Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), Plan management instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by Plan management that the trustee holds the Plan's investment assets and executes investment transactions. Plan management has obtained a certification from the trustee as of December 31, 2016 and 2015 and for the year ended December 31, 2016 that the information provided to Plan management by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter - Plan Termination and Liquidation Basis

As described in Note 7 to the financial statements, Precision Broadband Installations, Inc., the Plan's sponsor, approved the termination of the Plan effective April 29, 2016. As a result, the Plan has changed its basis of accounting from the accrual basis used in presenting the 2015 financial statements to the liquidation basis used in presenting the 2016 financial statements. Our opinion is not modified with respect to this matter.

Other Matter - Supplemental Schedule

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) (Liquidation Basis) as of December 31, 2016, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PRECISION BROAD BAND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015
(Liquidation Basis)

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Precision Broad Band 401k Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General - The Plan was established on January 1, 2014. The Plan is a defined contribution plan that substantially covers all employees of Precision Broadband Installations, Inc. (Company) and Advanced Industry Supplies, LLC who have attained age 18 and have been credited with three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Termination - Effective April 29, 2016, the Company terminated the Plan. See Note 7.

Contributions - Participants may contribute to the Plan each year up to the maximum percentage of their compensation allowable, not to exceed the limits imposed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various investment options for participants. The Company may contribute a discretionary matching contribution equal to a percentage determined by the Company of the participants' elective deferral. The Company may also, on a discretionary basis, make a profit sharing contribution into the Plan at the end of the year for all employees eligible to participate in the plan. The Plan did not receive any discretionary matching or profit sharing contributions for the year ended December 31, 2016.

Participant Accounts - Each participant's account is credited with the participant's contribution, an allocation of any of the Company's discretionary contributions, if any, and Plan earnings. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. A participant is 100% vested after three years of credited service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3 years	-
3 years or more	100%

Forfeitures - Forfeited nonvested amounts are used to reduce employer contributions, if any, and administrative expenses of the Plan. During the year ended December 31, 2016, no forfeitures were used to reduce employer contributions. At December 31, 2016 and 2015, there were no forfeited nonvested account balances.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$500 and a maximum of \$50,000, not to exceed 50% of a participant's vested balance. The number of outstanding loans is limited to one per participant. The loans are secured by the balance in the participant's account and bear interest at the prime lending rate (3.25% as of December 31, 2015) at the date of the loan plus two percentage points. Principal and interest is paid ratably through biweekly payroll deductions. There were no loans as of December 31, 2016.

DECEMBER 31, 2016 AND 2015
(Liquidation Basis)

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits - Upon termination of service or normal retirement at age 65, a participant may receive an annuity, partial payment or lump-sum amount equal to the vested value of his or her account, with any nonvested balance being forfeited. Distributions upon the death of a participant shall be made within five years to all beneficiaries. Benefits to participants are recorded when paid.

Upon liquidation of the Plan assets, participants or their beneficiary could elect to receive the balance of their account as either a lump-sum payment or roll over to another qualified employer plan or IRA, as provided by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by Plan management in the preparation of the accompanying financial statements follows:

Basis of Accounting - As a result of the termination of the Plan, the Plan's financial statements subsequent to the termination date are presented using the liquidation basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statement of changes in net assets available for benefits the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses, and the unrealized appreciation or depreciation on those investments. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties - The Plan provides for various investment options in any combination of mutual funds, which include investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Administrative Expenses - Substantially all administrative expenses are paid for by the Company.

(Liquidation Basis)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events - Plan management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 11, 2017, which is the date the financial statements were available to be issued.

NOTE 3 - CERTIFICATION

Plan management received certification from Reliance Trust, the trustee of the Plan's assets as of December 31, 2016 and 2015 and for the year ended December 31, 2016, as to the completeness and accuracy of the investments and related investment income. Such information includes the composition and current value of the investments reported in the statement of net assets available for benefits and supplemental schedule, and the related investment income reported in the statement of changes in net assets available for benefits.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Fair Value Measurement and Disclosure Topic of the FASB Accounting Standards Codification defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The standard also establishes a fair value hierarchy that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

PRECISION BROAD BAND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015
(Liquidation Basis)

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above might produce a fair value calculation that might not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016 and 2015:

Assets at Fair Value as of December 31, 2016				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,301	-	-	\$ 6,301
Assets at Fair Value as of December 31, 2015				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 104,128	-	-	\$ 104,128

NOTE 5 - TRANSACTION WITH PARTIES-IN-INTEREST

Certain Plan investments are managed by Reliance Trust. Reliance Trust is the trustee of the assets for the Plan. Therefore, these transactions qualify as party-in-interest transactions.

PRECISION BROAD BAND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015
(Liquidation Basis)

NOTE 6 - TAX STATUS

The Plan adopted a prototype plan developed by Reliance Trust. The prototype plan received an opinion letter dated July 8, 2014 from the Internal Revenue Service that stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended subsequent to receiving the opinion letter. However, the Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be substantiated by the taxing authority. The Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that the Plan is no longer subject to examinations for years prior to 2013.

NOTE 7 - PLAN TERMINATION

The Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Effective April 29, 2016, the Company terminated the Plan. No new participants were admitted to the Plan and no additional contributions were made to the Plan for service performed by participants after the Termination Date. The investments held by participants in the Plan were to be liquidated and the participants' distribution options included rolling the proceeds to another qualified employer plan, an Individual Retirement Account (IRA) or a direct taxable distribution. As of December 31, 2016 participant accounts were fully distributed, with the exception of a minor remaining net asset balance related to those participants who could not be located as of December 31, 2016. Upon location of these participants subsequent to December 31, 2016, net assets were fully liquidated. As a result of this termination, all participants become 100% vested in their accounts.
