October 11, 2017

To the Committee Members
Dick Peixoto Company 401(k) Profit Sharing Plan
Watsonville, California

We have conducted a DOL full-scope audit of the financial statements of Dick Peixoto Company 401(k) Profit Sharing Plan for the year ended December 31, 2016 and have issued our report thereon dated October 11, 2017. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated October 4, 2017. Professional standards also require that we communicate to you the following information related to our audit:

Our Responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated October 4, 2017, our responsibility, as described by professional standards and except as discussed in the first paragraph, is to express an opinion about whether the financial statements prepared by management with your oversight are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of your responsibilities.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our engagement letter.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Dick Peixoto Company 401(k) Profit Sharing Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We noted no particularly sensitive estimates.

The disclosures in the financial statements are neutral, consistent, and clear. We noted no particularly sensitive disclosures.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no misstatements noted during the performance of the audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 11, 2017.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Management Recommendations

Plan Amendment

It was noted that the Plan Adoption Agreement does not include California Grill. We would recommend that a Plan Amendment be made to include California Grill as it meets the requirements of a controlled group.

Census and Payroll Report

In a few instances we noted that the years of service worked per the census and payroll report did not appear to be correct based on the date of hire listed. We recommend Centera update these reports to accurately reflect the date of hire applicable for determining the years of service worked.

Plan Amendment

In a few instances we noted that employees that became eligible to enter the Plan between January and June were entered into the Plan on July 1st, however the Plan documents indicates that employees need to wait six months after they become eligible to enter the Plan and the Plan enrollment dates are on January 1st and July 1st. We recommend that Centera review a list of employees that become eligible for the Plan before July 1st to make sure the employees that are entering the Plan July 1st are eligible to enroll.

This information is intended solely for the use of the Trustees and management of Dick Peixoto Company 401(k) Profit Sharing Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Ken Chappell

INDEPENDENT AUDITORS' REPORT

To the Trustees
Dick Peixoto Company 401(k) Profit Sharing Plan
Watsonville, California

Report on the Financial Statements
We have audited the accompanying financial statements of Dick Peixoto Company 401(k) Profit Sharing Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015, and the related statements of changes in net assets available for benefits for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2016 and 2015, and the changes in net assets available for benefits for the year ended December 31, 2016, in accordance with accounting principles generally accepted in the United States of America.

Other Matter - Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2016 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1. DESCRIPTION OF PLAN

The following description of the Dick Peixoto Company 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees who have attained the age of 21, work over 1,000 hours, and have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Companies participating in the Plan include Dick Peixoto Company, Lakeside Organic Gardens LLC, and Pajaro Valley Irrigation, Inc. ("Companies").

Contributions: Participants in the Plan may elect to reduce their compensation by a specific percentage or dollar amount, up to 100% of their pretax annual compensation, and have that amount contributed to the Plan on a pre-tax basis as a salary deferral, subject to IRS limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may elect to contribute up to the maximum amount allowable, not to exceed $18,000 ($24,000 if over 50 years of age) for both 2016 and 2015. In addition, participants may make rollover contributions from individual retirement accounts (IRAs) and other qualified plans.

The Companies may make matching contributions each year in an amount specified by the Companies annually. For the years ended December 31, 2016 and 2015, the Companies elected to make the following matching contributions based on an employee's years of service and percentage of salary deferrals:

Years of Service:	
2-6 years	50%
over 6 years	100%
Maximum contribution	$2,000

For the years ended December 31, 2016 and 2015 the Companies made matching contributions of $71,859 and $68,319, respectively. Rollover contributions are not subject to matching contributions.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Contributions (Continued): The Companies may make contributions to the profit sharing portion of the Plan each year in an amount specified by the Companies annually, such amount not limited to the profits of the Companies. The contribution to each participant is determined based on the participant's percentage of total compensation. The Companies elected to not make profit sharing contributions for the years ended December 31, 2016 and 2015.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contributions, (b) Plan earnings, and (c) fees. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Notes Receivable from Participants: The Plan permits participants to borrow against their vested account balances. Participants can borrow, at a reasonable rate of interest, up to a maximum of 50% of their vested account balance or $50,000, whichever is less. Generally, loans must be repaid within five years.

