To the Administrative Committee of
the Employees Only 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Employees Only 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2016, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Lincoln National Life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2016, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2016 financial statements. Accordingly, we do not express an opinion on the 2016 financial statements referred to in the first paragraph.

Other Matter—Supplemental Schedules

The Schedule of Assets Held for Investment Purposes At Year End as of or for the year ended December 31, 2016, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial

statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Other Matter—2015 Financial Statements

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Lincoln National Life Insurance Company, the trustee of the Plan. Their report, dated October 12, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2016

The form and content of the information included in the 2016 financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

EMPLOYEES ONLY 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2016 AND 2015

NOTE 1 - DESCRIPTION OF PLAN

The following description of the *Employees Only 401(k)* (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan was established on August 1, 2013 as a voluntary defined contribution plan available to the members of Employees Only, Inc. (the Company), a professional employer organization ("PEO"). A PEO provides a comprehensive, bundled outsourcing solution, including payroll, human resources, benefits and workers' compensation to its clients. To reflect the co-employment relationship between the Company, its adopting affiliated companies, if any, and the other employers and employees, the Company deemed it advisable and in the best interests of the employees that the Plan qualify as a multiple employer plan. Employers in a multiple employer plan may have different benefit formulas for their participating employees. Accordingly, each adopting employer executes an adoption agreement with terms and conditions specific to such employer. Eligible employees of the Company and its adopting affiliated companies and other employers may enter the Plan on entry dates coinciding with or following the date on which those employees meet the eligibility requirements as outlined within their respective employer's adoption agreement. Those entry dates are generally on a quarterly basis. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants in the Plan may contribute an amount not to exceed 50% of their pretax annual compensation within the limits prescribed by the Internal Revenue Service (the IRS). Participants may also contribute amounts representing distributions from other qualified defined- benefit or contribution plans. For the years ended December 31, 2016 and 2015, individual participants' contributions were limited to \$18,000. Participants who are age 50 and older may also contribute an additional \$6,000 for the years ended December 31, 2016 and 2015.

An employer may, at its discretion, contribute a matching contribution computed as a percentage of the participants' elective contributions. Aggregated employer discretionary contributions amounted to \$69,096 and \$95,652 for the years ended December 31, 2016 and 2015, respectively.

The total of participant and employer contributions for a given year cannot exceed the lesser of \$53,000 or 100% of the employee's annual compensation.

Participant Accounts

Each participant account is credited with the participant's contribution and allocation of: (a) the Company's discretionary matching contribution and discretionary contribution (if any) and (b) Plan earnings or losses, including market value adjustments on Plan investments.

Allocations of earnings and losses are based on the proportion of the participant's account balance to the total account balances of all participants, as defined in the Plan document. All participant contributions are participant-directed and may be invested in one fund or allocated among different funds. Participants may change the allocation of contributions among funds pursuant to Plan provisions.

See Independent Auditor's Report and Financial Statements.

EMPLOYEES ONLY 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2016 AND 2015

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Allocation and vesting of benefits

Participants are immediately vested in their voluntary contributions plus actual earnings or losses thereon.

Vesting in any employer's contribution, plus any earnings or losses thereon, is based upon the number of years of continuous service as listed below:

Years of Service	Percent Vested
Less than 2	-
2, but less than 3	20
3, but less than 4	40
4, but less than 5	60
5, but less than 6	80
6 or more	100

Participant accounts become fully vested upon death, disability, or upon termination of the Plan.

Investment Options

Participants must direct their salary deferred contributions to several investment options offered through the Plan Custodian, Lincoln National Life Insurance Company (Lincoln), as made available and determined by the Plan Administrator. Those investment options consist of interests in pooled separate accounts and guaranteed funds. Interests in pooled separate accounts and guaranteed funds are units of participation that the Plan has in the underlying assets of the accounts and/or funds.

