**INDEPENDENT AUDITORS' REPORT**

To the Trustee of
AMS- A Medical Service, Inc. Employee 401(k) Plan

**Report on the Financial Statements**

We were engaged to audit the accompanying financial statements of AMS- A Medical Service, Inc. Employee 401(k) Plan (the Plan), which comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2016, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

***Basis for Disclaimer of Opinion***

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Reliance Trust Company, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the Reliance Trust Company held the Plan's investment assets and executed investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2016, that the information provided to the plan administrator by the custodian is complete and accurate.

***Disclaimer of Opinion***

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2016 financial statements referred to in the first paragraph.

***Basis of Accounting***

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

***Other Matter – Adoption of New Accounting Standard***

As discussed in Note 2 to the financial statements, in 2016 the Plan adopted the provisions of the Financial Accounting Standards Board Accounting Standards Update 2015-12, Plan Accounting: *Defined Benefit Pension Plans, Defined Contribution Plans, and Health and Welfare Benefit Plans*. Our opinion is not modified with respect to this matter.

***Other Matter – Supplemental Schedules***

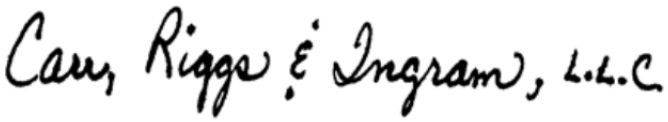

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2016, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

***Other Matter – 2015 Financial Statements***

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by State Street Bank and Trust Company. Their report, dated October 13, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements (modified cash basis) and (b) the form and content of the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Report on Form and Content in Compliance With DOL Rules and Regulations 2016**

The form and content of the information included in the 2016 financial statements and supplemental schedule, other than that derived from the information certified by the Reliance Trust Company, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**NOTE 1: DESCRIPTION OF PLAN**

The following description of the AMS- A Medical Service, Inc. Employee 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan established for the benefit of the employees of the following companies (collectively, the Company and Employer):

Nurses That Care Home Health Services, Inc.
Nurses That Care – Sitter Services
Nurses That Care Consulting Services, Inc.
Sun Valley Adult Health Care
Sun Valley Adult Day Care II

The original effective date of the Plan was October 1, 1994. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Eligibility***

Employees are eligible to begin participation in the Plan once they have reached the age of 21 and have completed six consecutive months of service. Employees' entry dates into the Plan are on the first day of the next month coinciding with or following the date in which employees have satisfied the eligibility requirements.

***Contributions***

Participants may contribute up to the maximum allowable limit of $18,000 in 2016 of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions ($6,000 in 2016). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may elect to make discretionary matching contributions of 10% of a participant's contribution to the Plan up to 6% of compensation. This contribution is credited to all participants actively participating in the Plan each pay period. Employee and employer contributions are invested according to employee investment elections.

The employer may also elect to make a discretionary profit sharing contribution determined by the employer each year. In order to receive an allocation of the profit sharing contribution, participants must have completed at least 500 hours of service during the Plan year. Contributions are subject to certain IRS limitations.

**NOTE 1: DESCRIPTION OF PLAN (Continued)**

***Participant Accounts***

Each participant's account is credited with the participant's voluntary contribution, an allocation of the Company's contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Forfeited Accounts***

Forfeiture accounts can be used to pay Plan administrative expenses or used to reduce any employer matching contributions. At December 31, 2016 and 2015, forfeited non-vested accounts totaled $8,073 and $11,221, respectively.

***Investment Options***

Upon enrollment into the Plan, participants select investment options designated within the Plan. Participants are responsible for directing the investment of their Plan assets. These investment options are more fully described in the Plan's literature. Participants may change their investment options at any time.

***Payment of Benefits***

Distributions from the Plan can be made in the form of a lump-sum, a partial distribution, or through the purchase of an annuity contract. Upon termination of service due to death, distributions will be made pursuant to the election of the participant or their designated beneficiary. In-service distributions are allowed for participants who have attained the age of 59 ½. Upon termination of employment, the participant will receive the vested portion of their account balance. Participant consent is required for balances in excess of $5,000. The Plan allows for hardship distributions not to exceed the amount of the immediate financial need if the withdrawal request is for a purpose delineated in the Plan document. The Plan document explains more detailed specifics on the payment of benefits.

***Vesting***

Each participant is 100% vested in his or her voluntary contribution account plus actual earnings thereon. Employer matching and profit sharing contributions are discretionary contributions and are vested according to the following schedule:

| Vesting Schedule | |
|---|---|
| Years of Service | Percentage |
| 1 | 20% |
| 2 | 40% |
| 3 | 60% |
| 4 | 80% |
| 5 | 100% |

**NOTE 1: DESCRIPTION OF PLAN (Continued)**

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses. Outstanding notes receivable from participants are secured by the balance in the participant's account. Interest rates are based on the Prime Rate (currently 3.50%) plus 1%. A participant can have three loans outstanding at any time. Loan terms generally have a term of 12 to 60 months. Principal and interest is paid ratably through payroll deductions.

**NOTE 2: SUMMARY OF ACCOUNTING POLICIES**

***Basis of Accounting***

The accompanying financial statements of the Plan are prepared under the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. The modified cash basis of accounting uses elements of both the cash basis and accrual basis of accounting. Under the modified cash basis of accounting, the Plan records short-term items on the cash basis (participant and employer contributions; benefit payments; and administrative expenses) and long-term items on the accrual basis (notes receivable from participants and related interest income). Investment securities are recorded at fair value under the modified cash basis of accounting.

