INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the Wausau Paper Corp. Savings & Investment Plan

Report on the 2016 Financial Statements

We were engaged to audit the accompanying 2016 financial statements of the Wausau Paper Corp. Savings & Investment Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2016, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the 2016 Financial Statements

Our responsibility is to express an opinion on the 2016 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion on the 2016 Financial Statements* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2016 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by BMO Harris Bank N.A., the trustee of the Plan, except for comparing the information with the related information included in the 2016 financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2016, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion on the 2016 Financial Statements

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion on the 2016 Financial Statements* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2016 financial statements. Accordingly, we do not express an opinion on the 2016 financial statements referred to in the first paragraph.

Other Matter – 2015 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by BMO Harris Bank N.A., the trustee of the Plan. Their report, dated August 26, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the BMO Harris Bank N.A., the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Report on Form and Content in Compliance with DOL Rules and Regulations 2016

The form and content of the information included in the 2016 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Wausau Paper Corp. Savings & Investment Plan
Notes to Financial Statements
As of and for the Years Ended December 31, 2016 and 2015

1. Description of Plan

The following brief description of the Wausau Paper Corp. Savings and Investment Plan (the “Plan”) is provided for general information purposes only. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and Section 401 of the Internal Revenue Code (“IRC”). Participants should refer to the Plan document, as amended, for more complete information.

General

The Plan was established on January 1, 1988. It is a defined contribution plan that covers all full-time salaried, non-union hourly and all collectively bargained common law employees of Wausau Paper Corp. and its subsidiaries (the “Company”).

On January 21, 2016, the acquisition of the Company, by SCA Tissue North America LLC (“SCA Tissue”), a wholly owned subsidiary of SCA Americas Inc. (“SCA Americas”), was consummated pursuant to the terms of the previously announced Agreement and Plan of Merger, dated as of October 12, 2015 (the “Merger Agreement”), by and among the Company, SCA Americas, and Salmon Acquisition, Inc., a wholly owned subsidiary of SCA Tissue (“Merger Sub”). Pursuant to the Merger Agreement, Merger Sub merged with and into the Company (the “Merger”), with the Company continuing as the surviving corporation. As a result of the Merger, the Company became a wholly owned subsidiary of SCA Tissue, which pursuant to an Assignment of Agreement and Plan of Merger, dated January 20, 2016 (the “Assignment Agreement”), and was assigned SCA Americas’ rights and obligations under the Merger Agreement.

Pursuant to the terms of the Merger Agreement, shares of Wausau Paper Corp. common stock were cancelled and converted into the right to receive a cash payment of \$10.25 each. The cash received was invested, based upon the participants’ age, into the JP Morgan SmartRetirement funds. Upon the cancellation of stock, employees’ contribution elections were modified from the Wausau Paper Corp. Company Stock Fund, based upon the participants’ age, into the JP Morgan SmartRetirement funds automatically.

In December 2016, SCA Americas assumed sponsorship of the Plan. Effective December 31, 2016, the Plan was merged with and into the SCA Americas, Inc. Investment and Retirement Plan (“the SCA Savings Plan”). With the merger, a “Black Out” period was initiated beginning on December 27, 2016 and ending during the week of January 15, 2017. During this period, Plan participants’ accounts were not available for investment fund exchanges and distribution requests, including loans. During the Black Out period, employee contributions continued to be made through payroll deductions as well as payments on existing loans. Enrollments, salary deferral changes and investment allocation changes were permitted to be made after the Black Out period ended. During the Black Out period, these funds were transferred to SCA Savings Plan and invested in investment options similar to those available in the Plan.

For Form 5500 purposes, all assets, liabilities and participants also ceased to be part of the Wausau Paper Corp. Savings and Investment Plan as of December 31, 2016 and such amounts are reported as zero on the December 31, 2016 Form 5500.

Eligibility

An employee initially becomes eligible to participate at times varying from one day of service to 120 days of service, depending upon the employee’s classification and his or her employment date.

Contributions

Participants are allowed to contribute up to 50% of their gross annual compensation, as defined in the Plan document, subject to certain statutory limitations.

The Plan allows participants to rollover distributions from another employer’s retirement plan or an annuity contract as contributions, subject to certain restrictions. Participants may deposit any portion of a distribution that

has not been taxed, provided the deposit is eligible for rollover under the IRC. These deposits are not subject to the contribution limitations under the IRC. The Company does not match these contributions.

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Plan also includes an automatic escalation provision whereby the deferral percentage for participating employees shall increase annually by an additional 1% if their deferral rate is less than 10% unless they have made an election to opt out of the automatic increase.