Payment of Benefits: Upon termination of service for death, disability or retirement, a participant will be 100% vested in their account and the participant or his/her beneficiary may elect to receive the balance as a lump-sum distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his/her account as a lump-sum distribution or delay withdrawal until a future date.

The plan provides that if an employee separates and has a vested balance of less than $1,000, a lump sum distribution to the employee will be made to the employee as soon as administratively practicable. The employee can elect to receive the distribution or roll the distribution over into another retirement plan.

Administrative Expenses: Investment management fees and other fees related to investments of the Plan are paid either from the earnings of the Plan's investments or from forfeitures. All other expenses relating to the operation of the Plan are paid by the Companies.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's discretionary and matching contributions is based on years of continuous service in the Plan. A participant is vested after years of credited service per the following schedule:

Years of Vesting Service	Percent Invested
Less than two years	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six years or more	100%

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Forfeited Accounts: At December 31, 2016 and 2015, unallocated non-vested accounts totaled $2,182 and $1,435, respectively. Amounts forfeited by terminated participants will be used to reduce future employer contributions

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Notes Receivable from Participants: Participant loans are valued at their unpaid principal balances plus any accrued but unpaid interest.

Realized and Unrealized Appreciation (Depreciation): Realized and unrealized appreciation (depreciation) is based on the market value of the assets at the end of the Plan year compared to the market value of the assets at the beginning of the Plan year, or at the time of purchase for assets purchased/exchanged during the Plan year.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties: The Plan provides for various investment options in investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities and the level or uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 3. FAIR VALUE MEASUREMENTS

Following is a description of the valuation methodologies used for assets measured at fair value:

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily ("Net asset value") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016 and 2015:

	Assets at Fair Value as of December 31, 2016			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments at fair value:				
Money market fund	$ 37,023	$ --	$ --	$ 37,023
Mutual funds	1,324,873	--	--	1,324,873
Total investments	$ 1,361,896	$ --	$ --	$ 1,361,896

NOTE 3. FAIR VALUE MEASUREMENTS (Continued)

	Assets at Fair Value as of December 31, 2015			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments at fair value:				
Money market fund	$ 32,715	$ --	$ --	$ 32,715
Mutual funds	1,030,043	--	--	1,030,043
Total investments	$ 1,062,758	$ --	$ --	$ 1,062,758

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Financial Accounting Standards Board (FASB) issued guidance that clarifies the accounting for uncertainty in income taxes recognized in the Plan's financial statements. In addition, the guidance prescribes a comprehensive model for recognizing, measuring, presenting, and disclosing in the financial statements tax positions taken or expected to be taken on a tax return, including positions that the Plan is not subject to income taxes. In addition, it provides guidance on de-recognition, classification, interest and penalties, accounting for interim periods, disclosure, and transition. Only tax positions that meet the more likely than not recognition threshold at the effective date may be recognized upon adoption of guidance.

As of December 31, 2016 and 2015, the Plan has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Plan's tax years 2013 through 2016 remain open and could be subject to examination by tax jurisdictions.

NOTE 5. PARTY-IN-INTEREST

The custodian of the Plan is American Funds Service Company. The purchase by the Plan of certain proprietary funds sponsored by American Funds Service Company constitutes party-in-interest transactions which are allowable under the ERISA regulations.

NOTE 5. PARTY-IN-INTEREST (Continued)

Certain officers and employees of the Companies (who may also be participants in the Plan) perform administrative services related to the operation and financial reporting of the Plan. The Companies pay these individuals salaries and also pays other administrative expense on behalf of the Plan.

These transactions are not deemed prohibited party-in-interest transactions, because they are covered by statutory and administrative exemptions from the IRC and ERISA's rules on prohibited transactions.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE 7. SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through October 11, 2017, the date of the issuance of the financial statements.
