INDEPENDENT AUDITORS' REPORT

To the Plan Administrator

NEOCS RETIREMENT PLAN

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the NEOCS Retirement Plan (the "Plan") which comprise the statements of net assets in liquidation available for benefits as of December 31, 2016 and 2015, and the related statement of changes in net assets in liquidation available for benefits for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Bank of America, N.A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of December 31, 2016 and 2015 and for the year ended December 31, 2016, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

As discussed in Note 2 to the financial statements, on October 5, 2015 the Executive Committee of the Plan Sponsor voted to terminate the Plan effective December 31, 2015. In accordance with accounting principles generally accepted in the United States of America, the Plan is reporting on the liquidation basis of accounting. Our opinion is not modified with respect to that matter.

Other Matter

The supplemental schedule of assets (held at end of year) as of December 31, 2016 is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NEOCS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of the NEOCS Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document or Summary Plan Description, which are available from the plan administrator, for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all eligible employees of Northeast Ohio Cardiovascular Specialists, Inc. ("Company") who have reached age 18 and have completed 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions – The Plan was terminated at December 31, 2015 and no further contributions were made in 2016 (see Note 2).

Participant investment account options - Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers a variety of registered investment company securities ("mutual funds") and a common/collective trust fund as investment options for participants. Participants could also establish a self-directed brokerage account in which they could invest their funds in any investment desired, within certain specified limitations. There were no remaining self-directed brokerage accounts at December 31, 2016.

Participant accounts - Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocation of plan earnings and administrative expenses are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - The Plan was amended so that all plan participants became fully vested in their account balances, including unvested employer contributions, effective December 30, 2015 (See Note 2).

Notes receivable from participants - Effective November 1, 2015, the Plan is not permitted to issue any new loans to participants. Notes issued prior to November 1, 2015 are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator.

Payment of benefits – Based on the termination of the Plan, all participants were given the option to receive a lump sum distribution or to transfer their account balances to another qualified plan.

Forfeited accounts – At December 31, 2016 and 2015, forfeited nonvested accounts totaled \$47 and \$10,352, respectively. Forfeited accounts can be used to reinstate participant accounts, then to pay plan expenses. During the year ended December 31, 2016, forfeitures were used to pay admin expenses of the Plan totaling \$9,049 and participant accounts totaling \$1,317 were reinstated from forfeitures.

NEOCS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(2) Plan Termination

On October 5, 2015, the Executive Committee of the Plan voted to terminate the Plan effective December 31, 2015. The Plan was also amended so that all plan participants became fully vested in their account balances, including unvested employer contributions, effective December 30, 2015. In conjunction with the termination, all contributions were suspended and all participants were given the option of receiving a distribution (less applicable taxes and fees) or transferring their account balance to another qualified fund or account. The benefits accrued to the date of termination (i.e., participants' account balances) shall continue to be administered in accordance with the Plan agreement until the time of distribution. As a result, the net assets of the Plan will be allocated as prescribed by ERISA and its related regulations. The final distributions of the Plan's assets to its participants subject to the provisions of ERISA were completed by March 31, 2017. No part of the Plan assets shall be paid to the Company, except that, after the satisfaction of all liabilities under the Plan, any assets remaining are to be paid to the Company.

(3) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared under the liquidation basis of accounting due to the Sponsor's decision to terminate the Plan (see Note 2).

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 960-40-25-1 requires the financial statements to be prepared on the liquidation basis of accounting from the date the decision to terminate the plan is made. In addition, the authoritative guidance also states that the liquidation basis usually causes little or no change in the values of plan assets, because most plan assets are at current fair value. The change to the liquidation basis of accounting did not have a material effect on the financial statements.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value (except for the fully benefit-responsive investment contract (common collective trust) which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment trustee/custodian. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

(3) Summary of significant accounting policies (continued)

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2016 or 2015. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits - Benefits are recorded when paid.

Administrative expenses - Certain expenses of the Plan are paid by the Company and are not included in the statement of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

(4) Information prepared and certified by the trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Bank of America, N.A. ("Bank of America"), the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments and notes receivable from participants:

- Investments at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividends
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(5) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

NEOCS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(5) Fair value measurements (continued)

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value common collective trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

(5) Fair value measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2016 and 2015:

Investments at Fair Value as of December 31, 2016				
	Level 1	Level 2	Level 3	Total
Cash	\$ 11	\$ -	\$ -	\$ 11
Mutual funds	1,363,835	-	-	1,363,835
Total assets in the fair value hierarchy	<u>\$ 1,363,846</u>	<u>\$ -</u>	<u>\$ -</u>	1,363,846
Investments measured at NAV ^{(a)(b)}				<u>227,708</u>
Investments at fair value				<u>\$ 1,591,554</u>

Investments at Fair Value as of December 31, 2015				
	Level 1	Level 2	Level 3	Total
Cash	\$ 11	\$ -	\$ -	\$ 11
Mutual funds	11,553,154	-	-	11,553,154
Self-directed brokerage account	4,900,646	-	-	4,900,646
Total assets in the fair value hierarchy	<u>\$ 16,453,811</u>	<u>\$ -</u>	<u>\$ -</u>	16,453,811
Investments measured at NAV ^{(a)(b)}				<u>1,872,193</u>
Investments at fair value				<u>\$ 18,326,004</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(b) The fair value of the investments in the common collective trust have been estimated using the NAV of the investments. The common collective trust listed in the above charts is redeemed on a daily basis and does not have any redemption restrictions. Additionally, there are no unfunded commitments.

(6) Related party transactions and party-in-interest transactions

The Plan paid fees totaling \$11,584 in 2016 to Bank of America for recordkeeping services. Bank of America is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. The Company pays directly any other fees related to the Plan's operations.

The following is a reconciliation of employer contributions per the financial statements for the year ended December 31, 2016 to Form 5500:

Employer contributions per the financial statements	\$ -
Plus contributions receivable, at beginning of year	166,560
Less contributions receivable, at end of year	-
Employer contributions per Form 5500	<u>\$ 166,560</u>

(8) Tax status

The Internal Revenue Service ("IRS") has determined that the Plan and related trust are designed in accordance with applicable sections of the Internal revenue Code and informed the Company, of such in a letter dated March 31, 2014. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NEOCS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(9) Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(10) Subsequent events

The Plan has evaluated subsequent events through August 16, 2017, which is the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.
