## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator of  
Employee Benefit Plan of Community Mental Health Centers of Warren County Inc.

### **Report on the Financial Statements**

I was engaged to audit the accompanying financial statements of Employee Benefit Plan of Community Mental Health Centers of Warren County Inc. (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on conducting my audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### **Basis for Disclaimer of Opinion**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Mutual of America, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. I have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2016 and 2015, that the information provided to the plan administrator by the custodian is complete and accurate.

**Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

**Other Matter**

The supplemental schedule of assets (held at end of year) is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I do not express an opinion on the supplemental schedule referred to above.

**Report on Form and Content in Compliance With DOL Rules and Regulations**

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**EMPLOYEE BENEFIT PLAN OF COMMUNITY MENTAL HEALTH  
CENTERS OF WARREN COUNTY INC.**

Notes to Financial Statements

Years Ended December 31, 2016 and 2015

**1. DESCRIPTION OF THE PLAN:**

The following brief description of the Employee Benefit Plan of Community Mental Health Centers of Warren County Inc. (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**—The Plan, which became effective January 1, 2002, is a defined contribution plan. Employees of Solutions Community Counseling and Recovery Centers (the "Sponsor"), are eligible for entry into the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Prior to 2015, the Plan was called Solutions Community Counseling and Recovery Centers 401(k) Plan.

Prior to 2011, the Plan was called the Mental Health & Recovery Center 401(k) Plan, and its sponsor was Mental Health & Recovery Center of Clinton County, Inc. During 2011, Mental Health & Recovery Center of Clinton County, Inc. merged with the current sponsor and the Plan's name was changed.

**Contributions**—Participant contributions are limited to not exceed a dollar limit that is set by law. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans. In addition, the Plan provides for Roth Elective Deferrals.

The Sponsor may elect to make a discretionary matching contribution to participants who have attained age 21 and completed 1,000 hours of service with the twelve month time period following their date of hire.

The Sponsor may also make discretionary Qualified Non-Elective Contribution ("QNEC") contributions and profit sharing contributions to all plan participants who actively employed on the last day of the plan year and completed at least 1,000 hours of service during the plan year.

There is a limit placed on the percent of compensation deferred by participants. The Sponsor determines that the salary deferral percentage, the employer matching percentage, and the total defined contribution percentage comply with several tests as prescribed by law. If the tests are not met, the Sponsor reduces the contribution percentage of those individuals that exceed the limits and refunds the excess contributions to the individual.

**Participant accounts**—Each participant account is credited with the participant's contribution and allocations of the sponsor contributions and the plan earnings. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

**Vesting**—Participants are immediately vested in their salary deferrals and QNEC contributions plus actual earnings thereon. A participant is vested in the employer contribution component of their account (and earnings thereon) after six years of credited service.

**Loans**—Participants may obtain a loan through the Plan, subject to rules and requirements outlined in the plan document. These are disclosed as notes receivable from participants.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

The following are the significant accounting policies of the Plan:

**Basis of accounting**—The financial statements of the Plan are prepared using the accrual method of accounting.

**Asset valuation and income recognition**—Assets are valued at fair value. Fair value is reported by Mutual of America, the custodian, based on the market value of underlying securities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Net appreciation/depreciation in the fair value of assets represents net realized gains/losses on assets sold during the year and net unrealized gains/losses on assets held at the end of the year. These assets, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain assets, it is reasonably possible that changes in the values of investment securities will occur in the near term and, that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

A participant may direct the investment of the portion of their account attributable to deferral and matching contributions. Thirty-three funds are available, which include large, med, and small cap funds, international funds, fixed income funds, and balanced funds. Participants may change their investment options at any time.

The individual investments that represent five percent or more of the plan's assets as of December 31, 2016 are as follows:

|                                        |            |

**Withdrawals and payment of benefits**—Withdrawals and benefits are recorded upon distribution.

**Administrative expenses**—Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan. The Sponsor has elected to pay certain costs associated with plan administration from its operating assets.

**Estimates**—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Subsequent events**—The Sponsor evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements considered events through October 12, 2017, the date on which the financial statements were available to be issued.

### **3. INFORMATION CERTIFIED BY THE CUSTODIAN:**

All financial data related to investments used in the preparation of the statements of net assets available for benefits, statements of changes in net assets available for benefits and supplemental schedule of assets (held at end of year) have been certified as to accuracy and completeness by the Plan's custodian, Mutual of America.

#### **4. TAX STATUS:**

The Sponsor adopted a Defined Contribution Prototype Plan & Trust, for which a letter from the Internal Revenue Service has been received indicating that an employer who adopts this prototype plan will be considered to have a plan qualified under applicable sections of the Internal Revenue Code (IRC). The Sponsor has elected not to request a separate determination letter for the Plan. The Sponsor and the plan's administrator believe that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, they believe the Plan was qualified as of the financial statement date.

With few exceptions, the Plan's federal information returns are no longer subject to examination by the Internal Revenue Service for the years before 2013.

#### **5. PLAN TERMINATION:**

Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all benefits will be distributed to participants and beneficiaries in proportion to their respective account balances.

#### **6. FAIR VALUE MEASUREMENTS:**

The Plan has determined the fair value of certain assets through application of accounting guidance that establishes a framework for measuring fair value.

The accounting standard defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. This standard also requires the use of valuation techniques that are consistent with the market approach, the income approach and/or the cost approach. Inputs to valuation techniques refer to the assumption that market participants would use in pricing the asset or liability. Inputs may be observable, meaning those that reflect the assumption market participants would use in pricing the asset or liability based on market data obtained from independent sources, or unobservable, meaning those that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available in the circumstances. In that regard, a fair value hierarchy has been established for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The fair value hierarchy is as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that an entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than the Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

*Assets measured at fair value on a recurring basis:* The following table summarizes assets measured at fair value on a recurring basis as of December 31, 2016 and 2015, segregated by the level of the valuation inputs within the fair value hierarchy utilized to measure fair value:
