Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

WILBERT FUNERAL SERVICES, INC. EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The Wilbert Funeral Services, Inc. Employee Stock Ownership Plan is a stock ownership plan sponsored by Wilbert Funeral Services, Inc. ("Company" or "Employer"). Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The purpose of this Plan is to enable eligible employees of the Company and of any participating affiliates to share in the growth and prosperity of the Company and to provide participants with an opportunity to accumulate capital for their future economic security. A primary purpose of the Plan is to enable participants to acquire a proprietary interest in the Company. Consequently, the Plan is designed to be primarily invested in Employer Securities over the life of the Plan.

This Plan, effective as of January 1, 2015, is intended to qualify as an Employee Stock Ownership Plan, as defined in Section 4975(e)(7) of the Internal Revenue Code (hereinafter referred to as the "Code"). In addition, in accordance with Section 54.4975-11(a)(5) of the Treasury Regulations, this Plan also forms a portion of the Plan which is a Stock Bonus Plan, which is intended to qualify under Section 401(a) of the Code.

All Trust assets acquired under this Plan as a result of Contributions, income and other additions to the Trust will be administered, distributed, forfeited and otherwise governed by the provisions of this Plan which is administered by the Plan Committee for the exclusive benefit of Participants in the Plan and their Beneficiaries. It is intended that all benefits, rights and features of this Plan be uniformly available to all Participants

Eligibility

Each employee shall become eligible to participate in the Plan retroactively to the first day of the Plan Year during which the Employee has completed a Year of Service, measured during the Eligibility Computation Period. All employees who were employed by the Employer on the Effective Date of this Plan are automatically eligible to participate in this Plan as of the Effective Date. Upon the Employee so becoming eligible, participation shall be based on the total Covered Compensation paid to the Employee for the entire Plan Year during which the Employee becomes eligible to participate.

Except in the case of death, Disability or Retirement, a Participant will share in the allocation of Contributions and Forfeitures only if the Participant is still employed by the Employer on the last day of the Plan Year and has accumulated 1,000 or more Hours of Service during the Plan Year.

NOTE A - DESCRIPTION OF PLAN - continued

Contributions

For purposes of all Plan years beginning on or after January 1, 2016, contributions will be allocated in shares of Company Stock or paid in cash as of each Anniversary Date among the Accounts of Participants who meet the requirements of eligibility in the proportion that each such Participant's Covered Compensation bears to the total Covered Compensation of all such Participants for that year. Shares of Employer Securities released from the suspense Account by reason of the payment of interest and principal on a Securities Acquisition Loan shall be allocated as of each Anniversary Date among the Accounts of Participants in the Plan who meet the requirements of eligibility of the Plan, in the proportion that each such Participant's Covered Compensation bears to the total covered Compensation of all such Participants for that year.

Participant Accounts

The Plan Committee shall establish and maintain individual Accounts for each Participant in the Plan. The Company Stock Account of each Participant will be credited as of each Anniversary Date with the Participant's allocated share of Company Stock (including fractional shares) purchased and paid for by the Trust or contributed in kind by the Company, with Forfeitures of Company Stock and with stock dividends on Company Stock held in the Participant's Company Stock Account. As of December 31, 2016 and 2015, the Plan had 585 and 601 participants, respectively in the Plan.

Investments

All investments will be made by the Trustee only upon the direction of the Plan Committee. All purchases of Company Stock shall be made at no more than fair market value, as determined by the Plan Committee pursuant to a valuation analysis prepared by an Independent Appraiser.

Vesting

Participants become vested in benefits provided by the Plan based on years of services in accordance with the following vesting schedule.

Years	< 2	2	3	4	5	6 or more
Vesting percentage	0%	20%	40%	60%	80%	100%

Payment of Benefits

Upon separation from service with the Company due to retirement or termination, and if the participant's vested account balance is greater than \$5,000, the distribution of the Company Stock Account and Other Investments will be made in substantially equal annual installments over a period of five (5) years. For Participant's Company Stock Account and Other Investments Account with total vested value of \$5,000 or less, distribution shall be made in a lump sum. Under provisions of the Plan, the Company is obligated to repurchase participant shares which have been distributed. During 2016, active participants repurchased 16.24 shares from distributed participants at prices determined by independent appraisal.

WILBERT FUNERAL SERVICES, INC. EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN - continued

Forfeitures

Upon termination from employment by the Company, a participant's non-vested portion of Company contributions and earnings thereon is considered a forfeiture and is allocated to eligible participants using the same ratio as their annual compensation bears to the total aggregate compensation paid to all eligible participants. At both December 31, 2016 and 2015, the Plan maintained a \$0 balance in the forfeiture account and amounts allocated to participants during 2016 and 2015 were \$12 and \$0, respectively.

