INDEPENDENT AUDITOR'S REPORT

To the Trustee Committee
International TechneGroup Incorporated Thrift Savings 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of International TechneGroup Incorporated Thrift Savings 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Delaware Charter Guarantee & Trust Company (d/b/a Principal Trust Company), the Trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplementary schedules. We have been informed by the Plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Trustee as of and for the years ended December 31, 2016 and 2015, that the information provided to the Plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matters

The supplementary Schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2016 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2016 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplementary schedules referred to above.

As discussed in Notes 2 and 5, the investment in International TechneGroup Incorporated common stock amounting to \$2,730,974 and \$2,751,260 as of December 31, 2016 and 2015, respectively, has been valued at estimated fair value as determined by the Board of Directors in the absence of readily ascertainable market values. We have reviewed the procedures used by the Board of Directors in arriving at its estimate of fair value and have reviewed underlying documentation, and, in the circumstances, we believe the procedures are reasonable and the documentation appropriate. However, because of the inherent uncertainty of valuation, those estimated fair values may differ significantly from the values that would have been used had a ready market for the stock existed, and the differences could be material.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplementary schedules, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Report on Form and Content in Compliance With DOL Rules and Regulations (Continued)

The supplementary Schedule of Assets Held for Investment Purposes at End of Year that accompanies the Plan's financial statements does not disclose the historical cost of certain non-participant directed Plan assets. Disclosure of this information is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

INTERNATIONAL TECHNEGROUP INCORPORATED
THRIFT SAVINGS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016 AND 2015

1. DESCRIPTION OF THE PLAN

The following description of the International TechneGroup Incorporated (the Employer) Thrift Savings 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, as amended, is a defined contribution plan covering all employees of the Employer who are age eighteen (18) or older. The plan was adopted July 1, 1984 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2016, the Plan was amended to remove the requirement for an annual independent appraisal of the International TechneGroup Incorporated common stock.

Effective October 21, 2016, the Plan was amended to remove the provisions for distributions of non-active participants with account balances less than one thousand dollars (\$1,000).

Contributions

The Plan provides for contributions by participating employees of an amount not to exceed the maximum amount permitted under the applicable provisions of the Internal Revenue Code of 1986, as amended (the Code). The Employer may contribute discretionary matching amounts of base compensation that a participant contributes to the Plan. For the years ended December 31, 2016 and 2015, the Employer elected to make matching contributions of two percent (2%) of base compensation and overtime pay. Additional amounts may be contributed at the option of the Employer's Board of Directors. For the years ended December 31, 2016 and 2015, no additional amounts were contributed by the Employer. Prior to October 31, 2007, all employer contributions were invested in International TechneGroup Incorporated common stock. Effective November 1, 2007, the Employer stock is no longer an investment option. All Employer contributions are invested in accordance with the participant's investment selection.

Rollovers

The Plan permits participants to transfer distributions from other qualified plans into the Plan.

Participant Accounts

Each participant's account is made up of an employee contribution subaccount and an Employer contribution subaccount. Each account is credited with (a) contributions, (b) an allocation of Plan earnings and losses, and (c) Plan expenses. The participants direct the investment of their account balances among certain investment options. The Employer contributions are invested in accordance with the participants' investment selection.

INTERNATIONAL TECHNEGROUP INCORPORATED
THRIFT SAVINGS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016 AND 2015

1. DESCRIPTION OF THE PLAN (Continued)

Hardship Withdrawals

The Plan allows for hardship withdrawals in the event of immediate and heavy financial need of up to 100% of the participant's account balance attributable to employee contributions.

Vesting

Participants are 100% vested in the employee contribution and Employer contribution portion of their accounts immediately upon the Effective Date of Participation, as defined in the Plan.

Investment Options

Upon enrollment in the Plan, participants may direct their deferral contributions in over forty (40) investment options. Participants may change their investment options daily. Except for the Principal Stable Value Fund, there is no guarantee of principal or earnings when participating in these funds.

Effective April 1, 2007, International TechneGroup Incorporated implemented the Limited Liquidity Program which allows the Company Board of Directors, at its sole discretion, to suspend or modify the quarterly repurchase of common stock based on Company or any other industry business or economic factors it deems appropriate. Under the Limited Liquidity Program, effective January 1, 2009, International TechneGroup Incorporated's Board of Directors suspended repurchases of ITI common stock, except for required minimum distributions from the Plan.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or fifty percent (50%) of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loans fund. Loan terms range from 1 to 5 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through monthly or quarterly payroll deductions.

