REPORT OF INDEPENDENT AUDITORS

To the Administrative Committee of
Dorel U.S.A. Associates 401(k) Retirement Plan
Columbus, Indiana

Report on the Financial Statements

We were engaged to audit the accompanying financial statements (modified cash basis) of Dorel U.S.A. Associates 401(k) Retirement Plan (the "Plan") which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2016 and 2015, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Massachusetts Mutual Life Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2016 and 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Change in Accounting Principle

As discussed in Note 3 to the financial statements, the Plan early adopted Accounting Standards Update 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share*, which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. Our disclaimer of opinion is not modified with respect to that matter.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our disclaimer of opinion is not modified with respect to that matter.

Other Matter

The supplemental schedule of assets (held at end of year) is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

DOREL U.S.A. ASSOCIATES 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

1. DESCRIPTION OF THE PLAN

The following brief description of the Dorel U.S.A. Associates 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan sponsored by Dorel Juvenile Group, Inc., Dorel Design and Development, LLC, Pacific Cycle, Inc., Ameriwood Industries, Inc., and Cycling Sports Group, Inc. (collectively, the "Company" or "Employer") primarily for the benefit of its hourly employees. The governing body for administration of the Plan and trust, the Defined Contribution Pension Plan Retirement Committee (the "Committee"), consists of members appointed by the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. All eligible employees are automatically enrolled to participate in the Plan.

As participants transfer between the Dorel U.S.A. Associates 401(k) Retirement Plan and the Dorel U.S.A. Salaried 401(k) Retirement Plan, their related Plan account transfers to the appropriate Plan, if applicable. Such transfers are reflected in the accompanying financial statements as "Fund transfers with Affiliate Plans".

Contributions

The Plan allows participants to contribute up to 75% of their compensation on a pre-tax basis, not to exceed the maximum amount allowed by law. Participants may elect to make after-tax contributions if the maximum pre-tax contribution is made.

The Company contributes 50% of the first 6% of compensation contributed by the employee for all locations.

The Plan permits a discretionary retirement supplemental contribution to be made to the Plan on an annual basis. The discretionary contribution is based on a percentage of the participant's gross earnings for the prior plan year. For the plan year ended December 31, 2016, there was no discretionary retirement supplemental contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's matching and discretionary contributions. Investment earnings, losses, and administrative expenses are allocated based on participants' account balances on a daily basis. Dorel Juvenile Group, Inc., Dorel Design and Development, LLC, Cycling Sports Group, Inc., and Pacific Cycle, Inc. participants are fully vested in all employee and Employer matching contributions plus actual earnings thereon at all times. Ameriwood Industries, Inc. employees are fully vested in all employee contributions plus actual earnings thereon at all times, and become vested in all

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

Employer matching contributions plus actual earnings thereon in increments of 20% per year for five years. All participants are fully vested in all discretionary retirement supplemental contributions after five years.

Notes Receivable from Participants

Each participant can obtain a loan between \$1,000 and the lesser of 50% of the participant's nonforfeitable account balance or \$50,000. A participant may only receive one loan during a period of twenty-four consecutive months and may only have one loan outstanding at any given time. Loans bear interest at prime plus 1% and range in maturity from six months to five years, unless the loan is for the purchase of a primary residence, which can have a maturity date of up to fifteen years.

Benefit Payments

Upon reaching the age of 59½, the participant is entitled to receive a lump-sum payment equal to the value of the participant's account. A participant that retires, becomes disabled, terminates employment, or passes away is entitled to receive a lump-sum payment or installment payments as described in the Plan agreement, equal to the value of the participant's account. A participant may make a hardship withdrawal, as defined in the Plan agreement, prior to age 59½.

Investments

Participants may direct contributions (employee and Employer) among a variety of investment options.

Forfeitures

Forfeiture of a participant's nonvested account balance occurs upon termination. Forfeited amounts are held in a separate suspense account and used to pay administrative expenses or reduce future Employer matching contributions. At December 31, 2016 and 2015, forfeited nonvested accounts totaled \$15,692 and \$5,931, respectively. For 2016, no forfeitures were used to pay for administrative expenses or reduce Employer matching contributions, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Should the Plan be terminated at some future time, all participants would become 100% vested in their accounts as of the termination date.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the modified cash basis of accounting. As such, benefit payments to participants and contributions from participants are accounted for on the cash basis. Investment income is recorded when received. The modified cash basis differs from the cash basis in that investments are recorded at fair value and participant loans are recorded as receivables (reductions) when the amounts have been advanced to (repaid from) the participant.

Although the modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an allowable method of accounting for employee benefit plans under the reporting requirements of ERISA.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends and interest are recorded when received. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are recorded as a distribution based upon the terms of the plan document.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

Risks and Uncertainties

The Plan invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Tax Status

The Company adopted a volume submitter Profit Sharing Plan with cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service (IRS) on May 8, 2009, which stated the Plan is qualified under section 401(a) of the Internal Revenue Code. The plan administrator believes that the Plan is qualified and, therefore, the related trust is exempt from taxation.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to 2014.

