**LINDSTROM METRIC LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE A - DESCRIPTION OF PLAN

The following description of the Lindstrom Metric LLC 401(K) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute up to 50% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers six investment options. The Company contributes on a discretionary basis.

Participants Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. The Company pays all administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution will be nonforfeitable upon completion of three years of vesting service.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Board of Directors

Lindstrom Metric, LLC
2950 100th Ct NE
Minneapolis, MN 55449

We are pleased to confirm our understanding of the services we are to provide for Lindstrom Metric, LLC 401(k) Plan ("the Plan") for the years ended 2016 and 2015 in connection with its annual reporting obligation under the Employee Retirement Income Security Act of 1974 (ERISA).

We will audit the financial statements of Lindstrom Metric, LLC 401(k) Plan, which comprise the statement of net assets available for benefits as of 12/31/16 and 12/31/15 and the related statement(s) of changes in net assets available for benefits for the years ended 2016 and 2015 then ended, and the related notes to the financial statements (the financial statements), and report on the supplemental schedules of the Plan for the years ended 2016 and 2015. The following supplementary information accompanying the financial statements, as applicable, will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, in accordance with auditing standards generally accepted in the United States of America, and we will report on whether the information is fairly stated in all material respects in relation to the financial statements as a whole in a report combined with our auditor's report on the financial statements:

- 1) Assets (Held at End of Year).
- 2) Loans or Fixed Income Obligations in Default or Classified as Uncollectible.
- 3) Reportable Transactions.
- 4) Nonexempt Transactions.
- 5) Delinquent Participant Contributions.

These financial statements and supplemental schedules are required to be included in the Plan's Form 5500 filing with the Employee Benefits Security Administration (EBSA) of the Department of Labor (DOL). The supplemental schedules are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Audit Objective

The objective of our audit is the expression of an opinion about whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles, and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements taken as a whole. Our audit will be conducted in accordance with auditing standards generally

accepted in the United States of America and will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. We will issue a written report upon completion of our audit of the Plan's financial statements. Our report will be addressed to the Board of Directors of the Lindstrom Metric, LLC 401(k) Plan. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or add an emphasis-of-matter or other-matter paragraph. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

Audit Procedures

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and direct confirmation of investments and certain other assets and liabilities by correspondence with financial institutions, and other third parties. We will also request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential and will include prohibited transactions in the supplemental schedule of nonexempt transactions as required by the instructions to Form 5500. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our audit will include obtaining an understanding of the Plan and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards.

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide

your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

In addition, we will perform certain procedures directed at considering the Plan's compliance with applicable Internal Revenue Service (IRS) requirements for tax exempt status and ERISA plan qualification requirements. However, you should understand that our audit is not specifically designed for and should not be relied upon to disclose matters affecting plan qualifications or compliance with the ERISA and IRS requirements. If during the audit we become aware of any instances of any such matters or ways in which management practices can be improved, we will communicate them to you.

Management Responsibilities

You are responsible for designing, implementing, and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; for establishing an accounting and financial reporting process for determining appropriate value measurements; and for the preparation and fair presentation of the financial statements in conformity with U.S. generally accepted accounting principles. You are also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the written management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Plan involving (1) Plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the Plan complies with applicable laws and regulations. You are also responsible for the fair presentation of the supplemental schedules and the form and content of the supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

You agree to assume all management responsibilities for the actuarial services and any other nonattest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, and/or experience; evaluate the adequacy and results of the services; and accept responsibility for them.