Payment of Expenses

All expenses of administration may be paid out of the Plan unless paid by the Employer. Such expenses shall include any expenses incident to the functioning of the administrator, including but not limited to, fees of accountants, counsel, and other specialists and their agents, and other costs of administering the Plan. Until paid, the expenses shall constitute a liability of the Plan. However, the Employer may reimburse the Plan for any administration expense incurred. Any administration expense paid to the Plan as a reimbursement shall not be considered an Employer contribution. The Employer elected to pay some of the administrative expenses of the Plan for the years ended December 31, 2016 and 2015.

INTERNATIONAL TECHNEGROUP INCORPORATED
THRIFT SAVINGS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016 AND 2015

1. DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

The benefit to which a Plan participant is entitled is the benefit that can be provided by the contributions made and income earned on investments. Upon service or disability retirement, death, or termination, a participant or beneficiary will receive an amount equal to the value of his account, including earnings. The benefit will be paid in either a lump-sum amount or annual installments. Benefits paid to participants age 70 1/2 will be adjusted to the extent necessary to satisfy minimum payments required by law.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator and Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 5).

The Plan presents in the Statements of Changes in Net Assets Available for Benefits, the net investment gain (loss) from pooled separate accounts and common/collective trust, which consists of interest, dividends, realized gains or losses and unrealized appreciation (depreciation) on those investments. The Plan presents in the Statements of Changes in Net Assets Available for Benefits, the net investment gain (loss) from registered investment companies, which consists of realized gains or losses and unrealized appreciation (depreciation) on those investments. Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income is recorded when earned.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016 AND 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

3. RELATED PARTY TRANSACTIONS

The Plan invests in pooled separate accounts and a common/collective trust managed by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal). Principal acts as Trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

For the years ended December 31, 2016 and 2015, the Plan sold approximately \$20,300 and \$19,700 of shares of common stock, respectively, of International TechneGroup Incorporated, the Plan Sponsor. Transactions in this investment qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

4. CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and supplementary schedule, including investments held in pooled separate accounts, registered investment companies, a common/collective trust, and notes receivable from participants at December 31, 2016 and 2015, and the related dividends, net investment gain (loss) from pooled separate accounts, net investment gain from common/collective trust, net investment gain (loss) from registered investment companies, and interest on notes receivable from participants was obtained or derived from unaudited information supplied to the plan administrator and certified as complete and accurate by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (the Trustee of the Plan).

The investment in ITI common stock is not a certified investment.

5. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. FAIR VALUE MEASUREMENTS (Continued)

The Plan utilizes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The three levels of inputs used to measure fair value under this accounting standard are described as follows:

- Level 1 - Quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.
- Level 2 - Observable inputs other than quoted prices included within Level 1. Inputs that are principally derived from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value measurement of the assets or liabilities. These include certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies the Plan used for assets measured at fair value.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. Mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

International TechneGroup Incorporated common stock: Valued quarterly by the Board of Directors using both market and income valuation techniques.

Common/collective trust (stable value fund) and pooled separate accounts: Valued at the net asset value of units of the common/collective trust or pooled separate accounts. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the investments will be sold for an amount different from the reported net asset value. Transactions (purchases and sales) may occur daily. There are no unfunded commitments or significant redemption restrictions at December 31, 2016 and 2015.

6. TAX STATUS

The Plan sponsor believes the Plan meets the requirements for tax qualification described in Section 401(a) of the Code. Accordingly, the Plan's net investment income is exempt from tax under Section 501(a) of the Code. The Plan was amended and restated in its entirety effective December 1, 2013 and has not yet received a favorable determination letter from the Internal Revenue Service on the tax qualification of the Plan. Continued qualification of the Plan will depend upon its operation in accordance with applicable requirements of the Code. The 2013 through 2015 tax years remain subject to potential examination by taxing authorities.

7. PLAN TERMINATION

While the Employer has not expressed any intent to terminate the Plan, it is free to do so at any time. Upon termination of the Plan by the Employer, the accounts of the affected participants will remain one hundred percent (100%) vested and assets remaining in the Plan after payment of appropriate expenses shall be distributed to participants in proportion to their respective account balances.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment options. These investment options are exposed to various risks, such as interest rate, credit and market risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan year ended December 31, 2016, participant deferrals and loan payments in the amount of \$122,900 were not remitted to the Plan by an Employer within the appropriate time period prescribed by law. These transactions constitute prohibited transactions as defined by ERISA. The Employer self-corrected the error during 2016 by making a qualified nonelective contribution in the amount of \$243 on behalf of the affected participants.

Additionally, as result of a Department of Labor review of Plan operations for the 2013 and 2014 Plan years, it was determined that certain participant deferrals were not remitted to the Plan by an Employer within the appropriate time period prescribed by law. The Employer corrected the error during 2016 by making a qualified nonelective contribution in the amount of \$831 on behalf of the affected participants.