Non-Bargained Employees—The Company match on non-bargained participant contributions is 100% of the first 4% of eligible compensation as defined in the Plan. In addition, the Company makes non-elective contributions of 2% of eligible compensation up to the Social Security-defined wage base, plus 4% above the wage base to a maximum eligible compensation amount as defined in the Plan. Employees must work 1,000 hours in a plan year, and be actively employed on December 31, or have terminated employment during the Plan year after attaining age 55 and ten years of vesting service, to receive the non-elective contribution.

Bargained Employees—During 2016 and 2015, the Company matching contribution varied based upon collective bargaining unit. The maximum matching contribution was \$0.25 per \$1.00 contributed, up to 6% of a participant's annual gross compensation.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer contributions, as well as the participant's share of the Plan's income (loss) and any related administrative expenses. Allocations are based on the proportion that each participant's account balance has to the total of all participants' account balances.

Investment Options

The Plan allows participants to direct the investment of all contributions and related earnings (losses) among various registered investment companies (e.g. mutual funds), a common/collective trust (stable value fund), and, up until the Merger, a Company common stock fund. The amount of contributions that could be allocated by a participant to the Company common stock fund was limited to 10%. This limitation applied only to the contributions and related earnings made to the Plan after January 1, 2011.

Allocation of Investment Income (Loss)

Each participant's account is allocated investment income (loss) based upon the specific investment options chosen and in the proportion that an individual participant's account balance bears in relation to total account balances under the Plan.

Vesting

Participants are fully vested in their salary deferral and rollover contributions plus earnings/losses thereon. Vesting in the Company's matching contributions plus actual earnings/losses thereon is based on years of service and the participant's employment status as either non-bargained or bargained.

Non-bargained participants are fully vested in the Company's contributions made prior to January 1, 2011 after three years of vesting service, or at the rate of 33⅓% per year of service. Bargained participants vest in the Company's matching contributions according to varying vesting schedules depending on the terms of the applicable collective bargaining agreement. A year of vesting consists of a calendar year in which an employee works a minimum of 1,000 hours for the Company. As of January 1, 2011, non-bargained participants have immediate full vesting in Company matching and non-elective contributions made after January 1, 2011.

Forfeitures

Plan forfeitures arise as a result of participants who terminate service with the Company before becoming fully vested in the Company's contribution. These forfeitures are used to reduce future Company contributions. The amount of forfeitures available at December 31, 2016 and 2015 was \$0 and \$28,701, respectively. As part of the merger with the SCA Savings Plan, \$17,002 of forfeitures were transferred to the SCA Savings Plan. During the years ended December 31, 2016 and 2015, employer contributions were reduced by \$23,788 and \$20,610, respectively, from forfeited nonvested accounts.

Payment of Benefits

On termination of service due to death, disability, or retirement, the vested portion of a participant's account is payable to the participant, or a named beneficiary, based on the participant's elected payment method. The payment options available are lump-sum or periodic payments.

Participant contributions and earnings thereon, rollover contributions, and vested Company contributions and earnings thereon may be withdrawn for any reason after a participant reaches age 59½ or at any age if a participant demonstrates financial hardship. Non-bargained employees may only withdraw amounts contributed prior to January 1, 2011 for financial hardships. Financial hardship withdrawals are subject to government regulation and may be subject to a 10% penalty.

Notes Receivable from Participants

As of January 1, 2011, non-bargained participant contributions, rollover contributions, and Company contributions are not eligible for participants' loans. Non-bargained participants continue to be allowed to borrow from participant contributions and rollover contributions made prior to January 1, 2011. Loan transactions are treated as a segregated investment of the participant's accounts. Loan terms range from one to five years or longer if for the purchase of a primary residence. Loans may not exceed the lesser of 50% of the participant's account balance or \$50,000, and are secured by the balance in the participant's account. The loans bear interest at a rate commensurate with local prevailing rates as determined from time to time by the Plan. Interest rates on existing loans range from 2.88% to 3.50% during 2016. Principal and interest are paid ratably through payroll deductions. Upon termination of employment, outstanding balances become due and payable to the Plan, unless the borrower elects to continue making repayments in accordance with the promissory note evidencing the loan.

Plan Expenses

Administrative expenses charged by the third party administrator and all other expenses incurred in conjunction with the Plan are paid by the Company. Investment advisory and management fees are allocated proportionately to Plan participants based on their respective account balances. Loan fees are charged directly to the participant's account against the investment option for which the loan was originally charged.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, all account balances of the participants become fully vested. The account will be held under the Plan and continue to accrue investment earnings until all vested benefits have been distributed according to the terms of the Plan.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

As of and for the Years Ended December 31, 2016 and 2015

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The benefits steering committee of the Plan sponsor determines the Plan's valuation policies utilizing information provided by trustees, custodians and investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments consists of the realized gains or losses and the unrealized appreciation or depreciation of those investments.

Pending trades reflect the cash effect of pending sales related to the Plan being merged with and into the SCA Savings Plan. Such amounts, along with the rest of the Plan assets, were transferred to SCA Savings Plan and invested in investment options similar to those available in the Plan (see Note 1).

