Independent Auditor's Report

To the Plan Administrator
Springfield Industrial Services
401(k) Retirement Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Springfield Industrial Services 401(k) Retirement Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2016, and the related statement of changes in net assets available for benefits for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Great-West Life & Annuity Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2016, and for the year then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter—Supplemental Schedules

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

Other Matter—2015 Financial Statements

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Great-West Life & Annuity Insurance Company, the trustee of the Plan. Their report, dated October 17, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditor's Report

To the Plan Administrator
Springfield Industrial Services
401(k) Retirement Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Springfield Industrial Services 401(k) Retirement Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2016, and the related statement of changes in net assets available for benefits for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Great-West Life & Annuity Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2016, and for the year then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter—Supplemental Schedules

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

Other Matter—2015 Financial Statements

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Great-West Life & Annuity Insurance Company, the trustee of the Plan. Their report, dated October 17, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to the Financial Statements
December 31, 2016 and 2015

NOTE A – DESCRIPTION OF PLAN

The following brief description of the Springfield Industrial Services 401(k) Retirement Plan (the Plan) is provided for general information purposes. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution 401(k) plan covering substantially all employees of The Champion Company and Kreider Corporation (collectively, the "Companies"), a controlled group of corporations as defined by the Internal Revenue Code Section 414(c). Employees are eligible to participate in the Plan and to receive an allocation of company contributions after reaching the age of 21 and 90 days service at the Companies. Upon satisfaction of the eligibility requirements, employees may enter the Plan on the first day of the pay period following the date in which the eligibility requirements were met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is qualified under the Internal Revenue Code (Code).

Transfer Out to Corrotec, Inc. 401(k) Retirement Plan

As of December 31, 2015, the Plan covered employees of Corrotec, Inc., a corporation related to The Champion Company through common ownership. On February 2, 2016, the owners of Corrotec, Inc. elected to sell the business to a third-party purchaser. As a result of the acquisition, investments balances held in the Plan by employees of Corrotec, Inc. in the amount of \$712,516 were transferred to another plan.

Contributions

Each year, participants may elect to defer pre-tax or "Roth" after-tax contributions up to the maximum amount allowed by law. Roth 401(k) contributions are included as taxable income to the employee. Earnings on the Roth 401(k) contributions will accumulate tax free, and retirement withdrawals may be exempt from federal income tax. Employees with existing qualified retirement plans (pre-tax) or Roth 401(k) accounts with a prior employer may transfer or roll-over those accounts into the Plan upon becoming a participant in the Plan. Participants that are age 50 or older and make the maximum allowable deferral to the Plan are entitled to contribute an additional "catch-up contribution". Participants may direct investment of their account balances into various investment options offered by the Plan. The Plan has automatic enrollment for all employees who meet the eligibility requirements. An automatic deferral election of 3% will be withheld if an election is not made by the date the participant becomes eligible.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

The Plan also provides for the Companies to make discretionary contributions. The Companies will make matching contributions equal to 25% of participant elective deferrals, up to 6% of compensation for all participants that have completed the eligibility requirements as defined by the Plan. The matching contribution is made to participants' accounts for both pre-tax contributions and Roth 401(k) contributions. The Company's matching contributions for the year ended December 31, 2016 totaled \$44,220.

Participant Accounts

Great-West Life & Annuity Insurance Company is trustee and custodian of the Plan's investments as of December 31, 2016. Each participant's account is credited with the participant's contributions, allocations of the Companies' contributions and plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferral contributions, rollovers, employer safe harbor contributions and discretionary contributions plus any earnings they generate. Employer matching contributions to the Plan plus any earnings they generate vest at 20% each year and are fully vested after five years of service.

Notes Receivable from Participants

Participant loans are not permitted under the Plan.

Payment of Benefits

Participants become eligible for benefit payments upon retirement, termination of employment, disability or death. Additionally, the Plan provides for in-service distributions after a participant has reached age 59 ½ and after their account is fully vested. Participants may also receive distributions from the employee deferral or rollover balance for qualified financial hardships. Distributions may be made as a single lump-sum payment, partial withdrawals of at least \$1,000, or installments over a period of not more than the participants' assumed life expectancy (or the assumed life expectancies of the participant and their beneficiary). Vested account balances that do not exceed \$5,000 may only be distributed in a single lump-sum payment.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Plan Termination

Although it has not expressed any intent to do so, the plan administrator has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, participants will become 100% vested in the employer matching and safe harbor contributions.

Forfeitures

Forfeitures resulting from the non-vested portion of participants' accounts who terminate prior to being fully vested are generally used first to reduce employer contributions to the Plan. At December 31, 2016 and 2015, forfeitures totaled \$19,924 and \$16,640, respectively. For the year ended December 31, 2016, \$1,838 was used to reduce employer contributions.

Expenses of the Plan

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments. Administrative expenses paid by the Plan totaled \$12,753 for the year ended December 31, 2016.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments held by the Plan are reported at fair value (except for fully-benefit responsive investment contracts which are held at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefit payments are recorded when approved.

