Note 1. Plan Description

The following description of the Shentel Management Company 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution retirement plan covering substantially all eligible employees of Shentel Management Company (the "Company") and its affiliates. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility:

All full and part-time employees are eligible to participate in the Plan upon completion of 60 days of service. Participation begins on the first day of the month following the date the eligibility condition is satisfied. Participants are eligible for matching contributions after one year of service with at least 1,000 hours. After sixty days of service, participants receive the Company's discretionary contributions.

Contributions:

Each year, participants may contribute up to 100% of pretax annual compensation, as defined by the Plan, up to the maximum allowed by law. Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Employees are automatically enrolled at an initial 4% of compensation deferral rate. In addition, the initial automatic deferral amount shall increase by 1% of compensation per year up to a maximum of 8% of compensation. All voluntary contributions are made by payroll deductions. The Company matches employee contributions in amounts equal to 100% of each employee's contributions on the first 2% of regular compensation and 50% on the next 2% of regular compensation (excluding overtime and bonus). The Company also makes a safe harbor contribution of 3% of employees' regular compensation (excluding overtime and bonus) each year. In addition, the Company made discretionary contributions of 2% of employees' regular compensation (excluding overtime and bonus) in 2016 and 2015.

Effective January 1, 2016 the Plan was amended to allow Roth contributions.

Participant accounts:

Each participant's account is credited with the participant's contributions, the Company's matching and additional contributions, and allocations of Plan earnings and charged with an allocation of administrative fees. Allocations are based on participant account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1. Plan Description (Continued)

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. A participant is 100% vested in employer contributions after three years of continuous employment with at least 1,000 hours of service per year.

Payment of benefits:

Upon termination of service, attainment of retirement age, or in the case of death or disability, participants may receive their accrued benefits in a single lump sum that can be rolled over into another qualified plan or paid in cash to the participant. Participants age 59½ or older may receive in-service withdrawals from their deferral and employer funded accounts. Hardship withdrawals are also permitted, subject to provisions described in the Plan document.

Notes from participants:

Participants may borrow from their accounts an amount greater than \$1,000 but not to exceed the lesser of \$50,000 or 50% of their vested account balance. Note terms range from one year to five years or a longer period established when the loan is negotiated for the purchase of a primary residence. Notes are secured by the balance in the participant's account and bear interest at a rate commensurate with market rates for similar notes as defined in the Plan. For the year ended December 31, 2016, interest rates ranged from 4.25% to 4.50%. Principal and interest are paid ratably through payroll deductions.

Forfeited accounts:

At December 31, 2016 and 2015, forfeited non-vested accounts totaled \$46,922 and \$7,741, respectively. Forfeitures from employer match accounts will be used to reduce future employer contributions to the Plan. In 2016, forfeitures of \$22,015 were used to reduce employer contributions.

Note 2. Significant Accounting Policies

Basis of accounting:

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 2. Significant Accounting Policies (Continued)

Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes from participants

Notes from participants are valued at the principal amount outstanding plus accrued interest.

Administrative expenses:

Plan fees and administrative expenses are paid by the Plan and Company on a discretionary basis.

Benefit payments:

Benefits are recorded when paid.

Subsequent events:

Subsequent events have been evaluated through October 5, 2017; the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3. Fair Value Measurements (Continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

		Fair Value Measurements at Reporting Date Using:	
		Fair Value	Quoted Prices In Active Markets For Identical Assets (Level 1)
<u>December 31, 2016</u>			
Mutual funds	\$ 80,716,122	\$ 80,716,122	
	<u>\$ 80,716,122</u>	<u>\$ 80,716,122</u>	
<u>December 31, 2015</u>			
Mutual funds	\$ 46,182,075	\$ 46,182,075	
	<u>\$ 46,182,075</u>	<u>\$ 46,182,075</u>	

Level 1 Fair Value Measurements

The fair values of the mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Note 4. Related Party Transactions

Certain administrative functions are performed by employees of the Company. These employees are also Plan participants. No such employee receives compensation from the Plan.

Plan participants invest in funds held or managed by the Plan Trustee, as well as other investment management companies. Investments in funds issued and managed by the Trustee are considered related-party transactions. Fees paid to the Trustee by the Plan for administrative services were \$19,086, net of \$433 in rebates, for the year ended December 31, 2016.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 6. Tax Status

The Plan was restated and amended effective January 1, 2016 to an approved prototype plan sponsored by T. Rowe Price Retirement Plan Services, Inc. Plan Document Systems. The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the *IRC* and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 8. Agreement and Plan of Merger

On August 10, 2015, NTELOS Holdings Corp., a Delaware corporation, collectively with its subsidiaries, ("Holdings Corp.") entered into an Agreement and Plan of Merger ("Merger Agreement") with Shenandoah Telecommunications Company, a Virginia corporation ("SHEN"), a subsidiary of Shentel Management Company and Gridiron Merger Sub, Inc. ("SUB"), a Delaware corporation and wholly-owned subsidiary of SHEN, pursuant to which, at the effective time of the merger, SUB will merge with and into the Holdings Corp. with Holdings Corp. surviving the merger as a wholly-owned subsidiary of SHEN. NTELOS, Inc., a wholly-owned subsidiary of Holdings Corp., is the sponsor of the NTELOS, Inc. Savings and Security Plan. The terms of the Plan were unaffected by terms of the Merger Agreement.

On May 6, 2016 (the "Closing Date"), pursuant to the Merger Agreement, SUB merged with and into Holdings Corp., with Holdings Corp. becoming a direct, wholly-owned subsidiary of SHEN (the "Merger"). On this date, all eligible employees of Holdings Corp. became participants in the Shentel Management Company 401(k) Retirement Plan.

SHEN merged the NTELOS, Inc., Savings and Security Plan into the existing Shentel Management Company 401(k) Retirement Plan on December 30, 2016.
