Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Ohio Gastroenterology Group, Inc. Defined Benefit Plan as of and for the years ended December 31, 2016 (liquidation basis) and 2015 (on-going) and the changes in its financial status for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis of Accounting

As described in Note A to the financial statements, the Directors' of Ohio Gastroenterology Group, Inc. Defined Benefit Plan on April 19, 2017, approved termination of the Plan effective June 30, 2017, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2015 financial statements to the liquidation basis used in presenting the 2016 financial statements. Our opinion is not modified with respect to that matter.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule Form 5500 Schedule H, line 4i – Schedule of Assets (Held at End of Year) referred to as “supplemental information” are presented for the purpose of additional analysis and is not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.