Notes Receivable from Participants

Notes receivable from participants (participant loans for Form 5500 reporting purposes) are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowances for credit losses has been recorded as of December 31, 2016 and 2015.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

In 2016 and 2015, certain investment and administrative expenses were paid out of the Plan, and include recordkeeping, trustee, and participant fees. Certain other administrative expenses of the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments presented in the statements of changes in net assets available for benefits.

Risks and Uncertainties

The Plan utilizes various investment instruments, including registered investment companies (e.g. mutual funds), a common/collective trust, and company stock fund investments. Investment securities are exposed to various risks including but not limited to, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Reclassifications

Certain amounts in the prior year financial statements have been reclassified to conform to the current year presentation.

Subsequent Events

The Plan has evaluated subsequent events through October 9, 2017, the date the financial statements were available to be issued.

3. Unaudited Information Certified by the Plan Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information included in the accompanying financial statements was certified by BMO Harris Bank N.A., the trustee, as complete and accurate.

- Investments, at fair value, notes receivable from participants, pending trades and accrued income, as shown in the statements of net assets available for benefits as of December 31, 2016 and 2015.
- Investment activity, including net appreciation (depreciation) in fair value of investments, interest, dividends, other income and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2016 and 2015.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2016 and 2015.

<i>Registered investment companies (mutual funds):</i>	Valued at the net asset value ("NAV") of shares held by the Plan at year-end based upon quoted market prices on nationally recognized exchanges. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
--	---

<i>Common/collective trust:</i>	Valued at the NAV of units of the common/collective trust held at year-end. The NAV, as provided by the common/collective trust, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Notes to Financial Statements
As of and for the Years Ended December 31, 2016 and 2015

*Wausau Paper Corp.
Company Stock Fund*

The fund consists of common stock of Wausau Paper Corp. and cash and/or money market investments sufficient to help accommodate daily transactions and is valued using inputs derived from observable market data.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Due to the transfer to the SCA Savings Plan, there were no fair value measurements as of December 31, 2016.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2015:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments, at fair value:				
Registered investment companies	\$ 99,924,559	\$ 99,924,559	\$ -	\$ -
Company stock fund	2,789,186	-	2,789,186	-
Total assets in the fair value hierarchy	102,713,745	99,924,559	2,789,186	-
Common collective trust (*)	28,712,233	-	-	-
Total	<u>\$ 131,425,978</u>	<u>\$ 99,924,559</u>	<u>\$ 2,789,186</u>	<u>\$ -</u>

*In accordance with fair value measurement guidance, certain investments that were measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of December 31, 2016 and 2015.

<u>Investment Type</u>	<u>Fair Value</u> <u>December 31,</u> <u>2016</u>	<u>Fair Value</u> <u>December 31,</u> <u>2015</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>
Common/collective trust	\$ -	\$ 28,712,233	\$ -	Daily	Daily

The common/collective trust's objective is to maintain safety of principal while generating a level of current income generally exceeding that of a money market fund and is primarily invested in traditional and synthetic investment contracts. Participant transactions (purchases and sales) in the common/collective trust may occur daily. The fund does not require a redemption notice period.

5. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated March 2, 2017, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Wausau Paper Corp. Savings & Investment Plan
Notes to Financial Statements
As of and for the Years Ended December 31, 2016 and 2015

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2013.

6. Related-Party and Party in Interest Transactions

The Plan invested in the Wausau Paper Corp. Company Stock Fund. In addition, certain plan investments represent shares of a common/collective trust fund managed by the trustee, BMO Harris Bank, N.A. These transactions are considered party-in-interest transactions. These transactions are not, however, considered prohibited transactions under ERISA regulations. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. During the years ended December 31, 2016 and 2015, total fees paid by the Plan for investment management services were \$170,880 and \$171,630, respectively.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

BMO Harris Bank N.A. or its affiliates generate income to the Plan through revenue sharing agreements. More specifically, BMO Harris Bank N.A. or its affiliates may receive revenue from mutual fund and common/collective trust service providers for services BMO Harris Bank N.A. or its affiliates provide to the mutual funds and common/collective trust. This revenue may be used to offset certain amounts owed to BMO Harris Bank N.A. or its affiliates for administrative services to the Plan. If the revenue received by BMO Harris Bank N.A. or its affiliates from such mutual fund or common/collective trust service providers exceeds the amount owed as agreed to by BMO Harris Bank N.A. and the Plan for administrative services, BMO Harris Bank N.A. or its affiliates is to remit the excess to the Plan. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During the years ended December 31, 2016 and 2015, the related amounts deposited into the Plan were approximately \$222,698 and \$337,122, respectively. The Plan or Plan Sponsor may make a payment to BMO Harris Bank N.A. or its affiliates for administrative expenses not covered by revenue sharing.