Put Option

Under Federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair market value of the stock. The Company can pay for the purchase with interest over a period not to exceed five years. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

Voting Rights

The Trustee receives instructions from the Plan Committee, and all Company Stock held by the Trust is voted by the Trustee in accordance with instructions from the Plan Committee. Notwithstanding the foregoing, the participant (or beneficiary) shall be entitled to direct the voting of any voting shares of Company Stock allocated to your Company Stock Account with respect to any vote required for the approval or disapproval of any corporate merger or consolidation, recapitalization, reclassification, liquidation, dissolution, or sale of substantially all the assets of a trade or business. In accordance with instructions from the Plan Committee, the Trustee shall vote any unallocated shares held by the Trust as well as any allocated shares for which a Participant has failed to give timely voting direction.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of these financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS**

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Concentrations, Risks and Uncertainties

The Plan's investments are primarily in the common stock of the Company. It is reasonably possible that changes in the Company could materially affect the Plan's investment in the common stock of the Company. Independent accountants audited the 2016 and 2015 financial statements of the Company and their report dated April 19, 2017 indicated that they were not aware of any material modifications that should be made to the financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Investment Valuation and Revenue Recognition

All accounts shall be valued as of the appropriate valuation Date. The Company or the Plan Committee may require other valuations from time to time as necessary. Any valuation of Company Stock contributed to or purchased by the Plan shall be determined by the Plan Committee based on a valuation by the Independent Appraiser.

The realized gain or loss on investments represents the difference between the proceeds at the transaction date and the cost or recorded value of the investment. Unrealized gains or losses on investments represent the net change at year-end between current value and the recorded value of the investments at the time of purchase or the beginning of the year, whichever is later.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Normal brokerage charges which are included in the cost of securities purchased (or charged to proceeds in the case of sales) shall be paid by the Trust. The Company shall pay all expenses in connection with the design, establishment, or termination of the Plan. The Trust shall pay all costs of administering the Plan and Trust, unless such expenses are paid by the Company.

Subsequent Events

The Plan Management has evaluated subsequent events for recognition and disclosure through October 10, 2017, which is the date the financial statements were available to be issued.

Effective April 14, 2017, the employee stock ownership plan was amended and restated to a qualified stock bonus plan and continue to be subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Coupled with this plan change was the appointment of a successor trustee.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Accounting Standards Change

In July 2015, FASB issued ASU 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient. Part II eliminates the requirements to disclose individual investments that represent five percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments of general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. Part I and Part III are not applicable to the Plan. ASU 2015-12 is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. Part II is to be applied retrospectively. The Plan has elected to adopt ASU 2015-12 early for the year ended December 31, 2016. Plan management does not believe that the adoption of the provisions of ASU 2015-12 had a material impact on the financial statements.

NOTE C - FAIR VALUE MEASUREMENTS AND INVESTMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair-value-measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs were only used when Level 1 inputs were not available.

Level 1 Fair Value Measurements

The fair value of investment in money market is based on quoted market prices of the shares held by the Plan at year-end.

WILBERT FUNERAL SERVICES, INC. EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE C - FAIR VALUE MEASUREMENTS AND INVESTMENTS - continued

Level 3 Fair Value Measurements:

The fair value of the Company common stock is based on an annual independent appraisal. This appraisal was based on a combination of the market and income valuation approaches consistent with prior years. The appraiser took into account historical and projected net earnings, market comparables, and applicable discounts and premiums.

The Company's Board of Directors determines the fair value measurement policies and procedures in consultation with the Company's chief financial officer. Those policies and procedures are reassessed at least annually to determine if the current valuation techniques are still appropriate. At that time, the unobservable inputs used in the fair value measurements are evaluated and adjusted, as necessary, based on current market conditions and other third-party information.

The following table presents a reconciliation of the 2016 beginning and ending balances of the fair value measurements using significant unobservable inputs (Level 3):

Beginning balance	\$ -
Purchases	5,000,041
Total gains included in changes in net assets available for benefits attributable to the change in unrealized gains relating to investments held at end of year	<u>364,517</u>
Ending balance	<u>\$ 5,364,558</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2016 and 2015, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 at the end of the reporting period. For the years ended December 31, 2016 and 2015, there were no transfers between Level 1 and Level 2, or into and out of Level 3.

During 2016, the Plan's investments in Company common stock (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$375,134.

NOTE D - ADMINISTRATION OF PLAN ASSETS

The Plan's assets, which consist principally of Company common stock, are held by the custodian. Company contributions are held and managed by the custodian, which invests cash received and dividend income and makes distributions to participants. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Administrative expenses for the custodial fees are paid directly by the Company.

WILBERT FUNERAL SERVICES, INC. EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE E - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

At December 31, 2016, the plan held 14,156 shares of Company Common stock and during 2016 and 2015 the Company made contributions to the plan in the amounts of \$500,000 and \$5,000,041, respectively. As the Company is the Plan sponsor, these transactions qualify as party-in-interest transactions. Additionally, the Company provides certain administrative services at no cost to the Plan.

All of the forgoing party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE F - PLAN TERMINATION

Although the Company has established the Plan with the bona fide intention and expectation that it will be able to make contributions indefinitely; nevertheless, the Company shall not be under any obligation or liability to continue its contributions or to maintain the Plan for any given length of time. The Company may in its sole discretion discontinue such contributions or terminate the Plan in whole or in part in accordance with its provisions at any time without any liability for such discontinuance or termination.

NOTE G - INCOME TAX STATUS

The Plan has received a determination letter from the Internal Revenue Services (IRS) dated September 13, 2017, stating that the Plan is qualified under the Internal Revenue Code (IRC) and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification.

Accounting principles generally accepted in the United States of America require Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability if the Plan has taken a significant uncertain position that more than likely not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
