INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
J S Helwig & Son, LLC 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements J S Helwig & Son, LLC 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of June 9, 2017 (Liquidation Date) and December 31, 2016 , and the related statements of changes in net assets available for benefits for the period from January 1, 2017 through June 9, 2017 (Liquidation Date), and for the year ended December 31, 2016 , and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by American United Life Insurance Company, (the "Custodian") of the Plan, except for comparing the information with the related information included in the 2017 and 2016 financial statements. We have been informed by the Plan Administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Custodian as of June 9, 2017 (Liquidation Date), and December 31, 2016, and for the year ended December 31, 2016, and for the period from January 1, 2017 through June 9, 2017 (Liquidation Date), that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2017 and 2016 financial statements.

Other Matter – Plan Termination

As further discussed in Note 1 to the accompanying financial statements, the Company elected to terminate the Plan effective March 24, 2017. In accordance with accounting policies generally accepted in the United States of America, the Plan has changed its basis of accounting from the Ongoing Basis of accounting used in the 2016 and financial statements to the Liquidation Basis of accounting used in presenting the 2017 financial statements. Our opinion is not modified with respect to this matter.

Other Matter – Supplemental Schedules

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2016, and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2016 and the Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the Period from January 1, 2017 through June 9, 2017 (Liquidation Date),, are required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Other Matter – 2015 Financial Statements

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by American United Life Insurance Company, the Custodian of the Plan. Their report, dated August 15, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from information certified by the Custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2017 and 2016 financial statements and supplemental schedules, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1 - DESCRIPTION OF PLAN

GENERAL

J S Helwig & Son, LLC 401(k) Plan (the "Plan") was a defined contribution plan and was subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan was established on January 1, 2013, and was amended and restated as of January 1, 2015. The Plan covers substantially all employees of J S Helwig & Son, LLC (the "Company" or "Plan Administrator"). American United Life Insurance Company (the "Custodian") serves as the Custodian and Recordkeeper of the Plan. The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

PLAN TERMINATION

The Company terminated the Plan effective March 24, 2017, and no further contributions were made to the Plan since that date. Accordingly, the Plan changed its basis of accounting from the Ongoing Basis of accounting to the Liquidation Basis of accounting used in the 2017 financial statements. As a result, participants became 100% vested in their accounts. The Plan was fully liquidated on June 9, 2017 (Liquidation Date).

ELIGIBILITY AND PARTICIPANT ACCOUNTS

Employees became eligible for participation on the first day of employment as defined by the Plan document. Participants entered the Plan on the first day of the month following attainment of the eligibility requirements. Subject to certain limitations on annual additions, each participant's account was credited with employee elective deferrals, Company discretionary matching contributions, and an allocation of Plan earnings and charged with certain administrative expenses.

CONTRIBUTIONS

The Plan was funded through employee elective deferrals and Company discretionary matching contributions. Each year, participants were able to contribute from 1% to 100% of annual compensation, as defined by the Plan. Participants could have contributed amounts representing distributions from other qualified defined benefit or defined contribution plans, subject to maximum limitations imposed by the Internal Revenue Code ("IRC") of $18,000 for and 2016 and 2017. Employees who were eligible to make elective deferrals under the Plan and who had attained the age of fifty before the close of the plan year were eligible to make catch-up contributions subject to the maximum limitation imposed by the IRC of $6,000 for the calendar year ended 2016 and 2017. Rollover contributions representing distributions from other qualified defined benefit or contribution plans were permitted.

The Plan did allow for Company discretionary matching contributions. For the Period from January 1, 2017 through June 9, 2017 (Liquidation Date) and for the years ended December 31, 2016 and 2015, no discretionary matching contributions were made.

VESTING

Participants were immediately vested in rollover contributions, employee contributions, and any earnings thereon. Vesting of Company discretionary matching contributions and earnings thereon was based on years of continuous service. Participants vested 20% per year after two year of service, and were 100% vested after six years or upon occurrence of the participant's retirement, death or disability, as defined by the Plan document. All participants became 100% vested on March 24, 2017 due to the Plan termination.

1 - DESCRIPTION OF PLAN, CONTINUED

FORFEITURES

Forfeitures were available to reduce future employer contributions or pay administrative expenses. At June 9, 2017 (Liquidation Date) and December 31, 2016 and 2015, there were no forfeited non-vested accounts available for future use.

DISTRIBUTIONS TO PARTICIPANTS

Upon normal retirement age, death, disability, or termination, a participant's benefits were payable in a lump-sum amount equal to 100% of the participant's vested account balance. Employees could also make hardship withdrawals on the balance of their account related to their elective deferral contributions vested profit sharing, and vested match accounts. Participants with vested account balances greater than $5,000 could defer their distributions to a later date. Participant account balances less than $5,000, upon termination, may be rolled over to an individual retirement account or, if less than $1,000, directly to the participant by the Company.

INVESTMENT OPTIONS

The Plan provided for participants to direct both employee and Company contributions into a variety of pooled separate accounts and a group annuity contract in accordance with participant investment elections and the provisions of the Trust agreement. Participants should refer to the Plan website for additional fund information.

NOTES RECEIVABLE FROM PARTICIPANTS

Borrowings were available for all participants. Notes receivable from participants were limited to a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of their vested account balance, subject to certain restrictions as defined by the Internal Revenue Service ("IRS"). A participant may only have one loan outstanding at any given time. The notes were secured by the balance in the participant's account and beared interest at a rate determined reasonable by the Plan Administrator. Any note must be repaid within five years unless for the purchase of a primary residence. Repayments were made through payroll deductions and were reinvested in the participant accounts according to individual investment elections. Notes receivable from participants, as of December 31, 2016, had rates of 4.25% and maturity date of March 2017. There were no notes receivable from participants, as of December 31, 2015.

