Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by State Street Bank and Trust Company and John Hancock Life Insurance Company (U.S.A.), the custodians of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that John Hancock Life Insurance Company (U.S.A.) holds the Plan's investment assets and executes investment transactions for the period from April 1, 2016 to December 31, 2016, and that State Street Bank and Trust Company held the Plan's investment assets and executed investment transactions as of December 31, 2015, and for the period from January 1, 2016 to March 31, 2016. Accordingly, we do not express an opinion on the 2016 financial statements referred to in the first paragraph.

Other Matter - Supplemental Schedule

The supplemental schedule, schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2016, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter - 2015 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by State Street Bank and Trust Company, the custodian of the Plan. Their report, dated September 16, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion, and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodians, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974.

As part of our audit of the 2016 financial statements, we also audited adjustments described in Note 11 that were applied to restate the 2015 financial statements. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to the 2015 financial statements of the Plan other than with respect to the adjustments and accordingly, we do not express an opinion or any other form of assurance on the 2015 financial statements as a whole.

General

The Plan is a defined-contribution plan that was adopted by Galaxy Theatres, LLC (the "Company" or the "Plan Sponsor"), effective January 1, 2010, and is subject to the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code of 1986 ("IRC"), as amended. The employees of certain affiliates of the Company, including Galaxy Theatres Atascadero, LLC, Galaxy San Joaquin, LLC, Galaxy Sequoia LLC, Galaxy Patterson Road LLC, Galaxy Mission Grove LLC, Galaxy Tulare, LP, Galaxy Carson City, LLC, Galaxy Green Valley, LLC, Galaxy Vegas, LLC, Galaxy Sparks, LLC, Galaxy Austin, L.P., Galaxy Highland, LLC, Galaxy Cinemas Northwest, LLC, Monroe Galaxy, LLC, and Galaxy Uptown, LLC are eligible to participate in the Plan.

Employees of California Pacific Theatre Corporation, previously an affiliate of the Company, were no longer eligible to contribute to the Plan as of January 1, 2016. Therefore California Pacific Theatre Corporation formed its own retirement plan and the investments of the Plan related to the employees of California Pacific Theatre Corporation were transferred to the newly formed CalPac Theatre Corp. 401(K) Plan.

Spin-off and Subsequent Merger

Effective December 31, 2015, the Company formed a separate 401(k) plan, the Galaxy Theatres 401(k) Profit Sharing Plan ("Plan 02"). All participants of the Plan with account balances as of December 31, 2015, are excluded from the Plan as of that date. The account balances of those participants were transferred into Plan 02 during 2016. On December 31, 2016, the management of the Company approved the merger of Plan 02 back into the Plan. As a result, the net assets of Plan 02 totaling $793,056 were transferred into the Plan on December 31, 2016.

For financial reporting purposes, the accompanying statement of net assets available for benefits as of December 31, 2016, includes the account balances of those former participants of Plan 02, as their accounts were transferred back to the Plan on December 31, 2016, as a result of the merger of the plans. However, the activity of these accounts during 2016 is not included in accompanying statement of changes in net assets available for benefits since those accounts were held by Plan 02 until being transferred on December 31, 2016.

Note 1: Plan Description (Continued)

Eligibility

The purpose of the Plan is to provide retirement benefits for substantially all full-time employees of the Company. Employees who have attained age 21 and have completed one year of service are eligible to participate in the Plan.

Contributions

Participants may elect to contribute up to 100 percent of their pretax annual compensation not to exceed the maximum deferral limitation, as defined by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or contribution plans.

The Plan provides for employer discretionary matching and profit-sharing contributions. To be eligible for matching contributions, a participant is required to be an employee of the Company as of the last day of the year. Participants direct the investment of their contributions and their allocations of the employer contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the employer contributions and (b) Plan earnings (losses) and (c) charged with administrative expenses that are specific to the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the matching and profit-sharing contributions, plus actual earnings thereon, is based on years of continuous service. A participant is vested at the rate of 20 percent each year after two years of service and is considered to be 100 percent vested after six years of credited service.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum distribution equal to the vested portion of his or her account or an annuity over the life of the participant or designated beneficiary, as defined in the Plan document. For termination of service for other reasons, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution. Additionally, under certain circumstances of financial hardship or upon attaining the age of 59½, the participant is allowed to withdraw certain funds from the Plan.

Note 1: Plan Description (Continued)

Forfeitures

Forfeitures of the employee's nonvested portion of the Company's contributions are used to reduce future employer's contributions or pay for Plan expenses. At December 31, 2016 and 2015, the Plan had forfeited nonvested balances totaling $2,990 and $0, respectively.

Administrative Expenses

Certain administrative expenses incurred by the Plan are absorbed by the Company, and such expenses are not recorded in the Plan's financial statements. Additionally, certain administrative functions related to the Plan are performed by officers or employees of the Company; however, neither the Company or any officer or employee received compensation from the Plan.

Management fees and operating expenses of the Plan's investment funds are directly deducted from the funds and are reflected as a component of net appreciation (depreciation) in fair value of investments.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Also, as further described in Note 6, fair value for the Plan's pooled separate account investments is measured using net asset value per share ("NAV") as a practical expedient.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits in net depreciation in fair value of investments.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Note 2: Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The process of preparing financial statements in accordance with U.S. GAAP requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and gains, and expenses and losses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

New Pronouncements

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2015-07, *Fair Value Measurement (Topic 820)*, amending disclosures for investments in certain entities that calculate net asset value per share (or its equivalent). The amendments in this ASU remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. The amendments also remove the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share practical expedient. Rather, those disclosures are limited to investments for which the entity has elected to measure the fair value using that practical expedient. The amendments in this ASU are effective for fiscal years beginning after December 15, 2015, and interim periods within those fiscal years. A reporting entity should apply the amendments retrospectively to all periods presented, and early adoption is permitted. During 2016, the Plan implemented ASU 2015-07 and accordingly has presented these changes in Note 5 retrospectively.

