INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Swaner Hardwood Co., Inc.
Profit Sharing/401(k) Plan
Burbank, California

We have audited the accompany financial statements of Swaner Hardwood Co., Inc. Profit Sharing/401(k) Plan (the Plan), which comprise the statements of net assets available for benefits of as of December 31, 2016 and 2015, the related statement of changes in net assets available for benefits for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimated made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by Alliance Trust Company (the Trustee) for 2016 and 2015, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Trustee as of December 31, 2016 and 2015, and for the year ended December 31, 2016, that the information provided to the plan administrator by the Trustee is complete and accurate.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial status of Swaner Hardwood Co., Inc. Profit Sharing/401(k) Plan as of December 31, 2016 and 2015, and the changes in its financial status for the year ended December 31, 2016, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audit is conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the information is fairly stated in all material respects in relation to the financial statements as whole.

SWANER HARDWOOD CO., INC.
PROFIT SHARING/401(K) PLAN
Notes to Financial Statements
For the Year Ended December 31, 2016

NOTE A – DESCRIPTION OF THE PLAN

The following description of the Swaner Hardwood Profit Sharing/401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Swaner Hardwood Company, Inc., Mt. Baker Products, Inc., and Goodyear Nelson Hardwood Lumber Co., Inc. (the Company) who have completed twelve months of service with one thousand hours of service within that year and are age twenty-one or older. The Plan provides for monthly entry dates for those employees having satisfied the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may defer tax free, 1% to 90% of their qualified annual compensation to the Plan, limited to a maximum annual amount as set by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan provides for a discretionary matching contribution. Although this contribution is at the discretion of the Board of Directors, it is company policy to match 25% of the participants' deferral subject to a maximum of 5% of the participant's compensation. The Company's matching contributions to the Plan totaled $48,444 for the year ended December 31, 2016.

In addition, the Plan provides for discretionary profit sharing contributions as determined by the Board of Directors. Such contributions to the Plan are allocated among eligible participants in the proportion of their compensation to total compensation of all participants. No profit sharing contributions were made for the year ended December 31, 2016.

Participant Account

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A – DESCRIPTION OF THE PLAN (continued)

Vesting

Participants immediately vest in their tax deferred contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contributions plus actual earnings thereon is based on years of service. Participants become 100% vested after six years of credited service except in the case of retirement, death, or disability in which case, participants will immediately vest in their entire account balance.

Notes Receivable from Participants

The Plan allows for participants to borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate from 4.25% to 4.5%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through bi-monthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants are also allowed to begin receiving distributions from their accounts upon reaching the age of 59 ½.

Forfeited Accounts

At December 31, 2016 and 2015, there were $677 and $0 forfeited non-vested accounts. Forfeited accounts may be used to reduce future employer contributions. During the year ended December 31, 2016, $677 of employer contributions were reduced from prior forfeited nonvested accounts.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Adoption of New Accounting Standards

The Plan adopted Accounting Standards Update No. 2015-12, Plan Accounting: Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient. The guidance issued a three-part update to simplify plan accounting of employee benefit plans. The update simplifies employee benefit plan reporting as outlined in Part (I) for fully benefit-responsive investment contracts and in Part (II) for plan investment disclosures. Part (III) provides for a measurement date practical expedient. Part (III) does not apply to the Plan.

As required, Parts (I) and (II) of the guidance were adopted for the year ended December 31, 2016. Accordingly, for Part (I), the adjustment from fair value to contract value on the statements of net assets has been removed. In accordance with Part (II), in the Fair Value Measurements note the level of disaggregation of investments that are measured at fair value has been simplified by disaggregating investments by general type instead of disaggregating by nature, characteristics and risks and the investment strategy for the investment measured at NAV has been removed as that fund files an annual report on Form 5500 as a direct-filing entity. In addition, the disclosure of individual investments greater than 5% of net assets and the net appreciation or depreciation in fair value of investments by general type have been removed from the former Investments note.

This guidance requires that amendments are applied retrospectively to all periods presented. Information presented for the year ended December 31, 2015 has been reclassified to reflect this updated guidance.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See note C for discussion of fair value measurements.

The fair value per unit of investments in the common/collective trust is measured using net asset value ("NAV") as the practical expedient and is determined by the investment fund's Trustee based on the fair value of the underlying securities within the fund.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gain and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable form participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. The trustee of the Plan notifies the Company of past due or delinquent loans. If a note receivable becomes uncollectible, it is Plan policy to deem the defaulted loan a distribution, which according to the Plan document may be taxable to the participant. The Plan's management expects that all outstanding loans will be collected by the Plan. There is no allowance for doubtful accounts as of December 31, 2016.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2016 excess contributions prior to March 15, 2017.

Benefits Paid to Participants

Benefits paid to participants are recorded when paid.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 25, 2017, the date in which these financial statements were available to be issued. As of this date, there have been no significant events that occurred for which the Company has deemed such disclosure necessary.

NOTE C – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the report date.

The fair value measurement accounting literature established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2016, there were no significant transfers into or out of Level 3.

The following table presents by level, within the fair value hierarchy, the plans assets measured at fair value on a recurring basis as of December 31, 2016 and 2015.

	Fair Value	Level 1	Level 2
December 31, 2016			
Common/collective trusts	$ 2,708,765	$ 2,708,765	-
Registered investment companies	6,278,918	6,278,918	$ -
Total investments at fair value	$ 8,987,683	$ 8,987,683	$ -
December 31, 2015			
Common/collective trusts	$ 2,770,375	$ 2,770,375	-
Registered investment companies	5,856,761	5,856,761	-
Total investments at fair value	$ 8,627,136	$ 8,627,136	$ -

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2016 are reported in net loss on registered investment companies and common/collective trusts.

NOTE D - INFORMATION CERTIFIED BY STATE STREET BANK & TRUST COMPANY

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2016 and 2015, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2016, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Alliance Trust Company (the Trustee of the Plan).

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE F - INCOME TAX STATUS

The Plan has adopted the Prototype Non-standardized Profit Sharing Plan with CODA, a ADP prototype plan, which has received a favorable advisory letter from the IRS dated July 16, 2014 stating that the written form of the prototype plan is acceptable under Section 401(a) of the IRC and that any employer adopting this prototype plan document will be considered to have a plan qualified under Section 401 (a) of the IRC. Once qualified, the plan is required to operate in conformity with IRC to maintain its qualification.

The Plan administrator believes that Plan has been operated in compliance with the applicable requirements of the IRC and, therefore, the Plan and the related trust are exempt from taxation.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken un uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G – RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by State Street Bank & Trust Company. State Street Bank & Trust Company is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. ADP provides certain administrative service to the Plan. ADP is the third party administrator as defined by the Plan, and therefore, these transactions qualify as party-in-interest transitions as well. Fees paid by the Plan for the administrative services amount to $850 for the year ended December 31, 2016.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
