NOTE A--PLAN DESCRIPTION

The following description of the Marquette General Hospital Employee Deferred Compensation Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Marquette General Hospital, Inc., d/b/a Marquette General Health System (System) who were age 21 or older as of September 1, 2012. On September 1, 2012 (Acquisition Date), the System was acquired by an unrelated, for-profit healthcare entity. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees of MGH Wind Down, Inc., oversees governance of the Plan.

Contributions

As of the Acquisition Date, all employees of the System were deemed to be terminated; therefore, subsequent to that date, there were no additional employee or employer contributions made to the Plan.

Participant Accounts

Each participant's account is credited with an allocation of Plan earnings and charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

As of the Acquisition Date, participants with account balances greater than $5,000 had the option of remaining in the Plan. All participants with account balances less than $5,000 were to have distributions be made to the participant as soon as administratively feasible.

Remaining participants are still able to change their investment options and their accounts continue to be credited with an allocation of Plan earnings and charged with an allocation of administrative expenses.

Vesting

Participant accounts are fully vested.

NOTE A--PLAN DESCRIPTION--Continued

Participant Loans Receivable

Participants could borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan terms were up to five years, or for a longer period of time if for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the time the loan is written.

As of the Acquisition Date, participant loans are no longer originated. For existing participant loans, principal and interest payments are now remitted directly to the Plan by Plan participants.

Benefit Payments

As of the Acquisition Date, all employees of the System were deemed to be terminated. Participants remaining in the Plan are able to request a withdrawal at any time in the form of a lump sum paid to the participant or through a direct rollover to an IRA or another qualified retirement plan.

Unallocated Accounts

At December 31, 2016 and 2015, unallocated accounts totaled $300,300 and $270,720, respectively. Unallocated assets of the Plan shall be distributed in such a manner as set forth in the Plan agreement.

NOTE B--SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with United States generally accepted accounting principles (U.S. GAAP).

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B--SUMMARY OF ACCOUNTING POLICIES--Continued

Benefit Payments

Benefits are recorded when paid.

Participant Loans Receivable

Loans receivable from participants are measured at their unpaid balance. Interest income is recorded on the accrual basis. As of December 31, 2016 and 2015, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administration

Certain administrative functions are performed by officers or employees of UP Health System - Marquette. No such officer or employee receives compensation from the Plan for these services. Certain administrative costs of the Plan are paid by MGH Wind Down, Inc. (Plan Sponsor), and are not included in these financial statements. These administrative expenses approximated $9,000 and $8,000 for the years ended December 31, 2016 and 2015, respectively.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events

Subsequent events were evaluated through October 9, 2017, which is the date the financial statements were available to be issued.

NOTE D--FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Level 1 Fair Value Measurements:

Mutual Funds: The fair value of investments in mutual funds is determined using the Net Asset Value (NAV). The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

Level 2 Fair Value Measurements:

Common/Collective Funds: The fair value of the common/collective funds is determined by each fund trustee based on the fair value of the underlying securities within the fund, which represent the NAV of shares held by the Plan at year end.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The following table sets forth, by level within the fair value hierarchy, a summary of the Plan's investments that were measured at fair value on a recurring basis as of December 31, 2016 and 2015.

		Fair Value Measurements at Reporting Date Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
December 31, 2016:			
Mutual funds	$ 19,745,235	$ 19,745,235	
Common/collective funds	961,832		$ 961,832
TOTAL	$ 20,707,067	$ 19,745,235	$ 961,832
December 31, 2015:			
Mutual funds	$ 19,892,552	$ 19,892,552	
Common/collective funds	1,007,620		$ 1,007,620
TOTAL	$ 20,900,172	$ 19,892,552	$ 1,007,620

NOTE E--RELATED-PARTY TRANSACTIONS

Certain Plan investments are collective investment funds managed by a third-party trustee; therefore, these transactions qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE F--INCOME TAX STATUS

The Plan obtained its latest opinion letter, dated May 18, 2012, in which the Internal Revenue Service (IRS) stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code; therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate the tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE G--PLAN TERMINATION

The Board of Trustees of MGH Wind Down, Inc., the Plan's Sponsor, voted on October 10, 2016, to terminate the Plan. The Plan Sponsor intends to file Form 5310 with the IRS in October 2017, pursuing an advance determination of the qualification status of the Plan upon plan termination. Following receipt of the anticipated favorable determination letter, the Plan Sponsor will direct the trustee to distribute all remaining assets of the Plan which are distributable on account of the Plan's termination. Distribution options for participants will include a lump sum paid to the participant or a direct rollover to an IRA or another qualified retirement plan.
