Management Representation Letter	8 - 10

SUMMARY OF WHAT WE AGREED TO DO

Our Approach

As discussed with management, our audit plan represented an approach responsive to the assessment of risk for the KMM Retirement Plan's Defined Contribution Plan. Specifically, we designed our audit to:

- Issue a disclaimer in accordance with DOL regulation 29CFR 2520.103-8 on the financial statements of the Plan
- Issue this Audit Results Summary to management and those charged with governance

Areas of Audit Emphasis

- Management override of controls
- Revenue recognition
- Participant eligibility
- Participant data
- Participant accounts
- Participant loans
- Contributions
- Benefit payments

There were no significant changes to our planned approach of areas of audit emphasis.

REQUIRED COMMUNICATIONS

Auditing Standards AU-C Section 260 and other professional standards require the auditor to provide those charged with governance with information pertaining to the planned scope and timing of the audit, representations from management, and significant audit findings that may assist those responsible for overseeing the strategic direction of the entity and obligations related to the accountability of the entity, including the entity's financial reporting process. These required communications are summarized below.

Area	Comments
1. Auditors' Responsibilities under U.S. Generally Accepted Auditing Standards	
As stated in our engagement letter dated April 15, 2017, our responsibility, as described by professional standards, is to issue a disclaimer of opinion, as permitted by DOL regulations, on the Plan's financial statements. Our audit of the financial statements does not relieve you or management of your respective responsibilities. Our responsibilities, as prescribed by professional standards, are to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal controls of the Plans solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control. We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.	Management will acknowledge its responsibility for the Plan's financial statements by signing the letter of representations addressed to Dorfman Abrams Music, LLC. We will issue a disclaimer of opinion, as permitted by DOL regulations, on the Plan's financial statements as of December 31, 2016 and for the year then ended. Our audit opinion will be dated October 6, 2017.
2. Planned Scope and Timing of the Audit	We performed the audit according to the planned scope and timing previously communicated to you.

REQUIRED COMMUNICATIONS (continued)

Area	Comments
3. Qualitative Aspects of the Plan's Significant Accounting Practices – Significant Accounting Policies Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by KMM Retirement Plan are described in Note 2 to the financial statements.	**New Accounting Policies** There were no new accounting policies adopted in 2016. **Lack of Authoritative Guidance** We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. **Period of Recognition** There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred. **Significant Unusual** There are no significant unusual or nonrecurring accounting transactions.
4. Qualitative Aspects of the Plan's Significant Accounting Practices – Significant Accounting Estimates Accounting estimates are an integral part of the financial statements prepared by management and are based upon management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.	The most sensitive accounting estimate affecting the financial statements was: • Fair Value Measurements

REQUIRED COMMUNICATIONS (continued)

Area	Comments
5. Qualitative Aspects of the Plan's Significant Accounting Practices – Financial Statement Disclosures	
Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to the financial statement users.	The disclosures in the financial statements are neutral, consistent, and clear.
6. Significant Difficulties Encountered During the Audit	We encountered no significant difficulties in performing and completing our audit.
7. Uncorrected and Corrected Misstatements	
For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures.	There were no material misstatements noted.
8. Fraud and Illegal Acts	
We are to report to the Board of Directors fraud and illegal acts involving senior management and fraud and illegal acts (whether caused by senior management or other employees) that cause a material misstatement of the financial statements.	None noted.
9. Other Information in Documents Containing Audited Financial Statements	
Pursuant to professional standards, our responsibility as auditors for other information in documents containing the Plan's audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such information. Our responsibility also includes communicating to you any information, which we believe is a material misstatement of fact.	To our knowledge, the Plan's audited financial statements will not be included in any document issued by the Plan, other than accompanying the filing of the Form 5500.

REQUIRED COMMUNICATIONS (continued)

Area	Comments
10. Disagreements with Management	
For purposes of this letter, professional standards define a disagreement with management as a financial, accounting, reporting, or auditing matter, whether or not resolved to our satisfaction that could be significant to the financial statements or the auditors' report.	No such disagreements arose during the course of our audit.
11. Management Representations	We have requested certain representations from management that are included in the management representation letter dated October 6, 2017.
12. Management's Consultation with Other Accountants	
In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves the application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts.	Management has informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.
13. Other Significant Findings or Issues	
In the normal course of our professional association with KMM Retirement Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plans and business plans and strategies that may affect the risks of material misstatement.	None of the matters discussed resulted in a condition to our retention as the Plan's auditors.
14. Communication of Internal Control Related Matters Identified in an Audit	
We are required to communicate in writing to management and those charged with governance control deficiencies identified during an audit that upon evaluation are considered significant deficiencies or material weaknesses.	See **Communication of Internal Control Related Matters** section.

REQUIRED COMMUNICATIONS (continued)

Area	Comments
15. Independence Generally accepted auditing standards require independence for all audits. The auditor should communicate to those charged with governance circumstances or relationships (for example, financial interests, business or family relationships, or non-audit services provided or expected to be provided) that in the auditor's professional judgment may reasonably be thought to bear on independence and that the auditor gave significant consideration to in reaching the conclusion that independence had not been impaired.	We are not aware of any relationships between Dorfman Abrams Music, LLC and KMM Retirement Plan that, in our professional judgment, may reasonably be thought to bear on our independence.

COMMUNICATION OF INTERNAL CONTROL RELATED MATTERS

In planning and performing our audit of the financial statements of KMM Retirement Plan as of and for the year ended December 31, 2016, in accordance with auditing standards generally accepted in the United States of America, we considered KMM Retirement Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by U.S. generally accepted auditing standards and did not include a consideration of internal control related to the information summarized in Note 4 to the financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on those financial statements.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or a combination of control deficiencies, that adversely affects the organization's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Plan's financial statements that is more than inconsequential will not be prevented or detected by the Plan's internal control.

A material weakness is a significant deficiency, or a combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the first paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above. However, we identified the following deficiency in internal control that we consider to be a significant deficiency.

Failure to document authorization of salary increases

During our test of participant data, we noted one instance where an employee's salary was significantly higher than the amount of the employee's salary reported on the 2015 company-wide salary increase schedule. However, no other formal pay rate authorizations could be located to support the additional increases the employee received. Consequently, it cannot be verified if the pay rate increases were properly authorized by management. The Company currently has adequate controls to document pay rate changes, using an online Payroll Change Notice that requires approval from the HR Manager and Department Head and is maintained in the employee's electronic file. The Company has also recently begun providing letters and/or emails to employees to formally notify them of pay rate changes.

This communication is intended solely for the information and use of the Board of Directors and is not intended to be, and should not be, used by anyone other than these specified parties.

This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of KMM Retirement Plan, which comprise the statements of net assets available for benefits and of accumulated plan benefits as of December 31, 2016 and 2015, and the related statements of changes in net assets available for benefits and of changes in accumulated plan benefits for the years then ended, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole.

As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Reliance Trust Company, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule as a whole. Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.
