Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets of the Plan as of December 31, 2016 and 2015 and the changes in net assets for the year ended December 31, 2016 in accordance with accounting principles generally accepted in the United States of America.

LUXOTTICA PUERTO RICO TAX INCENTIVE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE A - PLAN DESCRIPTION

The following description of the Luxottica Puerto Rico Tax Incentive Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

1. General

The Plan is a defined contribution plan, qualified under Section 1165(e) of the Puerto Rico Internal Revenue Code. The Plan was established effective July 30, 1995 and amended effective January 1, 2006 to provide a retirement savings opportunity for the Puerto Rico-based employees of LensCrafters International, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Luxottica U.S. Holdings Corp. (the “Company”) is the sponsor of the Plan and the Luxottica Group ERISA Plans Compliance and Investment Committee controls and manages the operation and administration of the Plan.

2. Eligibility

Employees are eligible to participate in the Plan for the purpose of making salary deferral contributions as soon as administratively practical. Employees are eligible to participate in the Plan for the purpose of receiving Company matching contributions after reaching age 21, meeting certain hours of service, and other requirements, as defined.

3. Contributions

Participants may contribute a percentage of their compensation annually, subject to certain limitations as defined by the Plan and Puerto Rican law.

The Company makes matching contributions on a quarterly basis. During 2016, the Company matched 100% of the first 3% of eligible compensation for associates hired prior to January 1, 2014 and up to 5% of eligible compensation for associates hired or rehired on or after January 1, 2014.

Participants may also contribute amounts representing qualified rollover distributions from other qualified defined benefit or defined contribution plans.

4. Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contribution, the Company’s matching contribution, and an allocation of Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

LUXOTTICA PUERTO RICO TAX INCENTIVE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2016 and 2015

NOTE A - PLAN DESCRIPTION (continued)

5. Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers mutual funds and a money market fund as investment options for participants.

Fidelity Workplace Services, LLC (Fidelity), the recordkeeper, receives the contributions detail from Banco Popular De Puerto Rico (the "Trustee"), invests the contributions, and distributes the funds in accordance with the trust agreement and the participants' authorization.

6. Vesting

Participants are immediately vested in their salary deferral contributions and the earnings thereon. Vesting in employer matching contributions is based on years of service. A participant is 25% vested after two years of vesting service and gains an incremental 25% each subsequent year, reaching full vesting at the end of five years of vested service.

7. Participant Notes Receivable/Hardship Withdrawals

Participants are eligible to borrow from their account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested value of their accounts (excluding matching contributions). Participants cannot have more than two notes outstanding at the same time. The notes are secured by the balance in the participant's account and bear interest based on local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, with the exception of mortgage loans, which may be repaid over 15 years.

Subject to approval by the plan administrator and after applying for a participant note, participants may apply for hardship withdrawals, as defined. No hardship withdrawals may be made from Company contributions.

8. Payment of Benefits

Upon termination of service for any reason, a participant may elect a lump-sum distribution or direct rollover to another qualified benefit plan or Individual Retirement Account, equal to the value of the participant's vested interest in his or her account, less applicable withholding tax if paid to the individual.

9. Forfeited Accounts

Company contributions forfeited by participants may be used by the Company to satisfy Plan administrative expenses or to reduce future Company contributions. At December 31, 2016 and 2015, forfeited nonvested accounts totaled \$11,818 and \$13,067, respectively. Forfeitures of \$2,200 and \$4,264 were used to reduce employer contributions during the years ended December 31, 2016 and 2015, respectively.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

2. Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

4. Participant Notes Receivable

Participant notes receivable are recorded at their unpaid balances plus any accrued interest. Participant notes receivable are written off when determined to be uncollectible.

5. Administrative Expenses

Administrative expenses of the Plan are paid by the Plan and the plan sponsor as provided in the plan document.

6. Payment of Benefits

Benefit payments to participants are recorded upon distribution.

7. Subsequent Events

The plan administrator evaluated subsequent events through July 5, 2017, the date the financial statements were available to be issued. No material subsequent events occurred through this date requiring revision or disclosure in the financial statements.

NOTE B - SUMMARY OF ACCOUNTING POLICIES (continued)

8. Risks and Uncertainties

The Plan utilizes various investment securities, including mutual funds and a money market fund. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

9. Reclassification

Certain prior year amounts have been reclassified to conform to the current year presentation. As a result of the reclassification during 2016, it was determined that the money market fund previously classified as an investment measured at net asset value (NAV) should have been classified as Level 1 based on the fair value hierarchy. Accordingly, the 2015 fair value disclosure has been updated.

NOTE C - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The authoritative guidance also establishes a framework for measuring fair value that provides a hierarchy that prioritizes into three levels the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets and liabilities that the Plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE C - FAIR VALUE MEASUREMENTS (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the end of the reporting period. There were no significant transfers between levels of the fair value hierarchy during 2016.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Money Market Fund: Valued at the closing price reported on the NASDAQ Stock Exchange.

Interest-bearing Cash: Valued at fair value based on the outstanding balance, as reported by the Trustee.

Mutual Funds: Valued at the closing price reported on the NASDAQ Stock Exchange.

The preceding methods described may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables summarize the Plan's investments by level within the fair value hierarchy as of December 31, 2016 and December 31, 2015:

	Investments (at fair value)	Level 1	Level 2	Level 3
December 31, 2016				
Money market fund	\$1,140,406	\$1,140,406	\$ -	\$ -

NOTE C - FAIR VALUE MEASUREMENTS (continued)

	Investments (at fair value)	Level 1	Level 2	Level 3
December 31, 2015				
Money market fund	\$1,172,267	\$1,172,267	\$ -	\$ -
Mutual funds	2,277,229	2,277,229	-	-
Interest-bearing cash	<u>861</u>	<u>-</u>	<u>861</u>	<u>-</u>
Total investments	<u>\$3,450,357</u>	<u>\$3,449,496</u>	<u>\$ 861</u>	<u>\$ -</u>

The Plan also holds other assets and liabilities not measured at fair value on a recurring basis, including participant notes receivable. The fair value of these assets approximates the carrying amounts in the accompanying financial statements due to either the short maturity of the instruments or the use of interest rates that approximate market rates for instruments of similar maturity.

NOTE D - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity or its affiliates. Fidelity is the recordkeeper as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Fees paid by the Plan for administrative services were \$3,519 for the year ended December 31, 2016.

NOTE E - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

NOTE F - FEDERAL INCOME TAX STATUS

The Plan is exempt from Puerto Rico income taxes under the provisions of Section 165(a) of the Puerto Rico Income Tax Act of 1954 (the "Code"), as amended. The Plan is also a qualified employees' trust under Section 401(a) of the Internal Revenue Code (IRC) and, as such, is exempt from federal income taxes under Section 501(a). A determination letter was received from the Puerto Rico Department of Treasury dated April 18, 2016, stating that the Plan is designed in accordance with applicable sections of the Code.
