## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee  
Eye Partners, PC 401(k) Profit-Sharing Plan  
Dothan, AL

### Report on the Financial Statements

We have audited the accompanying financial statements of Eye Partners, PC 401(k) Profit-Sharing Plan, which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Eye Partners, PC 401(k) Profit-Sharing Plan as of December 31, 2016 and 2015, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**NOTE A – DESCRIPTION OF THE PLAN**

The following description of Eye Partners, PC 401(k) Profit-Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Eye Partners, PC (the “Company”) who have one year of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings.

Contributions

Each year participants may contribute up to 100% of their compensation, as defined in the Plan, up to the maximum elective deferral allowed under the Internal Revenue Service (IRS) rules and regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, common stocks, bonds, government securities, and an insurance investment contract as investment options for participants.

The Company currently makes a safe harbor nonelective contribution of 3% of a participant’s compensation for all employees eligible to participate in the plan, without regard to participant contributions.

Each year, the Company may contribute also to the Plan’s Trust Fund out of its current or accumulated net profits a nonelective contribution to a select group or groups of non-highly compensated participants eligible for an allocation. The profit sharing contribution can be made as a flat dollar amount, a pro rata percentage of compensation, or a pro rata percentage of elective contributions. The amount of the contribution is determined by a resolution of the Company’s board of directors. Contributions are subject to certain limitations.

Participants must be employed as of the last day of the Plan year to receive nonelective contributions.

Participants Accounts

Each participant’s account is credited with the participant’s contributions and allocation of the employer’s contributions and earnings or losses on investments. Allocations are based on participants’ earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their voluntary contributions and safe harbor nonelective contributions plus actual earnings thereon. Vesting in other contributions by the Company and earnings thereon is based on years of credited service. A participant is 100% vested after six years of credited service.

**NOTE A – DESCRIPTION OF THE PLAN Cont'd**

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear a reasonable rate of interest, commensurate with local prevailing rates at the inception of the loan. The loan term normally cannot exceed five years with payments due not less frequently than quarterly. Generally, the participant must agree to repay the loan by payroll deduction.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account or distributions in monthly or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

At December 31, 2016 and 2015, forfeited nonvested accounts totaled \$562 and \$6,565 respectively. Forfeited accounts are used to pay administrative expenses of the Plan then to reduce profit sharing contributions.

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Accounting Changes and Error Corrections

In July 2015, The FASB issued ASU 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): Part (1) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient. Part I eliminates the requirements to measure the fair value of fully benefit-responsive investment contracts and provide certain disclosures. Contract value is the only required measure for fully benefit-responsive investment contracts. Part II eliminates the requirements to disclose individual investments that represent 5% or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. Part III is not applicable to the Plan. The ASU is effective for fiscal years beginning after December 15, 2015. Parts I and II have been applied retrospectively.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2016 and 2015, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Cont’d**

Excess Contributions Payable

For the years ended December 31, 2016 and 2015, amounts payable to participants for contributions in excess of amounts allowed by the IRS was \$2,321 and \$2,603, respectively. These amounts are recorded as accounts payable on the financial statements. The excess amounts from 2015 has yet to be paid to the participants. Total excess contributions as of December 31, 2016 was \$4,924.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Eye Partners, PC provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses are paid directly by the Plan sponsor and include audit, accounting, and legal fees. Administrative expenses directly allocable to individual participant directed accounts are paid from the participant's account.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through October 11, 2017, which is the date the financial statements were available to be issued.

**NOTE C – FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs are observable market based inputs or unobservable inputs that are corroborated by market data and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for periods presented.

*Level 1 Fair Value Measurements*

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded. Unit investment trusts are carried at redemption value, which represents fair value.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2016 and 2015, are reported in net appreciation in fair value of investments.

The Plan’s policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of event or change in circumstance that caused the transfer. For the years ended December 31, 2016 and 2015, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

**NOTE D – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**

In 2011, one participant of the Plan entered into a guaranteed investment contract with Jackson National Life Insurance Company. Jackson maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The participant may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed investment contract meets the benefit responsive investment contract criteria, and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. The crediting interest rate is reviewed on an annual basis for vesting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the Plan's ability to transact at contract value with Jackson. Such events include (1) amendment of the Plan documents (including complete or partial Plan termination or merger with another plan, (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with the Plan participant are probable of not occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled contract date.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from the contract value.

TRANSACTIONS**

The Plan has contracted with Economic Group Pension Services, Inc. as third party administrator. Economic Group Pension Services, Inc was paid directly by the Plan Sponsor. In 2016 and 2015 the Plan paid fees for investment management services to T. Rowe Price of \$5,563 and \$2,450, respectively. Of the amount for 2016, \$1,917 is in accounts payable. The Plan Sponsor pays directly any other fees related to the Plan's operations.

**NOTE I – TAX STATUS**

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audit for any tax periods in progress.

**NOTE J – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statement of net assets available for benefits.

**NOTE K – PROHIBITED TRANSACTIONS**

As a result of a personnel matter, the participant payroll deferrals for April 20, 2016 and May 4, 2016 were not remitted to the trustee within the normal timeframe established by the Plan sponsor. All late remittances have been corrected.
