# YP Holdings LLC 401(k) Success Sharing Plan

December 31, 2016

## Notes to Financial Statements

### **1. Description of Plan**

The following description of the YP Holdings LLC 401(k) Success Sharing Plan (the Plan) (formerly the AT&T Interactive 401(k) Success Sharing Plan) provides general information about the Plan's provisions. YellowPages.com LLC (YP or the Company) is the Plan sponsor. The Plan has detailed provisions covering participant eligibility, participant contributions, participant withdrawals, participant loans, employer contributions and related vesting of employer contributions, and Plan expenses. Participants should refer to the Plan document and summary plan description for a more complete description of the Plan's provisions. Copies of the Plan document and summary plan description may be obtained from the Plan sponsor.

#### **General**

The Plan is a defined contribution plan covering substantially all management employees who are employed by a participating employer of the Plan sponsor, subject to certain exclusions as defined in the Plan document. Each of the Company's eligible employee is able to participate in the Plan after reaching the age of 21 and completing three months of service. Participants may enter the Plan on the first day of each month.

The Employee Benefits Committee (the Committee) is responsible for the general administration of the Plan. Fidelity Management Trust Company is the trustee and record keeper of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### **Contributions**

Each year, participants may contribute from 1% – 100% of pretax or after-tax annual compensation, as defined in the Plan document. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Effective January 1, 2015, the Plan was amended to limit deferrals to a maximum of 75% of pre-tax or after-tax compensation and to permit Roth contributions to the Plan.

The Company has elected to make a 401(k) Safe Harbor matching contribution each year equal to 100% of the first 5% of each eligible participant's compensation contributed to the Plan, up to a maximum of \$13,250 per person.

## YP Holdings LLC 401(k) Success Sharing Plan

December 31, 2016

### Notes to Financial Statements (continued)

The Company may also elect each year to make an additional matching contribution not to exceed 4% of each eligible participant's compensation for the Plan year. For the year ended December 31, 2016, the Company did not elect to make an additional matching contribution.

Additional discretionary, non-elective contributions may be made at the discretion of the Company's Board of Managers. There were no discretionary, non-elective contributions during 2016. The Company may also make qualified non-elective contributions (QNECs) as necessary in order to meet certain tax qualification requirements or to correct contributions for affected participants.

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. The Company's contributions are invested in the same manner as that of the participant's elective contributions.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions and the Company's matching contributions and allocations of Plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

#### **Vesting**

Participants are immediately vested in their contributions, Company matching contributions and actual earnings thereon. Vesting in discretionary, non-elective contributions is based on years of continuous service. A participant is 100 percent vested after four years of continuous service.

#### **Forfeitures**

Upon termination of employment, participants forfeit their nonvested balances. If a participant is rehired within a five year period, the forfeited contributions are reinstated. Forfeited balances of terminated participants' nonvested accounts may be used to pay administrative expenses or to reduce future Company contributions. Forfeiture activity was insignificant for the year ended December 31, 2016.

### Notes to Financial Statements (continued)

#### **Participant Loans**

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum equal to the lesser of the following:

- \$50,000, reduced by the highest outstanding loan balance within the preceding 12-month period; or
- 50% of their vested account balance.

The maximum loan term is five years or may be up to ten years for the purchase of a primary residence. A participant may not have more than one loan outstanding at any point in time. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the date of issuance as determined by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions. If the loan is not repaid, it will automatically be treated as a distribution to the participant. Interest rates on loans outstanding during 2016 ranged from 4.25%–9.25%.

#### **Payment of Benefits**

Upon separation from service with the Company due to death, disability, retirement or termination, a participant whose vested account balance exceeds \$1,000 may receive a lump-sum payment. A participant whose vested account balance is \$1,000 or less and has not commenced receiving installment payments will automatically receive an immediate lump-sum distribution equal to their vested account balance.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan document. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan document. Hardship withdrawals are regulated by the Internal Revenue Service (IRS) and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

#### **Administrative Expenses**

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan's provisions. Expenses paid by the Plan include fees related to the administration and operation of the Plan. Expenses relating to purchases, sales or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. Any other administrative expenses of the Plan are paid by the Company.

## Notes to Financial Statements (continued)

### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts. See Note 9.

### **2. Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting.

#### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

#### **Investment Valuation and Income Recognition**

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

#### **Payment of Benefits**

Benefit payments are recorded when paid.

#### **3. Investments**

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2016 and 2015, and net appreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the year ended December 31, 2016, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

#### **4. Fair Value Measurements**

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in markets that are not active;
- Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals); and

### Notes to Financial Statements (continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk.

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation techniques and inputs used for each major class of assets measured at fair value by the Plan.

Mutual funds are valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Effective May 21, 2015, the New York Life Anchor Account investment option which is a pooled separate account, valued at NAV as a practical expedient was added as an investment option. This fund is primarily invested in guaranteed investment contracts and synthetic investment contracts. Participant-directed redemptions have no restrictions; however, the Plan is required to provide a one year redemption notice to liquidate its entire share in the fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets carried at fair value at December 31, 2016:

#### 6. Risks and Uncertainties

The Plan invests in various investment securities that are exposed to risks such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### 7. Related-Party Transactions

The Plan held mutual funds managed by Fidelity Management Trust Company, the trustee of the Plan. These transactions qualify as party-in-interest transactions. However, they are exempt from the prohibited transaction rules under ERISA.

#### 8. Tax Status

The underlying volume submitter plan has received an advisory letter from the IRS dated March 31, 2008 stating that the form of the plan is qualified under Section 401 of the Code and therefore, the related trust is tax-exempt. In accordance with Revenue Procedures 2016-6 and 2015-36, the Plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS volume submitter advisory letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status.

Accounting principles generally accepted in the United States require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position

are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016, there were no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress.

#### **9. Subsequent Events**

On June 30, 2017, all of the ownership interests in the legal entities related to the operations of the Company were acquired by DexMedia Holdings, Inc. The newly formed legal entity plans to operate as DexYP and will be led by the Dex Media's current board of directors and executive management team. No decisions have been made to date that would impact the Plan and its continued operation.

The Plan Management has evaluated subsequent events through October 10, 2017, the date the financial statements were available to be issued.
