**UNIVERSAL BEAUTY PRODUCTS, INC.
401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2016**

NOTE 1. DESCRIPTION OF PLAN

The following description of the Universal Beauty Products, Inc. ("Company") 401(k) & Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who have attained 21 years of age, except for union employees, leased employees and non-resident aliens. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Management of the Company oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the Plan document. Participants have the option of contributing a percentage of their taxable compensation as a Roth contribution. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Discretionary matching contributions may be made on behalf of qualified participants who made a pretax compensation or Roth contribution to the Plan during the year and who are employed on the last day of the Plan year. Discretionary matching contributions are not to exceed 4% of a participant's annual compensation. The Company may also make discretionary profit sharing contributions to qualified participants who are employed on the last day of the Plan year. A participant becomes qualified for the matching and profit sharing contributions on January 1 or July 1 after completing one year of service. For the year ended December 31, 2016, the Company made matching contributions totaling \$36,540 and profit sharing contributions totaling \$102,777.

The Plan currently offers various mutual funds, collective investment trust funds and a group annuity contract as investment options for participants. The investment of participant, matching and profit sharing contributions into these investment options is determined by each participant. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**UNIVERSAL BEAUTY PRODUCTS, INC.
401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2016**

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contribution portions of their account is based on years of continuous service. A participant is 100% vested after six years of credited service.

As is more completely described in the Plan document, a participant also becomes 100% vested in the Company's matching and profit sharing contribution portions of their account through attaining their normal retirement date, death or disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate in effect at the time the loan is made plus 1%. Principal and interest are paid ratably through automatic payroll deduction.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments in accordance with the Plan document. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan provides for hardship withdrawals from a participant's contribution account. The IRS safe harbor definition of a hardship will apply.

The Plan also provides for in-service withdrawals from participant's accounts in which the participant is 100% vested. The participant must have attained the age of 59 1/2.

Forfeited Accounts

Forfeited nonvested accounts may be used to pay administrative expenses of the Plan or reduce the Company's future contributions to the Plan, subject to Internal Revenue Service limitations. Forfeited nonvested accounts as of December 31, 2016 and 2015 totaled \$3,608 and \$122, respectively. For the year ended December 31, 2016, no amounts were paid out of the forfeited nonvested accounts.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

UNIVERSAL BEAUTY PRODUCTS, INC.
401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2016

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

New Accounting Pronouncements

In May, 2015, the Financial Accounting Standards Board ("FASB") issued ASU 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)*. The ASU exempts investments measured using the net asset value ("NAV") practical expedient in ASC 820, *Fair Value Measurement*, from categorization within the fair value hierarchy. The guidance is effective for fiscal years beginning after December 15, 2016 with early adoption permitted. Management has elected to early adopt the new standard. Accordingly, the standard was retrospectively applied resulting in certain investments that are measured at NAV not being categorized in the fair value hierarchy. The prior period financial statements have been adjusted to retroactively reflect this change as of December 31, 2015.

In July, 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Contribution Pension Plans (Topic 962)*. This three-part standard simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts and plan investment disclosures, and provides for a measurement-date practical expedient. Parts I and II are effective for fiscal years beginning after December 15, 2015 and should be applied retrospectively. Part III is effective for fiscal years beginning after December 15, 2015 and should be applied prospectively.

Management has adopted Part I - *Fully Benefit-Responsive Investment Contracts* and Part II - *Plan Investment Disclosures*. Accordingly, the standards were retrospectively applied resulting in the disaggregation of investments only by general type, as well as the removal of certain investment disclosures that are no longer required. The prior period financial statements have been adjusted to retroactively reflect these changes as of December 31, 2015. Part III is not applicable to this Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management of the Company determines the Plan's valuation policies utilizing information provided by the investment trustee and advisor. See Note 3 for discussion of fair value measurements.

UNIVERSAL BEAUTY PRODUCTS, INC.
401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2016

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2016, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments. Administrative expenses may also be paid with funds from forfeited nonvested accounts.

NOTE 3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

UNIVERSAL BEAUTY PRODUCTS, INC.
401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2016

Assets measured at fair value for the Plan are as follows:

Mutual funds

The fair value of mutual funds is based on quoted net asset value ("NAV") of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Collective investment trust funds

The fair value of the collective investment trust funds ("CIT's") is valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The following table presents the Plan's investments at fair value as of December 31, 2016 and 2015.

		Fair Value Measurements at the End of the Reporting Period Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Fair Value			
December 31, 2016:				
Assets in fair value hierarchy:				
Mutual funds	\$ 25,298	\$ 25,298	\$ -	\$ -
Collective investment trust funds (a)	342,320			
Investments at fair value	\$ 367,618			
December 31, 2015:				
Assets in fair value hierarchy:				
Mutual funds	\$ 205,401	\$ 205,401	\$ -	\$ -

- (a) The Plan invested in several CIT's which are measured at fair value using NAV and, therefore, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to reconcile the fair value hierarchy table to the amounts presented in the statement of net assets available for benefits.

**UNIVERSAL BEAUTY PRODUCTS, INC.
401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2016**

The Plan applied the practical expedient as of December 31, 2016 to its investments in several Putnam Retirement Advantage Target Date Funds, with each having an objective of seeking a total return consisting of long-term growth of capital and current income consistent with the investment strategy of an investor who expects to retire in the year identified in each respective CIT's name.

Gains and losses (realized and unrealized) included in the statement of changes in net assets available for benefits for the year ended December 31, 2016 are reported in net appreciation in fair value of investments.

NOTE 4. GROUP ANNUITY CONTRACT

One of the Plan's investments is the Key Guaranteed Portfolio Fund, a group annuity contract managed by Great-West Life & Annuity Insurance Company ("GWLAIC"). GWLAIC maintains the underlying investments in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Because the contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by GWLAIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the group annuity contract at December 31, 2016 and 2015 was \$10,415 and \$2,059, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with GWLAIC. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the group annuity contract issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in mutual funds and a group annuity contract managed by affiliates of Great-West Trust Company, LLC ("Great-West"). As Great-West also provides investment advisory and recordkeeping services to the Plan, these investments qualify as party-in-interest transactions which are exempt from prohibited transaction rules. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

Transactions in the Plan's notes receivable from participants qualify as party-in-interest transactions which are also exempt from prohibited transaction rules.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Company's matching and profit sharing portions of their account.

NOTE 8. TAX STATUS

The Plan as adopted is a volume submitter profit sharing plan sponsored by Sungard Business Systems LLC. The sponsoring organization has received a determination letter, dated March 31, 2014, covering the volume submitter plan. A separate determination providing that the Universal Beauty Products, Inc. 401(k) & Profit Sharing Plan, as adopted, is designed in accordance with applicable sections of the Internal Revenue Code has not been sought from the Internal Revenue Service.

**UNIVERSAL BEAUTY PRODUCTS, INC.
401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2016**

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2013.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 12, 2017, which is the date the financial statements were available to be issued.

Subsequent to year end, the Plan was amended as follows:

Effective January 1, 2017, the date that a participant qualifies for matching and profit sharing contributions is the date that the eligibility requirement is satisfied.