Recent Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-07, Disclosures for Investments in Certain Entities that Calculate Net Asset Value Per Share (or its Equivalent), (ASU 2015-07). ASU 2015-07 removes the requirement to categorize within the fair value hierarchy investments for which fair values are estimated using the net asset value practical expedient provided by ASC No. 820, Fair Value Measurement. Disclosures about investments in certain entities that calculate net asset value per share are limited under ASU 2015-07 to those investments for which the entity has elected to estimate the fair value using the net asset value practical expedient. ASU 2015-07 is effective for the Plan for fiscal years beginning after December 15, 2016, with retrospective application to all periods presented. Early application is permitted. The Plan has elected to adopt ASU 2015-07 early, the changes have been applied retrospectively to these financial statements.

In July 2015, the FASB issued ASU 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient. Part I of the ASU 2015-12 eliminates the requirements to measure the fair value of fully benefit-responsive investment contracts and provide certain disclosures. Contract value is the only required measure for fully benefit-responsive investment contracts. Part II of the ASU 2015-12 eliminates the requirements to disclose individual investments that represent 5 percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. It also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks.

Notes to the Financial Statements

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recent Accounting Pronouncements (Continued)

Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. The ASU 2015-12 is effective for fiscal years beginning after December 15, 2015, Part III of the ASU 2015-12 is not applicable to the Plan. Parts I and II are to be applied retrospectively. The Plan has elected to adopt Parts I and II on January 1, 2016, the changes have been applied retrospectively to these financial statements.

NOTE C – INVESTMENTS (INFORMATION CERTIFIED BY THE PLAN TRUSTEE)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, all investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2016 and 2015, net appreciation in fair value of investments, and dividends and interest for the year ended December 31, 2016, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE D – FAIR VALUE MEASUREMENTS

Accounting Standards Codification Topic 820, *Fair Value Measurements* (ASC Topic 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

- | | |
|----------------|---|
| <i>Level 1</i> | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| <i>Level 2</i> | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets; |

Springfield Industrial Services 401(k) Retirement Plan
Notes to the Financial Statements
December 31, 2016 and 2015

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Fully benefit responsive investment contracts: The fair value of the investments in the fixed annuity contracts is determined by the fund trustee based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. The fair value of the investment contract, prior to contract termination, equals the contract value.

Mutual funds: Mutual funds are stated at fair value as defined by observable quoted prices in active markets (Level 1) or by quoted prices for similar assets in active markets (Level 2).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan administrator believes the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016:

	Level 1	Level 2	Level 3	Total
Fully benefit responsive investment contracts ^(a)	\$ -	\$ -	\$ -	\$ 1,033,553

(a) In accordance with Subtopic 820-10, certain investments that were measured contract value (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items in the statement of net assets available for benefits.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015:

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items in the statement of net assets available for benefits.

NOTE E – INVESTMENT CONTRACT WITH INSURANCE COMPANY

As of December 31, 2016, the Plan held a group annuity contract with Great-West Life & Annuity Insurance Company. The group annuity contract, Key Guaranteed Portfolio Fund, is a fixed account that is part of the general account of Great-West Life & Annuity Insurance Company. The methodology for calculating the interest credit is based on the earnings of the underlying assets in the entire medium long-term new portfolio compared to the minimum interest crediting rate (which will never be less than 0% as stated in the contract), and prevailing market conditions. The interest crediting rate is reset quarterly. At December 31, 2016 and 2015, the Key Guaranteed Portfolio Fund's contract value equaled \$1,033,553 and \$1,176,739, respectively.

Springfield Industrial Services 401(k) Retirement Plan
Notes to the Financial Statements
December 31, 2016 and 2015

NOTE E – INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Certain events limit the ability of the Plan to transact at contract value with the insurance company and the financial institution issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such events that would limit the Plan's ability to transact at contract value with participants is probable. The average yield earned by the Plan is derived by averaging the quarterly gross interest rates for the fund over the year. That average for 2016 was 1.16%. The actual average yield earned by the Plan is derived by averaging the Plan's quarterly interest rates. That average for 2016 was 1.16%.

NOTE F – TAX STATUS

The plan sponsor obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that are more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in process. The plan administrator believes it is no longer subject to income tax examinations for plan years prior to 2013.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – PARTIES-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Certain plan investments were in investment contracts managed by Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company is the trustee as of December 31, 2016, as defined by the Plan, and qualifies as a party-in-interest, however, they are exempt from the prohibited transactions rules under ERISA.

Certain administrative services are provided by the Companies at no cost to the Plan.

NOTE J – CORRECTIVE DISTRIBUTIONS

The Plan failed to pass the Average Deferral Percentage (ADP) Test for the plan years ended December 31, 2016 and 2015.

The accompanying statements of net assets available for benefits include a liability of \$2,490 and \$14,478 as of December 31, 2016 and 2015, respectively, related to the excess contributions payable to the participants. The Plan distributed these corrective distribution amounts to the participants within three months after the Plan's year end.

NOTE K – SUBSEQUENT EVENTS

In connection with the preparation of the Plan's financial statements as of December 31, 2016 and 2015 and for the year ended December 31, 2016, events and transactions subsequent to December 31, 2016 through October 12, 2017, which is the date on which the financial statements were available to be issued, have been evaluated by the plan administrator for possible adjustment and/or disclosure. No subsequent events requiring financial statement adjustment and/or disclosure have been identified.
