INDEPENDENT AUDITORS' REPORT

To the Trustee and Plan Administrator
Relief Enterprises, Inc. Health & Welfare Plan
San Jose, California

Report on the Financial Statements

We have audited the accompanying financial statements of Relief Enterprises, Inc. Health & Welfare Plan (the Plan), which comprise the statement of net assets available for benefits and of benefit obligations as of December 31, 2016, and the related statement of changes in net assets available for benefits and of changes in benefit obligations for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Plan as of December 31, 2016, and the changes in financial status for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2016 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Matter – 2015 Financial Statements

The 2015 financial statements were audited by GALLINA LLP, whose practice became part of CliftonLarsonAllen LLP as of January 1, 2017, and whose report dated October 5, 2016, expressed an unmodified opinion on those statements. As discussed in Note 10 to the financial statements, Plan management has adjusted its December 31, 2015 financial statements to correct an overstatement of benefit obligations. Gallina LLP reported on the financial statements before the retrospective adjustment.

As part of our audit of the December 31, 2016 financial statements, we also audited the adjustments to the December 31, 2015 financial statements as described in Note 10. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to Relief Enterprises, Inc. Health & Welfare Plan's December 31, 2015 financial statements other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the December 31, 2015 financial statements as a whole.

NOTE 1 DESCRIPTION OF PLAN

The following description of Relief Enterprises, Inc. Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan and Trust were established July 1, 2001 to provide health and other benefits to eligible participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Eligibility

Employees are eligible to participate in the Plan on the first day of the month following one month of continuous employment.

Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan management makes contributions to the Plan on their behalf. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions

The Company contributes to the Plan monthly based on an hourly funding formula. Employer contributions are recognized as income in the month the employees worked. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Benefits

The Plan provides medical, dental, vision, prescription drug coverage, life and supplemental accident, and dismissal wage/unemployment benefits for eligible participants and their beneficiaries. The Plan provides some benefits through various insurance contracts and some benefits via self-funding. Some self-insured benefits for select participants moved to a fully-insured arrangement effective April 1, 2016. The Plan also carries a stop-loss insurance policy which covers both specific and aggregate claims in excess of the deductibles as specified in the contract. Life and accidental death and dismemberment benefits are fully insured under the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Concentration of Credit Risk

The Plan's cash balances are held at two financial institutions located in California. Accounts at these institutions are insured by a government agency up to $250,000. At times the balance in these accounts may exceed the insured limit.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Interest income is recorded on the accrual basis.

Contributions Receivable

Employer contributions due but not paid at year end are recorded as contributions receivable. See Note 3.

Payment of Benefits

Premiums paid by the Plan are recorded as premium payments in the accompanying statements of changes in net assets available for benefits. Benefits are recorded when paid.

Utilization

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Insurance Premiums Payable

Insurance premiums payable are based upon the actual premiums due for December 31, 2016 and 2015, but paid by the Plan after year end.

Administrative Expenses

All administrative expenses may be paid out of the Plan unless paid by the Company. During the years ended December 31, 2016 and 2015, the Plan paid for substantially all administrative expenses, which consisted of administration fees, legal and accounting fees, and other miscellaneous expenses.

Dismissal Wage/Unemployment Benefits

The Plan offered dismissal wage/unemployment benefits to eligible participants upon termination of employment. This benefit was discontinued in a prior year and only three participants have remaining vested benefits as of December 31, 2016. Included in the accompanying statements of net assets are amounts available to provide dismissal wages/unemployment benefits as of December 31, 2016 and 2015, totaling $5,472 and $5,472, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan administrator believes the Plan does not have any net taxable income for the years ended December 31, 2016 and 2015, therefore, no tax liability is reflected in these financial statements.

Benefit Claims Incurred, But Not Reported

The obligation for benefit claims incurred, but not reported, is an estimate for self-funded benefits incurred on or prior to December 31, 2016 and 2015, but reported to and paid by the Plan after year end. As of December 31, 2016, the estimate was calculated based on the funding factor as noted in the insurance contract, with a maximum exposure limit. The funding factor contains certain assumptions pertaining to claims lag and historical claims data. As of December 31, 2015, the estimate was calculated based on certain assumptions pertaining to claims lag and historical claims data.

Reclassifications

Certain amounts in the 2015 financial statements have been reclassified to conform with the 2016 presentation. These reclassifications do not affect net assets available for benefits as previously reported.

Subsequent Events

The Plan has evaluated subsequent events through September 21, 2017, the date the financial statements were available to be issued.

