INVENTRUST PROPERTIES CORP. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Inventrust Properties Corp. (Company) Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company, except union employees, employees of a controlled group and independent contractors, who are age 18 or older. The Plan was created March 28, 2015, when the Company was formed from a spin-off of a portion of Inland American Real Estate Trust, Inc. (Inland). Inland employees who became employees of the Company had their investment balances transferred from the Inland retirement plan into the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

An employee of the Company who has attained the age of 18 is eligible to participate in the Plan. Initial enrollment is available at the beginning of the month after reaching eligibility. Employees failing to complete a deferral election form will be automatically enrolled in the Plan upon reaching eligibility, starting with an automatic deferral of 4% of eligible compensation as a contribution, on the first day of the month following the date when the eligibility requirements were met. In subsequent years, these participants have their contributions automatically increased by 1% of eligible compensation annually (up to a total of 10%). Participants can opt out or change contribution amounts at any time. To participate in the employer matching portion and employer non-elective portion of the Plan an employee must be age 18.

Contributions

Each year, participants may contribute 2%-100% of pretax annual compensation, as defined in the Plan agreement. Participants may elect to make pre-tax or Roth deferral contributions. As the two options have no differences once contributed to the Plan, they will be herein referred to as a single type of contribution. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matches 100% of an employees' annual deferral contributions, up to a maximum of \$5,000. The Company made matching contributions of \$963,393 to the Plan during the year ended December 31, 2016. Additional discretionary non-elective contributions may be contributed at the option of the Company's Board of Directors and are allocated based on the participants' compensation relative to total compensation of those eligible for a contribution allocation. During the year ended December 31, 2016, the Company made no discretionary non-elective contributions to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

INVENTRUST PROPERTIES CORP. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 1 - DESCRIPTION OF THE PLAN, CONTINUED

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's non-elective contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based on years of continuous service. A participant will vest in the employer portion of their account 25% per year of service and is 100% vested after four (4) years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at the prime rate, as defined. Principal and interest is paid ratably through payroll deductions. A participant may only have one loan outstanding at any given time. Loans must be repaid within five (5) years unless the loan is for the purchase of a principle residence, in which the loan must be repaid within 15 years. Participants on authorized leave for military service can extend their loan terms longer than five (5) years.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, installment payments or partial payments. Account balances of \$5,000 or less will be automatically distributed. Involuntary cash outs for account balances of terminated vested participants of \$1,000 or less and rollover distributions of account balances of \$1,000-\$5,000 will be subject to the automatic rollover requirements and will be rolled to a qualified IRA. Participants experiencing financial hardship may withdraw a portion of their vested account balance as defined in the Plan. Participants may also request in-service distributions at the age of 59½ and minimum distributions are required at the age of 70½.

NOTE 1 - DESCRIPTION OF THE PLAN, CONTINUED

Forfeited Accounts

At December 31, 2016 and 2015, forfeited non-vested accounts totaled \$327,275 and \$117,466, respectively. These accounts will be used to reduce future employer contributions or reduce Plan expenses. In 2016, \$33,718 in forfeited accounts were used to reduce employer contributions and \$8,898 were used to pay Plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

INVENTRUST PROPERTIES CORP. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2016 and 2015. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Adoption of Accounting Policy – Going Concern Evaluation

In August 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-15 Presentation of Financial Statements – Going Concern (Subtopic 205-40). For the year ended December 31, 2016, the Plan adopted ASU No. 2014-15, which requires management to assess, for each interim and annual reporting period, whether adverse conditions or events, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern for the one-year period following the date the financial statements are available for issue. ASU No. 2014-15 also requires management to consider whether it is probable that their plans to mitigate identified adverse conditions or events will be effectively implemented and whether it is probable that, if implemented, their plans will mitigate the identified conditions or events that raised substantial doubt. In addition, ASU No. 2014-15 requires disclosures be made in periods when substantial doubt is raised. Management's assessment did not identify any conditions or events which raise substantial doubt about the Plan's ability to continue as a going concern for the period from October 11, 2016 to October 11, 2017.

Subsequent Events

The Plan has evaluated subsequent events through October 11, the date that the financial statements were available for issue.

INVENTRUST PROPERTIES CORP. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Mutual funds and cash reserve account: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

INVENTRUST PROPERTIES CORP. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 3 - FAIR VALUE MEASUREMENTS, CONTINUED

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016 and 2015:

Assets at Fair Value as of December 31, 2016				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in the fair value hierarchy:				
Cash reserve account	\$ 332,425	-	-	332,425
Mutual funds	<u>9,885,075</u>	<u>-</u>	<u>-</u>	<u>9,885,075</u>
Total assets at fair value	\$ <u>10,217,500</u>	<u>-</u>	<u>-</u>	<u>10,217,500</u>

Assets at Fair Value as of December 31, 2015				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in the fair value hierarchy:				
Cash reserve account	\$ 117,466	-	-	117,446
Mutual funds	<u>9,157,128</u>	<u>-</u>	<u>-</u>	<u>9,157,128</u>
Total assets at fair value	\$ <u>9,274,594</u>	<u>-</u>	<u>-</u>	<u>9,274,594</u>

For the years ended December 31, 2016 and 2015, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

NOTE 4 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by State Street Bank and Trust Company. State Street Bank and Trust Company is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$53,487 for the year ended December 31, 2016.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the employer contributions allocated to their account.

INVENTRUST PROPERTIES CORP. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 5 - PLAN TERMINATION, Continued

During June 2016, the Company sold its student housing division which resulted in a partial Plan termination. Participants who were in this division had their accounts distributed. All participants affected by the partial Plan termination became fully vested in their accounts prior to distributions being taken.

NOTE 6 - TAX STATUS OF PLAN

The Plan adopted a non-standardized form of a volume submitter profit sharing plan with CODA sponsored by TransAmerica Retirement Solutions. The volume submitter plan has received an opinion letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2016 and 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's only open tax year prior to 2016 is 2015.

NOTE 7 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participant's bear interest from 4.25% to 7.00%. Notes receivable from participants amounted to \$140,892 and \$170,136 as of December 31, 2016 and 2015, respectively.

INVENTRUST PROPERTIES CORP. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 9 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with New York Life Insurance Company (NYL) totaling \$1,965,607 and \$2,301,422 for 2016 and 2015, respectively. NYL maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by NYL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation or (4) a material amendment to the agreement without the consent of the issuer.

INVENTRUST PROPERTIES CORP. SAVINGS PLAN

**NOTES TO FINANCIAL STATEMENTS
(CONTINUED)**

NOTE 9 - PROHIBITED TRANSACTIONS

During 2016, the Company failed to remit to the Plan's custodian certain participant contributions totaling \$85 within the period prescribed by the Department of Labor's regulations. Delays in remitting contributions to the custodian were due to administrative errors and constitute prohibited transactions. During 2017, the Company made contributions of \$17 relating to the 2016 late remittances to compensate participants for potential lost income due to the delays and the Form 5330 was filed with the applicable excise tax.
