Benefit Plan Committee
Kelley Williamson Company Profit Sharing Plan
Rockford, Illinois

Attention: John and Kim Griffin

This letter is to inform the Benefit Plan Committee of Kelley Williamson Company Profit Sharing Plan (the Plan) about significant matters related to the conduct of our audit as of and for the year ended December 31, 2016, so that it can appropriately discharge its oversight responsibility and we comply with our professional responsibilities.

The following summarizes various matters that must be communicated to you under auditing standards generally accepted in the United States of America.

The Respective Responsibilities of the Auditor and Management
Our responsibility under auditing standards generally accepted in the United States of America has been described to you in our arrangement letter dated May 23, 2017. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

Overview of the Planned Scope and Timing of the Financial Statement Audit
We have issued a separate communication dated May 23, 2017 regarding the planned scope and timing of our audit and have discussed with you our identification of, and planned audit response to, significant risks of material misstatement.

Significant Accounting Practices, Including Policies, Estimates and Disclosures
Aspects of the Plan's significant accounting practices, including accounting policies, estimates and financial statement disclosures, are presented in Note 2 to the financial statements. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period. We did not note any significant processes used by management in formulating particularly sensitive accounting estimates.

Uncorrected Misstatements
We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Other Information in Documents Containing Audited Financial Statements
Our responsibility for other information in documents containing the Plan's audited financial statements is to read the information and consider whether its content or manner of its presentation is materially inconsistent with the financial information covered by our auditor's report or whether it contains a material misstatement of fact. We read the Plan's Form 5500 filing for consistency with information in the financial statements. We have provided our comments to management. We are not aware of other documents that contain the audited financial statements.

RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Visit rsmus.com/aboutus for more information regarding RSM US LLP and RSM International.

Supplemental Schedule
With respect to the supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content and methods of preparing the information to determine that the information complies with the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the method of preparing it had not changed from the prior period, and the information is appropriate and complete.

Consultation With Other Accountants
We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Management Representations
Attached is a copy of the management representation letter.

Closing
We will be pleased to respond to any questions you have about the foregoing. We appreciate the opportunity to continue to be of service to the Plan.

This report is intended solely for the information and use of the Benefit Plan Committee and management and is not intended to be, and should not be, used by anyone other than these specified parties.

This representation letter is provided in connection with your audit of the financial statements of Kelley Williamson Company Profit Sharing Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015; the related statement of changes in net assets available for benefits for the year ended December 31, 2016; and the related notes to the financial statements.

We have determined that the Plan trustee, Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal), qualifies to issue a certification of the Plan's asset activity under Section 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations. Therefore, as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to asset information certified or provided by Principal, the trustee, other than comparing that information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information that you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule as a whole.

We confirm, to the best of our knowledge and belief, that as of October 11, 2017:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated May 23, 2017, for the preparation and fair presentation of the financial statements referred to above in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

2. We acknowledge our responsibility for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

3. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.

4. We are responsible for making the accounting estimates included in the financial statements. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.

5. In that regard, we are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are disclosed in the financial statements. Our valuation methodologies have been consistently applied from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

6. All significant estimates and material concentrations known to management that are required to be disclosed in accordance with the Risks and Uncertainties Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) have been properly recorded and/or disclosed in the financial statements. Significant estimates are estimates at the statement of net assets available for benefits date that could change materially within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets in which events could occur that would significantly disrupt normal finances within the next year.

7. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.

8. Transactions with parties in interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.

9. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustment or disclosure, have been adjusted or disclosed.

10. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.

11. We have no intention to terminate the Plan.

12. We have properly reported and disclosed amendments to the Plan instrument, if any.

13. The Company's Board of Directors has approved the matching contribution of $115,000 for the year ended December 31, 2016.

14. We have no knowledge of any uncorrected misstatements in the financial statements.

Supplementary Information

15. With respect to the supplemental schedule:

    a. We acknowledge our responsibility for the presentation of such information.

    b. We believe such information, including its form and content, is fairly presented in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

    c. The methods of measurement or presentation have not changed from those used in the prior period.

    d. There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information.

e. We will only present the supplemental schedule together with the audited financial statements and auditor's report thereon and will not separate the supplementary information from the audited financial statements and auditor's report thereon in any document that contains such information.

