Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification as of December 31, 2016 and 2015 and for the year ended December 31, 2016, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of Schedule H, line 4i-Schedule of Assets (Held At End of Year), which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the e+CancerCare 401(k) Plan (the “Plan”) established January 1, 2003 and restated on June 1, 2014, is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General

The Plan was established as a defined contribution plan for employees of e+CancerCare, LLC (the “Company”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company serves as Plan Administrator.

The Plan covers employees who are at least 21 years old. Once employees have met the eligibility requirements, they may enter the Plan on the first day of the following month.

Contributions

Participants may contribute up to the lesser of Form W-2 compensation, excluding fringe benefits, bonuses and commissions, or the statutory maximum to the Plan through a pretax salary deferral, as defined in the Plan Agreement. The salary deferral percentage can be changed at the discretion of the participant. Beginning January 1, 2017, the Plan was amended whereby new and all eligible employees are automatically enrolled to defer 3% of their total compensation. This percentage increases by 1% each January 1 up to a 7% maximum. The Plan provides for matching contributions equal to 100% of salary deferrals that do not exceed 3% of eligible compensation plus 50% of salary deferrals between 3% and 5% of eligible compensation. The Plan also provides for discretionary profit sharing contributions that can be made by the Company. No discretionary profit sharing contributions were made to the plan during the year ended December 31, 2016. Participants direct the investment of their contributions and the Company’s matching contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds as investment options for participants.

Participant accounts

Each participant's account is credited with the participant's elective deferral contributions and withdrawals, allocations of the Company contributions, and Plan earnings. Allocations are based on either the participant's eligible compensation or account balance, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participant loans

Participant loans are not permitted through the Plan.

NOTE 1: DESCRIPTION OF THE PLAN (Continued)

Hardship distributions

Hardship distributions are permitted if the distribution is due to expenses incurred or necessary for medical care described in the Internal Revenue Code ("IRC") Section 213(d), purchase of a principal residence, payment of tuition, to prevent eviction from or foreclosure of the principal residence, or any other condition which the Commissioner of the Internal Revenue Service determines is a deemed immediate and financial need of the participant.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Beginning January 1, 2008, the Plan elected "safe harbor" provisions, which provide for 100% immediate vesting of all employer matching contributions calculated on eligible compensation

Payments of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of his or her vested interest in their account, in either a lump-sum amount or paid directly to an eligible retirement plan specified by the participant in a direct rollover. For termination of service due to other reasons, a participant may elect any of the aforementioned options or roll over the account balance into an IRA or new employer's qualified plan. Participants should refer to the Plan documents for a full description of the distribution methods offered by the Plan.

Forfeited accounts

At December 31, 2016 and 2015, the forfeited non-vested accounts were \$1,515 and \$1,225 respectively. The funds are used to reduce future employer contributions or reallocated to participants as a percentage of compensation. During 2016, forfeitures were not used to reduce employer contributions and were not reallocated to participants.

Investment options

Upon enrollment in the Plan, a participant may direct contributions in any investment funds approved by the Company. All investments are participant-directed. Participants should refer to the Company for a description of the investment options and their respective investment objectives.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting with the exception of benefits, which are recorded when paid in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value (see Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend rate. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan considers all highly-liquid investments with original maturities of three months or less to be interest bearing cash.

Benefits paid

Benefits are recorded when paid.

Administrative expenses

Administrative expenses of the Plan may be paid by the Plan, the company or the self-directing participants.

Subsequent events

The Plan has evaluated subsequent events through October 11, 2017, the date the financial statements were available to be issued. See Note 11.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian as of December 31, 2016 and 2015 and for the year ended December 31, 2016. This information included in Note 4 – Fully Benefit-Responsive Investment Contract and Note 5 – Fair Value Measurements is also certified by the custodian.

<i>December 31,</i>	2016	2015
Investments at fair value	\$ 12,847,676	\$ 10,274,343
Investments at contract value	472,780	481,055
Total investments	\$ 13,320,456	\$ 10,755,398
Investment income:		
Net appreciation in fair value of investments	\$ 609,275	
Interest and dividend income	320,703	
Investment income	\$ 929,978	

NOTE 4: FULLY BENEFIT-RESPONSIVE INVESTMENT (UNAUDITED)

In 2014, the Plan entered into a fully benefit-responsive investment contract with Mass Mutual Life Insurance Company. The contract is a guaranteed interest account (GIA) provided through a group annuity contract.

Because the GIA is fully benefit-responsive, contract value is the relevant measure attribute for that portion of net assets available for benefits attributable to the GIA. Under the terms of the contract, a crediting rate is established for amounts invested in the GIA and participants may direct permitted withdrawals and/or transfer transactions of all or a portion of their account balance at contract value. Contract value represents contributions plus credited interest less participant withdrawals and fees.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendment to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transactions exemption under ERISA. At this time, Plan management does not believe that the occurrence of any such events, which would limit the Plan's ability to transact with participants, is probable. There were no reserves against contract value for credit risk of the contract issuer or otherwise.

NOTE 4: FULLY BENEFIT-RESPONSIVE INVESTMENT (UNAUDITED) (Continued)

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreements without the consent of the issuer. At this time, Plan management does not believe that the occurrence of any such events is probable.

The average yields earned by the guaranteed interest account are as follows:

Average yields:	2016	2015
Based on actual earnings	2.07%	1.83%
Based on interest rate credited to participants	2.07%	1.83%

NOTE 5: FAIR VALUE MEASUREMENTS (UNAUDITED)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

e+CancerCare 401(k) Plan Notes to Financial Statements

NOTE 5: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In July 2015, FASB issued ASU 2015-12, which eliminated the requirement to measure the fair value of fully benefit-responsive collective investment and provide the related disclosures required by ASC 820. As a result, the guaranteed interest account, which is a fully benefit-responsive collective investment, is no longer included in the following fair value hierarchy tables.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016 and 2015. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Assets at Fair Value as of December 31, 2016				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 12,847,676	\$ -	\$ -	\$ 12,847,676
Investments at fair value	\$ 12,847,676	\$ -	\$ -	\$ 12,847,676

Assets at Fair Value as of December 31, 2015				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 10,274,343	\$ -	\$ -	\$ 10,274,343
Investments at fair value	\$ 10,274,343	\$ -	\$ -	\$ 10,274,343

NOTE 6: RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Reliance Trust Company and these transactions qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan for the investment management services were \$82,398.

NOTE 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in their employer contributions and the assets under the Plan will be distributed to the participants based upon their account balances.

e+CancerCare 401(k) Plan Notes to Financial Statements

NOTE 8: TAX STATUS

On June 1, 2014, the Company adopted the Massachusetts Mutual Life Insurance Company Volume Submitter Profit Sharing/401(k) Plan and Trust Basic Plan Document. Previously, the Company had adopted the American Funds Prototype Basic Plan Document. An opinion letter dated February 20, 2015 has been issued by the national office of the Internal Revenue Service as evidence that the Plan is qualified under section 401 of the IRC as tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2013.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2016 and 2015:

NOTE 11: SUBSEQUENT EVENTS

The Plan was amended effective January 1, 2017 to provide for an Automatic Contribution Arrangement. Participants are automatically enrolled at a 3% deferral rate when they become eligible. This also applies to current participants that are deferring less than 3%. Participants must complete an elective deferral agreement to defer a different percentage. This is a pre-tax enrollment unless the participant designates all or any portion as a Roth contribution. This rate shall increase each year by 1% to a maximum of 7%.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information ("SAI").

For additional information on soft dollar compensation, refer to the section of the mutual fund's SAI that discusses brokerage allocation and other practices.
