Accordingly, we do not express an opinion on the 2016 financial statements.

Other Matter – Supplemental Schedule

The supplemental schedule of assets held at end of year as of December 31, 2016, is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter – 2015 Financial Statements

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee of the Plan. Their report, dated September 16, 2016, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2016

The form and content of the information included in the 2016 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the National Safety Apparel, Inc. 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of National Safety Apparel, Inc. (the Company) who have attained twenty-one years of age and completed one year of service, as defined. Participants are eligible to enter on the next January 1, April 1, July 1, or October 1 following the date an employee meets the eligibility requirements. Effective June 1, 2016, the Plan was amended as a result of an acquisition, and employees formerly employed with Drifire, LLC were eligible to join the Plan as of that date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the investment offerings, monitors investment performance, and reports to the plan administrator.

Contributions

Each year, participants may contribute to the Plan up to 100% of their pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company is required to make a safe harbor matching contribution each pay period equal to 100% of participant contributions up to 3% of eligible compensation plus an additional 50% of participant contributions in excess of 3% but not in excess of 5% of eligible compensation, as defined. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contribution, rollover contributions, allocations of the Company's safe harbor contributions, and Plan earnings or losses as defined by the Plan agreement. Plan earnings or losses are allocated daily based on each participant's account balance. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account, as defined.

Vesting

Participants are immediately vested in their contributions and the Company's safe-harbor contributions, plus actual earnings thereon. Accordingly, all participants are 100% vested.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow money within certain limits from their individual accounts. The notes are secured by the balance in the participant's account. Such notes bear interest at a reasonable rate commensurate with current interest rates charged for loans made under similar circumstances by persons in the business of lending money. Principal and interest are paid ratably through payroll deductions. The Plan requires a 12 month waiting period between paying off a loan and applying for a new loan.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the participant's account balance is less than $5,000, the plan administrator directs the trustee to make a lump-sum distribution. Distributions of a participant's 401(k) account balance may be authorized at any time by the plan administrator under certain hardship conditions.

Forfeitures

Forfeitures are used to reduce administrative expenses or to reduce future employer contributions. At December 31, 2016 and 2015, there were no forfeited non-vested accounts and, during 2016, there were no amounts transferred to the forfeiture account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value by Wells Fargo Bank, N.A. (Wells Fargo), the trustee of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Assets of the Plan are held in separate accounts of a trust administered by Wells Fargo as of December 31, 2016 and 2015, representing investments in mutual funds and a stable value collective trust fund.

Investments of participant's contributions and the Company's contributions into these investments are at the direction of each participant.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2016 and 2015. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

The Plan's administrative expenses are paid either by the Plan or the Company as provided by the Plan agreement. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in the administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Income Taxes

The Plan recognizes and discloses uncertain tax positions in accordance with GAAP. As of December 31, 2016 and 2015, and for the year ended December 31, 2016, the Plan did not have a liability for unrecognized tax benefits.

Subsequent Events

Plan management has evaluated subsequent events through October 11, 2017, the date the financial statements were available to be issued.

NOTES TO THE FINANCIAL STATEMENTS

3. INFORMATION CERTIFIED BY TRUSTEES

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Wells Fargo, the trustee.

Wells Fargo has certified as to the completeness and accuracy of the investments it holds, changes in net assets arising from investment activity, and the schedule of assets held at end of year as of December 31, 2016 and 2015, and for the year ended December 31, 2016.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access
Level 2	Other significant observable inputs including: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means
Level 3	Inputs are significant and unobservable (including the Plan's own assumptions used to determine value)

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2016 and 2015.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (Continued)

Stable value collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. If the Plan initiates a full redemption of the collective trust fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner, otherwise redemptions are allowable daily with no notice.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value at December 31, 2016 and 2015, are comprised of mutual funds measured as Level 1 investments which totaled $6,757,856 and $5,847,423, respectively, and a stable value collective trust fund which is measured at NAV, as a practical expedient, which totaled $1,185,499 and $961,050, respectively.

The Plan did not hold any Level 3 assets during the year.

5. PARTY-IN-INTEREST TRANSACTIONS

Wells Fargo is the trustee as defined by the Plan. Wells Fargo provides certain administrative services to the Plan pursuant to a Master Plan Service Agreement between the Company and Wells Fargo. Wells Fargo receives revenue from mutual funds and the stable value collective trust fund service providers for services Wells Fargo provides to the funds. This revenue is used to offset certain amounts owed to Wells Fargo for its administrative services to the Plan.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. TAX STATUS

The Plan has adopted a volume submitter plan provided by Wells Fargo. Wells Fargo has received an opinion letter dated March 31, 2014, from the IRS stating that the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees.

NOTES TO THE FINANCIAL STATEMENTS

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