Administrative Expenses

The Company absorbs significant cost of Plan administration.

Subsequent Events

The Plan has evaluated events or transactions occurring subsequent to the statement of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements are available to be issued, which is October 12, 2017.

3. CHANGE IN ACCOUNTING PRINCIPLE

During 2016, the Plan early adopted Accounting Standards Update 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value Per Share*, which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. As such, certain investments that were measured at net asset value per share practical expedient have not been classified in the fair value hierarchy table. See Note 6.

DOREL U.S.A. ASSOCIATES 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Massachusetts Mutual Life Insurance Company (Mass Mutual), the trustee, has certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for benefits and the schedule of assets (held at end of year) as of December 31, 2016 and 2015, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2016.

5. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Professional fees and the majority of other administration expenses of the Plan were paid by the Company.

Certain Plan investments are pooled separate accounts managed by an affiliate of Mass Mutual. Mass Mutual is the trustee as defined by the Plan and, therefore, transactions in these funds qualify as party-in-interest transactions. Mass Mutual is the third party administrator for the Plan, and those fees are paid as a reduction to investment income. Mass Mutual also receives fees directly from Plan assets. SageView Advisory Group, LLC is the investment advisor for the Plan and receives payment from the Plan and the Plan Sponsor. Blue & Co., LLC is the independent auditor of the Plan and receives payment from the Company.

6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

However, in accordance with Subtopic 820-10, the pooled separate account investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The description of the valuation methodologies used for assets measured at fair value are included in Note 2. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2016 and 2015, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

7. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a group annuity contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of this traditional investment contract was \$5,974,352 and \$6,149,965 at December 31, 2016 and 2015, respectively.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0 percent. The crediting rate is reviewed on a quarterly basis for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to a plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

DOREL U.S.A. ASSOCIATES 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

8. RECONCILIATION TO FORM 5500

The Plan sponsor has elected to show the underlying investments of the pooled separate accounts on Schedule H of Form 5500. Therefore instead of showing all of the pooled separate accounts on Schedule H, line 1c(10) they are showing the underlying investments of the pooled separate accounts which are mutual funds on Schedule H, line 1c(13). Likewise some of the investment income is shown on Schedule H, line 2b(10) instead of line 2b(7).

Dorel U.S.A. Associates 401(k) Retirement Plan
Columbus, Indiana

Report on the Financial Statements

We were engaged to audit the accompanying financial statements (modified cash basis) of Dorel U.S.A. Associates 401(k) Retirement Plan (the "Plan") which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2016 and 2015, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2016, and the related notes to the financial statements.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Massachusetts Mutual Life Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2016 and 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Change in Accounting Principle

As discussed in Note 3 to the financial statements, the Plan early adopted Accounting Standards Update 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share*, which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. Our disclaimer of opinion is not modified with respect to that matter.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our disclaimer of opinion is not modified with respect to that matter.

Other Matter

The supplemental schedule of assets (held at end of year) is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

DOREL U.S.A. ASSOCIATES 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

1. DESCRIPTION OF THE PLAN

The following brief description of the Dorel U.S.A. Associates 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan sponsored by Dorel Juvenile Group, Inc., Dorel Design and Development, LLC, Pacific Cycle, Inc., Ameriwood Industries, Inc., and Cycling Sports Group, Inc. (collectively, the "Company" or "Employer") primarily for the benefit of its hourly employees. The governing body for administration of the Plan and trust, the Defined Contribution Pension Plan Retirement Committee (the "Committee"), consists of members appointed by the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. All eligible employees are automatically enrolled to participate in the Plan.

As participants transfer between the Dorel U.S.A. Associates 401(k) Retirement Plan and the Dorel U.S.A. Salaried 401(k) Retirement Plan, their related Plan account transfers to the appropriate Plan, if applicable. Such transfers are reflected in the accompanying financial statements as "Fund transfers with Affiliate Plans".

Contributions

The Plan allows participants to contribute up to 75% of their compensation on a pre-tax basis, not to exceed the maximum amount allowed by law. Participants may elect to make after-tax contributions if the maximum pre-tax contribution is made.

The Company contributes 50% of the first 6% of compensation contributed by the employee for all locations.

The Plan permits a discretionary retirement supplemental contribution to be made to the Plan on an annual basis. The discretionary contribution is based on a percentage of the participant's gross earnings for the prior plan year. For the plan year ended December 31, 2016, there was no discretionary retirement supplemental contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's matching and discretionary contributions. Investment earnings, losses, and administrative expenses are allocated based on participants' account balances on a daily basis. Dorel Juvenile Group, Inc., Dorel Design and Development, LLC, Cycling Sports Group, Inc., and Pacific Cycle, Inc. participants are fully vested in all employee and Employer matching contributions plus actual earnings thereon at all times. Ameriwood Industries, Inc. employees are fully vested in all employee contributions plus actual earnings thereon at all times, and become vested in all

DOREL U.S.A. ASSOCIATES 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

Employer matching contributions plus actual earnings thereon in increments of 20% per year for five years. All participants are fully vested in all discretionary retirement supplemental contributions after five years.

