Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to such information summarized in Note 9, which was certified by The Fifth Third Bank, the record keepers and investment custodians of the Plan, except for comparing information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions at the direction of the record keeper. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2016 and 2015, that the information provided to the plan administrator by the record keepers and custodian are complete and accurate.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

As described in Note 2, these financial statements and supplemental schedules were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

BEACON ELECTRIC COMPANY PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Beacon Electric Company ("Company") Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan was established on January 1, 1990, to provide retirement benefits to employees and their beneficiaries. The Plan is a qualified defined contribution plan covering substantially all full-time employees of the Company who have one (1) year of service and are age eighteen (18) or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Contributions. Each year, participants may contribute up to 50% of pretax annual compensation, as defined in the Plan, subject to Internal Revenue Code Section 401(k) provisions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers several mutual funds and a money market fund as options for participants. The Company contributes up to 25% of the amounts contributed by participants, subject to certain limitations. Additional profit sharing amounts may be contributed at the option of the Company's board of directors subject to certain limitations. Effective on July 1, 2011, there is an automatic enrollment at 3% of pretax compensation and the participant must opt out of it.

Participant Accounts. Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contributions portion of their accounts plus earnings thereon is based on years of service. A participant is 100% vested after four years of credited service. A participant must complete 1000 hours of service during a year to be vested for such year.

Basis of Accounting. The Plan uses the modified cash basis of accounting, reporting income when cash is received, and expenses when cash is paid. Benefits are recorded when paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Participant Loans. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.00%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

Payments of Benefits. Participants may withdraw all or any part of their account balance upon reaching normal retirement age 65, or can elect to withdrawal all or any part of their vested account balance after having attained age 59 and 1/2. The Plan offers only a lump-sum cash distribution option.

Forfeited Accounts. At December 31, 2016 and 2015, forfeited non-vested accounts totaled \$4,327 and \$7,199 respectively. These accounts will be allocated to all participants eligible to share in the allocations in the same proportion that each participant's compensation for the year bears to the compensation of all other participants for such year.

Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates

NOTE 3 – INVESTMENTS

The Plan's investments are reported at fair value in the accompanying statement^s of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

BEACON ELECTRIC COMPANY PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE 3 – INVESTMENTS (continued)

The fair value measurement authoritative literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair values of common stock, most corporate bonds, and U.S. Government securities are based on quoted market prices.

Level 2 Fair Value Measurements

The fair value of Fifth Third Bank Equity Index Fund C which is a common/collective trust is an input other than quoted prices that are observable for the asset or liability.

The Plan did not have any investments valued using Level 3 inputs as of December 31, 2016 or 2015.

NOTE 4 – PLAN AMENDMENTS

The Plan has been restated for compliance with the Pension Protection Act of 2006 (“PPA”) and other legislative and regulatory changes effective April 1, 2015.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2013.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks.