NOTE 3 EMPLOYER CONTRIBUTIONS RECEIVABLE

During May 2009, the Company entered into an agreement ("the 2009 agreement") to pay a minimum of $25,000 per month to the Plan for the prior years' unpaid contributions balances.

As of December 31, 2015, the Plan recorded contributions receivable of $503,400. This represents contributions actually received by the Plan subsequent to December 31, 2015 through August 2016, for hours worked prior to December 31, 2015.

NOTE 3 EMPLOYER CONTRIBUTIONS RECEIVABLE (CONTINUED)

During the year ended December 31, 2015, the Company made payments of $594,291 for contributions due in both the current year and prior years. The Company owed the Plan $2,254,400 in contributions receivable as of December 31, 2015. Of this amount, $1,751,000 has been offset as doubtful accounts due to the uncertainty of collection.

As of December 31, 2016, the Plan recorded contributions receivable of $433,233. This represents contributions actually received by the Plan subsequent to December 31, 2016 through May 2017, for hours worked prior to December 31, 2016.

During the year ended December 31, 2016, the Company made payments of $1,170,111 for contributions due in both the current year and prior years. The Company owed the Plan $2,184,233 in contributions receivable as of December 31, 2016. Of this amount, $1,751,000 has been offset as doubtful accounts due to the uncertainty of collection.

The Company continues to owe the Plan a substantial amount of contributions for prior years. However, the Company has made payments of contributions necessary to fund the ongoing operations of the Plan through the date of this report.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2016 and 2015.

Money market funds: Valued at cost, which approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2016			
	Level 1	Level 2	Level 3	Total
Interest-bearing Cash	$ 203,906	$ -	$ -	$ 203,906

	2015			
	Level 1	Level 2	Level 3	Total
Interest-bearing Cash	$ 203,732	$ -	$ -	$ 203,732

NOTE 5 TAX STATUS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016 and 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 PLAN TERMINATION

The Plan shall remain in existence from year-to-year unless written termination notice is given by the Plan Management or Plan Administrator to the other at least 60 days prior to the anniversary date of effective coverage under the Plan.

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

FCE Benefit Administrators, Inc., the Plan's third party claims processor, received commissions and reimbursement of administrative fees from one of the Plan's insurance carriers for the years ended December 31, 2016 and 2015 of approximately $17,520 and $6,027, respectively. The insurance commissions and fees are paid by the insurance company and are not an expense of the Plan.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

The estimate for claims incurred but not reported is based on certain assumptions pertaining to claims lag and historical claims data. The liability recorded is the Plan's maximum exposure to the claims incurred but not reported. Should the Plan's claims totals be lower than the amount deposited into the funding factor account, the Plan may be entitled to receive a refund from the insurance company. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 9 STOP LOSS COVERAGE

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). The Plan maintained an insurance policy with Pan American Life Insurance Company during the year ended December 31, 2016. The policy provides reimbursement to the Plan for claim amounts paid in excess of the monthly funding factor for each participant. There is no limit on the maximum eligible claim expense per covered person under the policy. The insurance company is responsible for paying claims incurred in excess of the funding factor account balance, which totaled $149,810 as of December 31, 2016.

The Plan maintained an insurance policy with Gerber Life Insurance Policy during the year ended December 31, 2015. The policies contain two excess loss provisions. The first provision applies to individual participant claims, whereby when the claims paid on behalf of an eligible participant or beneficiary exceed $60,000, the insurance carrier will reimburse the Plan for 100% of the excess up to a maximum aggregate amount per person per policy period. The second provision involves aggregate plan claims, whereby when the total aggregate claims paid on behalf of all eligible participants or beneficiaries exceed a specified amount based on a percentage of employer contributions, the insurance carrier will reimburse the Plan 100% of the excess up to a maximum aggregate amount of $1,000,000, less the amount reimbursed for individuals under the specific individual policy noted above.

The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan or the general assets of the Company. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

NOTE 10 RESTATEMENT

The financial statements as of and for the year ended December 31, 2015 have been restated to remove the dismissal wage / unemployment benefits payable from the Plan’s statement of benefit obligations because the benefit is limited to the amount in the participant’s account, and the estimated liability for future benefits payable, as the provisions no longer apply to the Plan since prior to January 1, 2015. The effects of the adjustment were as follows:

	As Previously Reported	Adjustment	As Restated
Plan's Total Benefit Obligations, January 1, 2015	$ 101,948	$ (65,467)	$ 36,481

Plan's Total Benefit Obligations, December 31, 2015	102,538	(65,472)	37,066
