Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility on the 2016 Financial Statements

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2016 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Capital Bank and Trust Company (Capital Bank), except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that Capital Bank holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from Capital Bank as of December 31, 2016, and for the year then ended, that the information provided to the Plan administrator by Capital Bank is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2016 financial statements.

Other Matter - Supplemental Schedule

The supplemental schedule, Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2016, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedule.

Other Matter - 2015 Financial Statements

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Capital Bank. Their report, dated October 12, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by Capital Bank presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2016 financial statements and supplemental schedule, other than that derived from the information certified by Capital Bank, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Jonell Filtration Products, Inc. 401(k) Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan and was adopted by Jonell Filtration Group, Inc. (the Company) effective January 1, 2013, to provide deferred tax benefits, savings, and employer discretionary contributions to eligible employees. All active employees of the Company, excluding members of a collective bargaining unit and nonresident aliens with no United States source income, who have completed a minimum of 3 months of service with 160 hours in each of those months, and are at least 21 years of age, are eligible to participate in the Plan. Participants become eligible to participate on the first Plan entry date (first of each month) following completion of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible employees may elect to contribute, on a pretax basis, up to 100% of their eligible compensation to the Plan, not to exceed the limit under the Internal Revenue Code (IRC). In addition, eligible participants are permitted to make catch-up contributions up to the maximum allowed by the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company has elected to operate under an employer discretionary matching contributions provision whereby participants in the Plan receive a matching contribution equal to 100% of the participant's contribution up to 4% of annual compensation. In addition, the Company, at its discretion, may elect to make additional annual profit-sharing contributions to the Plan. Participants must be employed on the last day of the Plan year and have completed 1,000 hours of service during such year to be eligible for any profit-sharing contributions made for that Plan year. Profit-sharing contributions, if any, will be allocated to eligible participants in the ratio that each eligible participant's eligible compensation bears to the total eligible compensation paid to all eligible participants for the Plan year. Profit-sharing contributions will be invested at the discretion of participants. No profit-sharing contributions were made in 2016.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contributions and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

A participant becomes eligible for benefits at the normal retirement date (age 65), upon termination from the Company, or at the date the participant dies or becomes totally disabled. A participant may receive the value of the vested interest in their account as a lump-sum distribution or may elect to transfer all or a portion of the vested interest to the custodian, named fiduciary, or insurer of the participant's new employer. If the vested account balance is \$5,000 or less, the Plan administrator will direct the trustee that any amount exceeding \$1,000 be distributed to an Individual Retirement Account to the benefit of the participant.

Jonell Filtration Products, Inc. 401(k) Plan and Trust

Notes to Financial Statements

1. Description of the Plan (cont.)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based on years of continuous service. A participant is 0% vested after one year, 20% after two years, 40% after three years, 60% after four years, 80% after five years, and 100% vested after six years of credited service.

Forfeitures

At December 31, 2016 and 2015, there were no forfeited non-vested account balances. Forfeited balances of terminated participants' non-vested accounts are used to reduce future employer contributions or to offset Plan expenses. During the year ended December 31, 2016, no forfeited funds were used to offset contributions or reduce Plan expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Accounting Estimates

The preparation of financial statements in conformity with GAAP require the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Plan Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan document. Certain other administrative expenses of the Plan are paid by the Company. Investment fees are paid by the Plan in the form of reductions of net investment income earned by Plan participants.

Notes to Financial Statements

2. Summary of Significant Accounting Policies (cont.)

Recently Issued Accounting Pronouncements

In July 2015, the FASB issued ASU No. 2015-12, “*Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contributions Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*” (ASU 2015-12). Part I of this ASU clarifies that contract value is the only required measurement for Fully Benefit-Responsive Investment Contracts (FBRICs) and clarifies that indirect investments in FBRICs should no longer be reflected as FBRICs and therefore, should be reported at fair value.

Part II of this ASU eliminates the current GAAP requirements for plans to disclose individual investments that represent 5% or more of the net assets available for benefits, and the net appreciation or depreciation for investments by general type for both participant-directed investments and nonparticipant-directed investments. It also allows investments to be disaggregated by general type and eliminates the requirement to disaggregate investments by class. Further, significant investment strategies for an investment in a fund that files a Department of Labor Form 5500, *Annual Return/Report of Employee Benefit Plan*, as a direct filing entity when the plan measures that investment using the net asset value (NAV) practical expedient are no longer required.

Part III allows plans to measure investments and investment-related accounts as of a month-end date that is closest to the plan’s fiscal year-end, when the fiscal period does not coincide with a month-end. The provisions of this ASU are effective for financial statements issued for fiscal years beginning after December 15, 2015 with early adoption permitted. Parts I and II are to be applied retrospectively and Part III should be applied prospectively.

The Plan adopted Part II of ASU 2015-12. Parts I and III are not applicable to this Plan.

Subsequent Events

Management has evaluated subsequent events through October 12, 2017, which is the date the financial statements were available to be issued and there were no such events requiring adjustments to the financial statements or disclosures, as stated herein.

3. Certified Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company (Capital Bank) have provided certifications that the financial information included in the financial statements and supplemental schedule as of December 31, 2016 and 2015, and for the year ended December 31, 2016 provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedule as of December 31, 2016 and 2015, and for the year ended December 31, 2016 is covered by such certifications.

The Plan’s independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Jonell Filtration Products, Inc. 401(k) Plan and Trust

Notes to Financial Statements

4. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy the Plan's investment assets at fair value as of December 31, 2016 and 2015.

<i>December 31, 2016</i>	Level 1		Level 2		Level 3		Total
Mutual funds	\$	1,889,249	\$	-	\$	-	\$ 1,889,249
Total investments at fair value	\$	1,889,249	\$	-	\$	-	\$ 1,889,249

Notes to Financial Statements

4. Fair Value Measurement (cont.)

<i>December 31, 2015</i>	Level 1		Level 2		Level 3		Total
Mutual funds	\$	1,478,297	\$	-	\$	-	\$ 1,478,297
Total investments at fair value	\$	1,478,297	\$	-	\$	-	\$ 1,478,297

5. Income Tax Status

The Plan is based on the Volume Submitter Profit Sharing Plan sponsored by Datair Employee Benefit Systems, Inc. (Datair). The Internal Revenue Service (IRS) has opined and informed Datair by a letter dated March 31, 2014, that the Volume Submitter Profit Sharing Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

6. Party-In-Interest

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Plan investment assets are managed by American Funds from Capital Group, the recordkeeper for Capital Bank. These transactions and payments to American Funds for administrative fees, recordkeeping fees, and investment management fees qualify as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules.

7. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. Risks and Uncertainties

The Plan's investments include funds which invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks such as interest rate, market and credit risks.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.