Notes Receivable from Participants

Each participant can obtain a loan between \$1,000 and the lesser of 50% of the participant's nonforfeitable account balance or \$50,000. A participant may only receive one loan during a period of twenty-four consecutive months and may only have one loan outstanding at any given time. Loans bear interest at prime plus 1% and range in maturity from six months to five years, unless the loan is for the purchase of a primary residence, which can have a maturity date of up to fifteen years.

Benefit Payments

Upon reaching the age of 59½, the participant is entitled to receive a lump-sum payment equal to the value of the participant's account. A participant that retires, becomes disabled, terminates employment, or passes away is entitled to receive a lump-sum payment or installment payments as described in the Plan agreement, equal to the value of the participant's account. A participant may make a hardship withdrawal, as defined in the Plan agreement, prior to age 59½.

Investments

Participants may direct contributions (employee and Employer) among a variety of investment options.

Forfeitures

Forfeiture of a participant's nonvested account balance occurs upon termination. Forfeited amounts are held in a separate suspense account and used to pay administrative expenses or reduce future Employer matching contributions. At December 31, 2016 and 2015, forfeited nonvested accounts totaled \$15,692 and \$5,931, respectively. For 2016, no forfeitures were used to pay for administrative expenses or reduce Employer matching contributions, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Should the Plan be terminated at some future time, all participants would become 100% vested in their accounts as of the termination date.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the modified cash basis of accounting. As such, benefit payments to participants and contributions from participants are accounted for on the cash basis. Investment income is recorded when received. The modified cash basis differs from the cash basis in that investments are recorded at fair value and participant loans are recorded as receivables (reductions) when the amounts have been advanced to (repaid from) the participant.

Although the modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an allowable method of accounting for employee benefit plans under the reporting requirements of ERISA.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends and interest are recorded when received. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are recorded as a distribution based upon the terms of the plan document.

DOREL U.S.A. ASSOCIATES 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

Risks and Uncertainties

The Plan invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Tax Status

The Company adopted a volume submitter Profit Sharing Plan with cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service (IRS) on May 8, 2009, which stated the Plan is qualified under section 401(a) of the Internal Revenue Code. The plan administrator believes that the Plan is qualified and, therefore, the related trust is exempt from taxation.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to 2014.

Administrative Expenses

The Company absorbs significant cost of Plan administration.

Subsequent Events

The Plan has evaluated events or transactions occurring subsequent to the statement of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements are available to be issued, which is October 12, 2017.

3. CHANGE IN ACCOUNTING PRINCIPLE

During 2016, the Plan early adopted Accounting Standards Update 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value Per Share*, which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. As such, certain investments that were measured at net asset value per share practical expedient have not been classified in the fair value hierarchy table. See Note 6.

DOREL U.S.A. ASSOCIATES 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Massachusetts Mutual Life Insurance Company (Mass Mutual), the trustee, has certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for benefits and the schedule of assets (held at end of year) as of December 31, 2016 and 2015, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2016.

5. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Professional fees and the majority of other administration expenses of the Plan were paid by the Company.

Certain Plan investments are pooled separate accounts managed by an affiliate of Mass Mutual. Mass Mutual is the trustee as defined by the Plan and, therefore, transactions in these funds qualify as party-in-interest transactions. Mass Mutual is the third party administrator for the Plan, and those fees are paid as a reduction to investment income. Mass Mutual also receives fees directly from Plan assets. SageView Advisory Group, LLC is the investment advisor for the Plan and receives payment from the Plan and the Plan Sponsor. Blue & Co., LLC is the independent auditor of the Plan and receives payment from the Company.

6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

However, in accordance with Subtopic 820-10, the pooled separate account investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The description of the valuation methodologies used for assets measured at fair value are included in Note 2. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2016 and 2015, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Pooled separate accounts	\$ 8,010,576	N/A	Daily	None

7. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a group annuity contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of this traditional investment contract was \$5,974,352 and \$6,149,965 at December 31, 2016 and 2015, respectively.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0 percent. The crediting rate is reviewed on a quarterly basis for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to a plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

DOREL U.S.A. ASSOCIATES 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

8. RECONCILIATION TO FORM 5500

The Plan sponsor has elected to show the underlying investments of the pooled separate accounts on Schedule H of Form 5500. Therefore instead of showing all of the pooled separate accounts on Schedule H, line 1c(10) they are showing the underlying investments of the pooled separate accounts which are mutual funds on Schedule H, line 1c(13). Likewise some of the investment income is shown on Schedule H, line 2b(10) instead of line 2b(7).