ADMINISTRATIVE EXPENSES

Distribution and loan fees were charged directly to the requesting participant's account. All other costs and expenses of the Plan and its administration, including all fees and expenses of the Custodian, were paid by the Company.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements were prepared under the accrual method in accordance with accounting principles generally accepted in the United States ("U.S. GAAP"). As a result of the Plan's termination as described in Note 1, the Plan changed its basis of accounting from the Ongoing Basis of accounting to the Liquidation Basis of accounting for the period from January 1, 2017 through June 9, 2017 (Liquidation Date). The Liquidation Basis of accounting presents assets at amounts expected to be realized in liquidation and liabilities at amounts expected to be paid. At termination, there were no material difference between amounts presented on the Liquidation Basis and those that would have been presented on the Ongoing Basis.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants were measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants were reclassified as distributions based upon terms of the plan document or loan policy of the Plan.

BENEFITS

Benefits were recorded when paid.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See "Note 3 – Fair Value Measurements"). Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. The income earned on participant accounts was allocated on a daily basis using the previous day's ending account balance. Net appreciation (depreciation) included the Plan's gain and losses on the investments bought and sold, as well as held during the year.

ESTIMATES AND ASSUMPTIONS

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, changes therein, and associated disclosures. Accordingly, actual results may vary from the estimates used in preparing the accompanying financial statements.

3 – FAIR VALUE MEASUREMENTS

RECENT ACCOUNTING PRONOUNCEMENTS

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2015-7, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value ("NAV") per Share (or its Equivalent). The update removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share as the practical expedient. The update also removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share as the practical expedient. Rather, those disclosures are limited to investments for which the entity has elected to measure the fair value using that practical expedient. ASU 2015-7 is effective for fiscal years beginning after December 15, 2015 for public entities and after December 15, 2016 for all other entities with early adoption permitted. Plan management did not adopt ASU 2015-7 before the Plan liquidation date.

In July 2015, the FASB issued ASU 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient. Part I eliminates the requirements to measure the fair value of fully benefit-responsive investment contracts ("FBRICs") and provide certain disclosures. Contract value is the only required measure for FBRICs. Part II eliminates the requirements to disclose individual investments that represent 5 percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. Part I and III was not applicable to the Plan. The ASU is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. Parts I and II are to be applied retrospectively. Management elected to adopt Parts I and II in 2015.

3 – FAIR VALUE MEASUREMENTS, CONTINUED

INVESTMENT VALUATION AND LEVELING

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820 for Fair Value Measurements and Disclosures provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 Significant observable inputs other than quoted prices in active markets for which inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In establishing a fair value hierarchy for the Plan's investments in accordance with FASB ASC 820, the following value methodologies were used for each type of investment:

Pooled Separate Accounts and Group Annuity Contract: Valued at the net asset value NAV of shares held by the Plan at year end, as determined by the Custodian/Custodian. The NAV, was provided by the Custodian/ Custodian, was used as a practical expedient to estimate fair value. The NAV was based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient was not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawals from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There were no unfunded commitments on these accounts at December 31, 2016 and 2015.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Plan believes its valuation methods are appropriate and consistent with other market participants; even so, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3 – FAIR VALUE MEASUREMENTS, CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016 :

	Level 1	Level 2	Level 3	Total

4 - FINANCIAL INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Company was elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Company instructed the independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by American United Life Insurance Company, the Custodian and party-in-interest as defined by ERISA, as of June 9, 2017 (Liquidation Date), December 31, 2016 and December 31, 2015, and for the period from January 1, 2017 through June 9, 2017 (Liquidation Date) and for the year ended December 31, 2016, except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedules. This information consists of the following:

	2017	2016	2015
Investments, at fair value	$ -	$ 73,572	$ 56,585
Notes receivable from participants	$ -	$ 442	$ -
Net appreciation in fair value of investments	$ 4,301	$ 3,330	
Interest on notes receivable from participants	$ 5	$ 39	

5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were shares of pooled separate accounts and a group annuity contract managed by American United Life Insurance Company. American United Life Insurance Company was the Custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest.

6 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options in pooled separate accounts and a group annuity contract. Investment securities were exposed to various risk such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7 - TAX STATUS OF THE PLAN

The Plan was based on a prototype plan developed by OneAmerica Financial Partners, Inc. which received a favorable opinion letter dated March 31, 2014, from the IRS stating that the prototype plan constitutes a qualified plan under Section 401 of the IRC. The Company believes the Plan, as adopted and amended, was operating within the guidelines of the IRC and continues to be tax exempt. Accordingly, no provision for federal income taxes has been provided in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2013.

8 –DELINQUENT CONTRIBUTIONS

During 2016, employee withholdings and loan repayments in the amount of $611 were late in being transferred to the Plan. The delay was unintentional and the Company remitted lost earnings calculated using the Department of Labor guidelines for late deposits under the Voluntary Fiduciary Correction Program in 2017.

9 – SUBSEQUENT EVENT

In accordance with FASB ASC 855, "Subsequent Events", the Company had evaluated events or transactions occurring after June 9, 2017 (Liquidation Date) and December 31, 2016, the Statement of Net Assets Available for Benefits date, through September 29, 2017, the date the financial statements were ready to be issued, and determined there were no additional events or transactions besides the events or transactions listed below, that would impact the financial statements for the period from January 1, 2017 through June 9, 2017 (Liquidation Date) and for the year ended December 31, 2016 .

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
