Basis for Disclaimer of Opinion

The Plan sponsor's accounting records for contracts and custodial accounts issued to current or former employees prior to January 1, 2009 do not provide sufficient evidence supporting benefit payments and net assets available for benefits to permit the application of adequate auditing procedures.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Wells Fargo Bank, National Association, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2016 and 2015 and for the years then ended, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements.

We were engaged to audit the accompanying financial statements of Deaconess Associations, Inc. 403(b) Savings Plan (the "Plan") which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

The Plan sponsor's accounting records for contracts and custodial accounts issued to current or former employees prior to January 1, 2009 do not provide sufficient evidence supporting benefit payments and net assets available for benefits to permit the application of adequate auditing procedures.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Wells Fargo Bank, National Association, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2016 and 2015 and for the years then ended, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements.

Other Matter

The supplemental Schedule of Assets (Held at End of Year) at December 31, 2016 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Deaconess Associations, Inc. 403(b) Savings Plan

Notes to Financial Statements

December 31, 2016 and 2015

1. Description of the Plan

The following description of the Deaconess Associations, Inc. 403(b) Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan was adopted by The Deaconess Associations, Inc. (the "Company"), and the administrator of the Plan, effective January 1, 1999 and as amended. All employees of The Deaconess Hospital of Cincinnati, Ohio and Deaconess Long Term Care, Inc. who meet eligibility requirements of the Plan are able to participate. The Custodian of the Plan assets is Wells Fargo Bank, National Association ("Wells Fargo" or the "Custodian"). The recordkeeper of the Plan is USI Consulting Group ("USICG" or the "Recordkeeper"). The Plan is a defined contribution plan that provides benefits for eligible employees ("participants") of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

The Plan provides that participants may elect to make pre-tax ("elective deferral") contributions through regular payroll deductions. Each year participants may contribute from 1% up to the maximum allowable contributions subject to certain Internal Revenue Code ("IRC") limitations. Rollover contributions from other qualified plans are also permitted.

The Company, at its discretion, may contribute an amount that it designates as a discretionary matching contribution. From the adoption of the Plan through December 31, 2016, the Company has not contributed to the Plan. As such, no forfeitures exist.

The Plan also provides for catch-up contributions to those employees who have reached the age of 50 before the last day of the plan year and who have contributed the maximum elective deferrals as permitted by the plan and IRC.

Eligibility

Eligible employees are able to defer a portion of their salary after age 18 and after having worked 20 hours a week or more or who work more than 1,000 hours per calendar year. The Plan's entry date is the first date of each payroll period. Eligibility excludes employees who are part of a collective bargaining unit, non-resident aliens, independent contractors, leased employees and members of the Deaconess Associations, Inc. controlled group not adopting this plan. To be eligible for the employer discretionary match, participants must be 21 years of age, attained one year of service and completed 1,000 hours of service during the Plan year.

Effective January 1, 2015, the Company automatically enrolls eligible employees at a contribution rate of 3% of eligible compensation, unless the employee elects not to participate or elects a different contribution percentage.

Participant Accounts

Each participant account is credited with the participant's contribution and an allocation of the Company's contribution, if any, and Plan earnings. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Funds

Participants direct the investment of their contributions and Company matching contributions into various investment options offered by the Plan.

Deaconess Associations, Inc. 403(b) Savings Plan

Notes to Financial Statements

December 31, 2016 and 2015

Vesting

Participants are fully vested in their contributions and earnings thereon. Participants are vested in discretionary matching contributions as follows:

Years of Service	Nonforfeitable Percentage
less than 1	0%
2	20%
3	40%
4	60%
5	80%
6 years or greater	100%

Payment of Benefits

Upon termination of service or death, disability, or retirement, a participant will have the option to receive payments of their vested account balance as a lump sum payment. Benefits are payable to designated beneficiaries in the event of a participant's death.

Participant Loans

Beginning November 1, 2007, and prior to January 1, 2014, participant loans were allowed only under safe harbor rules for hardship. Beginning January 1, 2014, participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their employee contribution account balance. Loan terms range from 1-5 years or up to 20 years for the purpose of purchasing a primary residence. The loans are collateralized by the balance in the participants' account and bear interest at current market rates of local lending institutions plus 1%. Interest rates ranged from 4.25% to 4.75% for the years ended December 31, 2016 and 2015. Principal and interest is paid ratably through payroll deductions.