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960); Defined Contribution Pension Plans (Topic 962); and Health and Welfare Benefit Plans (Topic 965)*, which amends the reporting and disclosure requirements relating to fully benefit-responsive investment contracts, plan investment disclosures, and measurement date practical expedient. This ASU was issued by the FASB to reduce complexity in employee benefit plan accounting and make the investment disclosure requirements under Topics 820, 960, 962, and 965 for employee benefit plans more effective to financial statement users. The amendments in this ASU are effective for fiscal years beginning after December 15, 2015, and earlier application is permitted. During 2016, the Plan implemented ASU 2015-12 and accordingly has presented these changes retrospectively.

Note 3: Concentrations, Risks, and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 4: Unaudited Information Certified by the Plan's Custodians

State Street Bank and Trust Company ("State Street") was the Plan's custodian at December 31, 2015, and for the period from January 1, 2016 to March 31, 2016. Effective April 1, 2016, the Plan changed its custodian and transferred its assets to its new custodian, John Hancock Life Insurance Company (U.S.A.) ("John Hancock"). State Street and John Hancock are herein referred to as the "Plan's Custodians."

Information included in the accompanying financial statements and supplemental schedule, including investments at fair value and investment income, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Plan's Custodians.

Note 5: Fair Value Measurements

FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities; or
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Note 5: Fair Value Measurements (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds: Valued at the daily closing price as reported by the fund. These funds are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, measured on a recurring basis, at fair value as of December 31, 2015:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 766,628	$ -	$ -	$ 766,628
Investments measured at NAV*				5,255
Total Assets Measured at Fair Value				$ 771,883

** Investments in common collective trusts are measured at fair value using the NAV (or its equivalent) practical expedient and therefore have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.*

At December 31, 2016, all of the Plan's investments measured at fair value were in pooled separate accounts. The fair value of the pooled separate accounts is measured using NAV as a practical expedient, and as a result, these investments are not categorized in a fair value hierarchy table for disclosure purposes as provided by FASB ASU 2015-07.

Note 6: Investments Measured Using Net Asset Value per Share

The Plan's investments in pooled separate accounts and common/collective trusts are stated at NAV. NAV of these investments is based on the value of the underlying assets owned by the fund, minus liabilities, and then divided by the number of units outstanding.

The following tables for December 31, 2016 and 2015, set forth a summary of the Plan's investments whose fair value is estimated using NAV (or its equivalent) as a practical expedient:

	December 31, 2016				
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Restrictions	Notice Period
Pooled Separate Accounts	$ 731,885	None	Daily	None	None

	December 31, 2015				
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Restrictions	Notice Period
Common/Collective Trusts	$ 5,255	None	Daily	None	None

Note 7: Tax Status

The Plan is based on a Volume Submitter Profit Sharing Plan, which received a determination letter from the Internal Revenue Service ("IRS"), dated March 31, 2014, stating that the Volume Submitter Profit Sharing Plan was designed in accordance with the provisions of the IRC. The Plan has been amended since receiving the determination letter, but the Plan has not yet filed for its own determination letter from the IRS. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2016 and 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2013.

Note 8: Excess Contributions Payable

ERISA requires the Plan to satisfy certain annual nondiscrimination testing that is performed subsequent to each year-end. At December 31, 2016 and 2015, the Plan had to return a portion of contributions made by certain highly compensated employees in order to satisfy this discrimination testing. At December 31, 2016 and 2015, the refundable excess contributions payable totaled $3,837 and $12,999, respectively.

Note 9: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants would become fully vested in their accounts.

Note 10: Party in Interest

Certain investments held by the Plan's Custodians were managed by the Plan's custodians; therefore, these transactions qualify as party-in-interest transactions.

Note 11: Prior-Period Restatement

As stated in Note 1, effective December 31, 2015, the Company formed a separate 401(k) plan, the Galaxy Theatres 401(k) Profit Sharing Plan ("Plan 02"). All participants of the Plan with account balances as of December 31, 2015, are excluded from the Plan as of that date. The 2015 financial statements previously issued did not reflect the transfer payable to Plan 02 as of December 31, 2015. The accompanying financial statements for 2015 have been restated to reflect the transfer payable at December 31, 2015. The effect of the restatement was to increase the transfer payable and decrease net assets available for benefits by $852,460.

Note 12: Differences on the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	2016	2015
Net assets available for benefits per the financial statements, as restated for 2015	$ 802,706	$ -
Add: Excess contributions payable	3,837	-
Net Assets Available for Benefits per the Form 5500	$ 806,543	$ -

Note 12: Differences on the Form 5500 (Continued)

The following is a reconciliation of the transfer of assets into the Plan at December 31, 2016 per the financial statements to the Form 5500:

Transfer in from affiliated plan	$ 793,056
Add: Excess contributions payable	3,837
Increase in Net Assets Available for Benefits per the Form 5500	$ 796,893

Note 13: Subsequent Events

The Plan has evaluated subsequent events through October 10, 2017, the date the financial statements were available to be issued.
