Amended and Restated 401(k) Retirement Savings Plan, which comprise the statement of net assets available for benefits as of December 31, 2016, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Fidelity Management Trust, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2016, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2016 financial statements. Accordingly, we do not express an opinion on the 2016 financial statements referred to in the first paragraph.

Other Matter—Supplemental Schedules

The supplemental schedule of assets (held at end of year) as of the year ended December 31, 2016, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter—2015 Financial Statements

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust, the trustee of the Plan. Their report, dated October 12, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2016

The form and content of the information included in the 2016 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

A regular full-time employee (at least 40 hours per week) becomes eligible to participate as of the latter of attaining age 21 or the first of the month following the date of employment; a regular part-time employee (less than 40 hours per week) is eligible to participate upon attaining age 21 and working 1,000 hours in a plan year. Effective January 1, 2015, employees who are residents of Puerto Rico or who primarily perform all of their services in Puerto Rico and are employed by Information Resources, Puerto Rico, Inc. are eligible to participate in the Plan. Temporary employees (regardless of hours worked per week) who are hired, rehired, or transferred into a temporary status are not eligible to participate while classified as temporary.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code of 1986 ("Code"). The Information Resources, Inc. Retirement Plan Committee ("Committee"), certain employees of the Company and the Plan Trustee oversee governance of the Plan, determine the appropriateness of the Plan's investment offerings, and monitor investment performance.

Plan Administrator and Trustee

Information Resources, Inc. is the Plan Administrator and Sponsor. The Board of Directors delegated authority, responsibility, and oversight of the Plan to the Committee, which is comprised of several employees of the Company. The Trustee of the Plan is Fidelity Management Trust.

Contributions

Participants may contribute between 2% and 50% of their cash compensation, as defined under the Plan, in any combination of pretax or Roth contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions.

Each year, the Company may elect to make a matching contribution to the Plan on behalf of those employees who make elective deferral contributions to the Plan during the year. The Company's matching contribution is based on a maximum of 6% of each participant's compensation, as defined. Company matching contributions were 40% of the amount contributed, to a maximum of $5,500 for 2016.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

All contributions are subject to certain limitations of the Code.

Participant Accounts

Each participant's account is credited with the participant's elective deferral contribution and the Company's matching contribution, if any, and allocation of plan earnings (losses). Plan earnings are allocated based on the participant's share of earnings or losses of his or her respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus earnings or minus losses thereon. Vesting in the Company's matching contribution is based on years of continuous service. A participant is 100% vested after five years of service. In the event of death, disability, or retirement at designated ages, participants become fully vested.

Notes Receivable from Participants

A Participant may borrow from his or her account from a minimum of $1,000 to a maximum equal to the lesser of $50,000 or fifty percent of the vested account balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate at the time the note is requested. Notes are required to be repaid in five years or less unless they qualify as a home loan for which the term may not exceed twenty years. Principal and interest are repaid ratably through payroll deductions.

Payment of Benefits

On termination of service, a participant with an account balance of $1,000 or less will receive a single lump sum equal to the value of his or her account. Participants with account balances between $1,000 and $5,000 will be rolled into an individual retirement account. Participants with account balances exceeding $5,000 can elect to receive a lump-sum distribution or may defer payment until a later date. Payment of such deferred amounts to participants must be made no later than the 60th day after the end of the plan year during which the latter of the following events occurs: (a) the participant reaches age 65 or (b) the participant retires, but no later than April 1 after the close of the plan year in which the participant attains age 70 1/2, regardless of whether the participant actually retires.

Forfeitures

At December 31, 2016 and December 31, 2015, forfeited non-vested accounts were $234,603 and $127,840, respectively. These Plan forfeitures are used to offset future Company matching contributions and administrative expenses. For the year ended December 31, 2016, $133,730 was used to reduce employer contributions and administrative expenses.

Note 2. Summary of Significant Accounting Policies

Date of Management's Review

Subsequent events were evaluated through August 24, 2017, which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with GAAP.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2016 or 2015. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator and Plan Trustee determine the Plan's valuation policies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments recorded in the Statement of Changes in Net Assets Available for Benefits includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Other Income

Pursuant to an agreement to provide administrative services between the Company, Plan and Trustee, the latter agrees to make revenue sharing payments to the Plan to pay administrative expenses. For the year ended December 31, 2016, the Plan received revenue sharing payments of $93,750 and dividends of $14, of which $63,750 was used to pay Plan administrative expenses. At December 31, 2016, the balance in the revenue sharing account was $30,014.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses of maintaining the Plan are paid by the Company. Participants are charged for certain transactions, such as the processing of a loan or distributions. Investment and transaction based fees are charged to the Plan and deducted from investment earnings and income. Consequently, these fees are reflected as a reduction of investment return.

Note 3. Fair Value Measurements

The Plan's investments are stated at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. For the years ended December 31, 2016 and 2015 there were no Level 2 or Level 3 investments.

Level 1 Fair Value Measurements
The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at the end of the year.

The following sets forth the Plan's investments at fair value at December 31, 2016 and 2015:

	Level 1	Level 2	Level 3	Total
December 31, 2016				
Registered Investment Companies	$ 240,119,683	$ -	$ -	$ 240,119,683
December 31, 2015				
Registered Investment Companies	$ 218,817,243	$ -	$ -	$ 218,817,243

Gains and losses included in net assets available for benefits for the year ended December 31, 2016 are reported in net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

Note 4. Related Party Transactions

The Plan holds shares of registered investment companies managed by Fidelity Investments, a related party to the Trustee of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

Plan administrative expenses are generally paid with revenue sharing payments, available forfeited participant funds or by participant plan assets. Administrative expenses paid by the Plan amounted to $76,697 for the year ended December 31, 2016.

The Plan allows participants to borrow from their accounts in the Plan. These transactions qualify as party-in-interest transactions. The value of the notes receivable were $2,274,001 and $2,224,483 at December 31, 2016 and 2015, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 5. Information Prepared and Certified by the Trustee

The plan administrator has received from the Trustee, as of and for the years ended December 31, 2016 and 2015, certification as to the accuracy and completeness of certain financial information and data in accordance with Section 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following data prepared and certified by the Trustee as accurate and complete includes all investments and related investment activity reflected in the accompanying financial statements.

	2016	2015
Investments, at fair value		
Registered investment companies	240,119,683	218,817,243
Net investment income	15,640,101	4,150,662

Note 6. Plan Amendment or Termination

The Company reserves the right to amend or modify the provisions of the Plan at any time. Although the Company expects to continue the Plan indefinitely, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan for any reason, subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in all amounts credited to their account, and receive a payment equal to the of participant's account balance at the time of liquidation.

Note 7. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated September 27, 2013 that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2013.

Note 8. Risks and Uncertainties

The Plan provides for various investment options in several types of investment securities and instruments that, in general, are exposed to various risks, such as interest rate, market volatility and credit risks. Due to the level of risks associated with certain investment securities and the sensitivity of certain fair value estimates related to changes in valuation assumptions, it is at least reasonably possible that changes in risks may occur in the near term and such changes could materially affect the value of the participants' individual account balances, and the amounts reported in the Statements of Net Assets Available for Benefits and in the Statement of Changes in Net Assets Available for Benefits.