Information Provided

16. We have provided you with:

a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;

b. Additional information that you have requested from us for the purpose of the audit;

c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;

d. The currently effective version of the Plan document, including the prototype plan document and adoption agreement, the trust agreement or insurance contracts, and all related amendments. The Plan was most recently amended on March 18, 2016;

e. All correspondence, filings, reports and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status;

f. All Plan financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plan; and

17. We certify that for the period from January 1, 2016 to October 11, 2017, there have been no:

- Mergers related to the Plan.
- Mergers, reorganizations, business acquisitions or disposals, or formation or dissolutions of any business entities.
- Adoption or amendment of any employee benefit plan, except for the amendment to this Plan's adoption agreement, effective March 18, 2016.
- Partial Plan termination.
- Changes in Plan trustees or Plan Administrator.
- Changes in service providers.
- Decisions made to offer Plan Sponsor stock in the Plan.
- Additional company contributions attributable to the Plan year.
- Changes to the contribution policy.

18. All transactions have been recorded in the accounting records and are reflected in the financial statements. The Plan Sponsor's management designated an individual with sufficient skills, knowledge and experience to oversee the financial statement preparation process and take responsibility for the results of the financial statement preparation services. This individual performed a detailed review of the financial statements, consisting of the following procedures:

    - Reconciliation of the trust activity and participant statements to the financial statements.
    - Review and approval of all journal entries proposed by you, including the review of supporting documentation and explanations.
    - Review of the adequacy of financial statement disclosures.
    - Review and approval of schedules and calculations supporting the amounts included in the notes to the financial statements.
    - Applying analytical procedures to financial statements.

19. We have disclosed to you the results of our assessment of risk that the financial statements may be materially misstated as a result of fraud.

20. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan involving:

    a. Management.

    b. Employees who have significant roles in internal control.

    c. Others where the fraud could have a material effect on the financial statements.

21. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators or others.

22. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements, and neither we nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted a lawyer concerning litigation and claims or other matters affecting the Plan.

23. We have disclosed to you the identity of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.

24. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize and report financial data.

25. We have no plans or intentions that may materially affect the carrying value or classification of assets or liabilities.

26. The Plan has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances or security interests have been properly disclosed.

27. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.

28. There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance or deficiencies in the operation of the Plan.

29. We have complied with (a) all aspects of contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies, except as follows:

    - The Plan's entry date provisions were not satisfied with respect to six participants who were not permitted to enter the Plan on a timely basis. The Plan's trustee did not properly upload auto enrollment information and did not timely notify the Plan's management. We are correcting this failure in a manner consistent with the IRS compliance relief program by making necessary corrective contributions for missed deferrals, matching contributions, and lost earnings to reinstate the participant's accounts to where they would have been had they been timely enrolled.

    - The deferral elections or changes in deferral elections for four participants were not executed on a timely basis because the elections were not entered to the payroll system. The error is limited to the year under audit. As the proper deferrals began within 3 months of the deferral election, the Company will contribute an amount equal to the missed matching contributions plus any lost earnings to these participants and will provide notice of the error to these participants, this is consistent with the IRS compliance relief system.

    - The vesting years of service for six participants receiving distributions were misstated due to the Plan's trustee not considering the number of hours worked by these six participants when determining years of service. The benefits due to or refunds due from employees impacted by this error are being corrected consistent with the IRS compliance relief system. Three of the participants had understated distributions. As none of the errors in understated distributions exceeded the understatement practicality standard of $75, the Plan determined the reasonable cost of correction would exceed the amount of the distribution due and waived these corrections. Only one error in overstated distributions exceeded the overstatement practicality standard of $100. Recovery efforts and notice requirements were waived for the two overstated distributions below the practicality standard. The Plan will make a deposit to the forfeitures account for the one overstated distribution in excess of the practicality standard. The amount will be allocated as an employer contribution in a subsequent period. The Plan will also notify the affected participant that the excess amount of the distribution is not eligible for any of the tax benefits associated with a qualified plan distribution.

30. We have complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan.

31. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.

32. The Plan and the trust established under the Plan is qualified under the appropriate section of the IRC and intends to continue as a qualified Plan and trust.

33. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Principal Life Insurance Company Retirement Plan Processing Services dated December 1, 2016 for the period ended September 30, 2016, and we believe all applicable controls are properly designed and implemented and operating effectively through December 31, 2016.

34. There are no:

    a. Non-exempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedules.

    b. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedules.

    c. Reportable transactions that were not disclosed in the supplemental schedules.

    d. Financial instruments with off-balance-sheet risk.

35. During the course of your audit, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.