***Adoption of New Accounting Standard***

In July 2015 the Financial Accounting Standards Board issued Accounting Standards Update 2015-12 ("ASU 2015-12") Plan Accounting: Defined Benefit Pension Plans, Defined Contribution Plans, and Health and Welfare Benefit Plans, which included new reporting and disclosure requirements for employee benefit plans. Under ASU 2015-12, fully-benefit responsive investment contracts are reported at contract value only, with no adjustment for estimated fair value. Additionally, the ASU eliminates the requirements to disclose individual investments that represent 5 percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type.

It also simplifies the level of disaggregation of investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset.

Comparative financial statements and disclosures of prior years have been adjusted to apply the new requirements retrospectively. There was no effect on previously reported net assets due to the adoption of this new accounting standard.

**NOTE 2: SUMMARY OF ACCOUNTING POLICIES (Continued)**

***Notes Receivable from Participants***

In accordance with FASB ASU No. 2010-25, loans to participants are classified as notes receivable from participants and are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2016, an allowance for uncollectible loans in the amount of $14,311 has been recorded. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

***Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan sponsor to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Payment of Benefits***

Benefits are recorded when paid.

***Excess Contributions***

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are included in benefits paid to participants in the year paid. The Plan distributed the 2016 excess contributions to the applicable participants prior to March 15, 2017.

***Operating Expenses***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are deducted from the loan taken out by the participant. Fees related to benefit withdrawals are deducted from the benefit payment.

**NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIANS (UNAUDITED)**

The following is a summary of the Plan's financial information that is included in the financial statements and supplemental schedule based on information certified by State Street Bank and Trust and The Reliance Trust Company pursuant to 29 CFR Section 2520.103-5(c) as complete and accurate:

**NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIANS (UNAUDITED) (Continued)**

a) Total investments, at fair value, included in the statements of net assets available for benefits at December 31, 2016 and 2015;
b) Investment income information included in the statement of changes in net assets available for benefits for the year ended December 31, 2016;
c) All amounts included in Note 4, *Fair Value Measurements (Unaudited)*;
d) All amounts included in Note 6, *Transactions With Parties-in Interest* (except for notes receivable from participants); and
e) The schedule of assets (held at end of year) as of December 31, 2016.

**NOTE 4: FAIR VALUE MEASUREMENTS (UNAUDITED)**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

***Level 1 Fair Value Measurements***

Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities in active markets that the Plan has the ability to access.

***Level 2 Fair Value Measurements***

Inputs to valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted market prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

***Level 3 Fair Value Measurements***

Inputs that are unobservable for the assets or liabilities, which are typically based on the Plan's own assumptions, as there is little, if any, related market value.

**NOTE 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value as well as the general classification of such items pursuant to the fair value hierarchy of ASC 820:

*Mutual Funds.* The fair value of mutual funds is based on amounts reported in the active market and are classified within Level 1 in the fair value hierarchy table.

*Common/Collective Trusts.* Unit values for these investment options are calculated daily by the custodian. The initial pricing input is the net asset value (NAV), which is based on the fair value of the underlying investments held by the fund less its liabilities. Participant shares may be redeemed on a daily basis. The common/collective trust funds are subject to withdrawal risk if a significant withdrawal of capital from the portfolio occurs. In cases such as these, the portfolio may be required to sell its more liquid portfolio investments to meet a large redemption, which could result in the portfolio's remaining assets being less liquid, more volatile, and more difficult to price. The custodian (State Street Bank and Trust Company) has the authority to limit redemptions from the portfolio. Any limitation on redemptions may be imposed in response to market factors or actual or anticipated redemption activity, which may occur suddenly or unpredictably. Therefore, in these situations, the Plan may not be able to redeem its investment in the portfolio at any particular time or on the terms it may otherwise expect. Strategies of the common/collective trust funds seek to track the performance of various indexes such as the S&P Mid Cap 400, S&P 500, Russell 2000, and MSCI EAFE Index. Another common/collective trust seeks to preserve principal and provide interest income under prevailing market rates and conditions. There are no unfunded commitments related to the investments and no other significant restrictions on the ability to sell the investments. Investments within this category are classified within Level 2 of the fair value hierarchy table below.

**NOTE 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)**

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2016 and 2015:

| December 31, 2016 | Fair Value | Quoted Prices in Active Markets for Identical Assets Level 1 | Significant Other Observable Inputs Level 2 |
|---|---|---|---|

**NOTE 5: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to change, amend or discontinue the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**NOTE 6: TRANSACTIONS WITH PARTIES-IN-INTEREST**

The Plan holds notes receivable from participants. As a result, these receivables and all transactions relating to these receivables were with parties-in-interest. These transactions are exempt from being prohibited transactions by ERISA.

Fees incurred by the Plan for administrative services such as investment management, audit and recordkeeping are paid outside of the Plan by the Plan sponsor. Participants pay a fee for recordkeeping and account maintenance, which is allocated to participant balances based on the proportion of the participant account balance to total account balances of the Plan. Participants also pay fees on transaction-specific items such as distributions and loans. The Plan has other expenses which are paid directly by the service providers, such as sales commissions. Total fees paid by the Plan totaled $12,042 for the year ended December 31, 2016.

In addition, the service providers receive revenue sharing compensation paid with respect to the various funds. These revenue sharing payments are reflected in total returns associated with investment options.

**NOTE 7: FEDERAL INCOME TAX STATUS**

The Plan has adopted a prototype standardized plan and the prototype sponsor has received an opinion letter on the acceptability of the form of the Plan dated March 31, 2014 indicating the Plan is a qualified plan meeting the applicable requirements of applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan sponsor and the Plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe the Plan is qualified, and the related trust is exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**NOTE 8: RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 9: SUBSEQUENT EVENTS**

Subsequent events have been evaluated through October 16, 2017, which is the date the financial statements were available to be issued.