Administrative Expenses

Expenses associated with the administration of the Plan may be paid by the Plan if not previously paid by the Company. The majority of the fees associated with the administration of the Plan in both 2016 and 2015 were paid by the Company. The expenses paid by the Plan include those expenses incurred in connection with the general administration of the plan, in addition to any expenses attributable to loan fees, withdrawals, or contributions that are assessed to the Plan. During the years ended December 31, 2016 and 2015, there were \$17,924 and \$16,341 of administrative expenses, respectively.

Termination of the Plan

The Company believes that the Plan will continue without interruption, but reserves the right under the Plan to discontinue its contributions, if any, and to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Also, in the event of Plan termination, distributions will be made in accordance with the provisions of ERISA.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Fully benefit-responsive investment contracts held by a defined contribution plan are required to be reported at contract value as contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recognized on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participants loans are classified as notes receivables and are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are classified as distributions based on the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2016 and 2015.

Contributions

Employee contributions are made through regular payroll deduction into the Plan each payroll period.

Payment of Benefits

Benefit payments to participants are recognized when paid.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles accepted in the United States of America requires the use of estimates by management regarding the reported amounts of assets as well as the additions and deductions recognized during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in any combination of investment funds. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

Notes to Financial Statements

3. Fair Value Measurements

Fair value is the amount that would be received from the sale of an asset or paid for transfer of a liability in an orderly transaction between market participants, (i.e., an exit price). To estimate an exit price, a three-level hierarchy is used. The fair value hierarchy prioritizes the inputs, which refer broadly to assumptions market participants would use in pricing an asset or a liability, into three levels:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or a liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the plan are deemed to be actively traded.

Money market fund: Valued at the daily closing price from an actively traded exchange.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the valuation methodology for the years then ended December 31, 2016 and 2015.

Notes to Financial Statements
December 31, 2016 and 2015

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016 and 2015.

Assets at Fair Value as of December 31, 2016				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,704,567	\$ -	\$ -	\$ 5,704,567
Money market fund	256	-	-	256
Total assets at fair value	<u>\$ 5,704,823</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,704,823</u>

Assets at Fair Value as of December 31, 2015				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,696,271	\$ -	\$ -	\$ 5,696,271
Total assets at fair value	<u>\$ 5,696,271</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,696,271</u>

For the years ended December 31, 2016 and 2015, there were no transfers between the fair value measurement levels within the hierarchy noted above.

4. Investment Contract with Insurance Company

The Plan invests in The Standard's Stable Asset Fund III ("Stable Asset Fund"), which is a group annuity insurance product issued by the Standard Insurance Company ("Standard"). Amounts invested in the Stable Asset Fund are deposited in the Standard's general account.

The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Under the group annuity insurance contract that supports this product, participants may ordinarily direct permitted withdrawal or transfers of all or a portion of their account balance at contract value within reasonable timeframes. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. The contract is effected directly between the Plan Sponsor and the issuer. The repayment of principal and interest credited to the participant is a financial obligation of the issuer. Therefore, the Plan considers this contract to be benefit responsive. Because the fixed account contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefit attributable to the insurance contract.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1.00%. Such interest rates are reviewed on an annual basis for resetting. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

5. Certified Investment Information

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedule which was certified by the Custodian as of December 31, 2016 and 2015, and for the years then ended, as complete and accurate, in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974:

	2016	2015
Statements of Net Assets Available for Benefits		
Investments, at fair value	\$ 5,704,823	\$ 5,696,271
Fully benefit - responsive investment contracts, at contract value	821,651	1,033,475
Statements of Changes in Net Assets Available for Benefits		
Net appreciation (depreciation) in fair value of investments	403,412	(34,476)
Dividends and interest	83,400	85,037
Other income	12,368	12,610

6. Related Party Transactions

The Company provides certain accounting, recordkeeping, and administrative services for the Plan, for which it receives no compensation.

The Plan maintains a revenue sharing agreement with Wells Fargo whereby credits are remitted to the plan based on investment performance of the Plan's funds. Such credits are used to pay administrative expenses. For the years ended December 31, 2016 and 2015, such credits remitted were \$12,368 and \$12,610, respectively, which were used to pay administrative expenses. The Statements of Changes in Net Assets Available for Benefits presents the credits remitted to the plan and administrative expenses on a gross basis.

7. Tax Status

The Plan has been designed to qualify for tax-exempt status under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform to the sample language provided by the Internal Revenue Service ("IRS") in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b). The plan administrator believes that the Plan is currently designed and operating in accordance with the applicable requirements of Section 403(b) of the IRC and, therefore, believes the Plan is qualified and the related accounts are tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions by the Plan, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2013.
