

Self-directed Brokerage Account:

Includes the following investments:

Common Stocks, preferred stocks, corporate bonds and U.S. Government Securities: Valued at the closing price reported on the active market on which the individual securities are traded.

Cash equivalents: Valued at \$1 per unit, including applicable interest and fees.

NOTES TO FINANCIAL STATEMENTS

Thompson Hine LLP Retirement Plan

4 Fair Value Measurements, Continued

Limited partnerships: Value based on an independent valuation of factors affecting the fractional interest of the investment. The factors include liquidity, structure, management, economic environment, underlying assets or products, financial condition and such other relevant factors.

Self-directed Brokerage Account, Continued:

Unit investment trusts: Valued on the mark-to-market method of asset valuation. Under the mark-to-market method, the value of the investment is constantly adjusted based on current market rates.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016 and 2015. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.
