401(k) PLAN
Notes to Financial Statements
December 31, 2016

NOTE 1 DESCRIPTION OF PLAN

The following brief description of Summit Health & Rehab Services, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a 401(k) Profit Sharing Plan covering all employees of Summit Health & Rehab Services, Inc. (the Employer) who have one year or more of service with a minimum of 1,000 hours of service, and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Tax Status

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America (GAAP), require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016 and 2015, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2013.

Employee Contributions

Participants are eligible to contribute up to the maximum amount of their compensation, subject to regulatory limitations.

Employer Contributions

The Employer may make discretionary contributions at a determined percentage of each eligible participant's compensation as defined in the Plan documents.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's discretionary contributions, and an allocation of net investment income of each fund in which the participant is invested. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Automatic Deferral

The Plan contains automatic deferral provisions whereby the Employer, as to each participant affected, will withhold as the automatic deferral amount, 2% from the participant's compensation each payroll period unless the participant makes a contrary election.

Vesting of Accounts

Participants are immediately 100% vested in their individual deferral contributions and earnings thereon. Participants are 100% vested in any employer discretionary contributions at the completion of a six year vesting schedule.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, or a rollover to another retirement account.

Participant Loans

The Plan does not permit participant loans.

Forfeited Accounts

Forfeitures may occur the last day of the Plan year in which the former participant incurs five consecutive 1-year breaks in service, or where the former participant receives the distribution of the entire vested portion of the participant's account. Any forfeitures may be used to pay administrative expenses and then used to reduce Employer contributions, if any.

Forfeited balances included in the Plan assets as of December 31, 2016 and 2015 were \$2,700 and \$3,016, respectively.

Terminated Participants

Plan participants include 53 terminated participants with vested balances of \$181,953 at December 31, 2016.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with GAAP the Plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Expenses

Administrative expenses incurred by the Plan may be paid by the Plan unless paid by the Employer. Expenses paid by the Employer are excluded from these financial statements. Investment related expenses are included in net depreciation in fair value of investments.

Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Management has evaluated subsequent events through October 2, 2017, the date the financial statements were available to be issued.

NOTE 3 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances.

NOTE 4 FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

GAAP, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No level 2 or 3 inputs were available to or necessary for the Plan.

Level 1 Fair Value Measurements

The fair value of interests in registered investment companies is based on quoted net asset values of the shares held by the Plan at year-end.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2016 are reported in net appreciation in fair value of investments.

NOTE 5 INVESTMENTS

The Plan's total investments (including investments bought, sold, and held during the year) appreciated in value in 2016 by \$41,156.

Interests in registered investment companies	\$ <u>41,156</u>

NOTE 6 INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. The Plan trustee, Capital Bank & Trust Company/American Funds, has certified that the investments and related income reflected in the accompanying financial statements and supplemental information are complete and accurate.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental information.

The following is a summary of the Plan's financial information included in the financial statements based on information certified by the Plan trustee:

Fair Value Measurements (Note 4)
Investments (Note 5)

NOTE 7 RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are interests in registered investment companies managed by American Funds. American Funds and Capital Bank and Trust Company are trustees as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management and other services are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than direct payments.

NOTE 8 PROHIBITED TRANSACTIONS

During the year ended December 31, 2016 the Employer did not remit certain participant contributions to the Plan in a timely manner, as defined by ERISA. The late deposits totaled \$40,299. These contributions are considered non-exempt party-in-interest transactions. The lost earnings associated with the late deposits were \$128. The Employer deposited the lost earnings associated with these late deposits to the affected participants' accounts.