Notes Receivable from Participants

Plan participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans, which are collateralized by the balance in the participant's account, bear interest at prime, determined as of the date of the loan request, which was 4.25% as of December 31, 2015. Principal and interest are paid ratably through monthly payroll deductions. All loans are required to be repaid within a period of five years, except loans to acquire the participant's principal residence which must be repaid in a reasonable period of time, not to exceed fifteen years.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, or qualifying under certain "hardship" rules, as prescribed by the Internal Revenue Service, a participant may receive distributions from the Plan equal to the value of the participant's vested interest in his or her account. Distributions may be in the form of a lump-sum payment, or a rollover into another qualified plan. Additionally, participants reaching 59½ years of age may receive in-service distributions from the Plan.

Plan Termination

Although they have not expressed any intent to do so, the Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan follows the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The Plan's investments in pooled separate accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Interest income is recognized when earned. Dividend income is recorded on the ex-dividend date. Realized gains and losses on investments are recognized upon the sale of the related investment and unrealized appreciation or depreciation is recognized at period-end when carrying values of the related investments are adjusted to their fair values. Purchases and sales of investments are recorded on a trade-date basis. Earnings on investments, with the exception of participant loans, are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances.

Participant notes receivable are valued at their outstanding balances, which approximate fair value.

In accordance with the policy of stating investments at fair value, the Plan presents in the statements of changes in net assets available for plan benefits the net appreciation (depreciation) in the fair value of investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Unit Values

Individual participant accounts for the pooled separate accounts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds, but do have an interest therein represented by units valued daily. The accounts earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the high level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in risks in the near-term could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statements of changes in net assets available for plan benefits.

Concentration of Credit Risk

Financial instruments which potentially subject the Plan to concentrations of credit risk consist of the Plan's debt securities included in investment vehicles. Management believes that the Plan Custodian maintains the Plan's investments with high credit-quality institutions and attempts to limit the credit exposure of any particular investment.

See Independent Auditor's Report and Financial Statements.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits

Benefits are recorded when paid.

Transfers of Plan Assets

There were no transfers into the plan for the years ended December 31, 2016 and 2015. There were transfers of \$0 and \$4,691,867 out of the plan for the years ended December 31, 2016 and 2015, respectively.

Administrative Expenses

Administrative expenses for the years ended December 31, 2016 and 2015 totaled \$53,499 and \$77,814, respectively. Other administrative expenses, such as accounting and legal fees, are paid by the Employer, rather than the participants.

Use of Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 – INVESTMENT INFORMATION PREPARED AND CERTIFIED BY THE PLAN CUSTODIAN

The following investment information was obtained from data prepared and certified to as complete and accurate by the Plan Custodian as of December 31, 2016 and 2015:

	<u>2016</u>	<u>2015</u>
Investments:		
Pooled separate accounts	\$ 2,969,820	\$ 2,699,224
Guaranteed funds	<u>446,122</u>	<u>447,043</u>
Total investments	<u>\$ 3,415,942</u>	<u>\$ 3,146,267</u>

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

See Independent Auditor's Report and Financial Statements.

EMPLOYEES ONLY 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2016 AND 2015

NOTE 4 – FAIR VALUE MEASUREMENTS

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts are valued based upon the units of such pooled separate accounts held by the Plan at year-end multiplied by the respective unit value. The unit values of the pooled separate accounts are based upon significant observable inputs, but are not based upon quoted market prices in an active market and are therefore considered Level 2 investments within the fair value hierarchy.

The *guaranteed funds* are measured at the net asset value (NAV) of units of the guaranteed funds. Net asset value is used as a practical expedient to estimate fair value. The practical expedient would not be used if it were determined to be probable that the guaranteed funds would sell its underlying investments for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily at NAV.

Guaranteed funds are fully benefit-responsive guaranteed investment contracts with Lincoln which maintains the contributions in general accounts. The accompanying financial statements present the guaranteed funds at contract value and do not classify them in the fair value hierarchy in accordance with FASB ASC 820-10.

Guaranteed funds at December 31, 2016 and 2015 consist of the following:

	2016	2015
Guaranteed Stable Value Account	\$ 23,081	\$ 21,011
Managed Principal Protection Portfolio	<u>423,041</u>	<u>426,032</u>
Total guaranteed funds	<u>\$ 446,122</u>	<u>\$ 447,043</u>

See Independent Auditor's Report and Financial Statements.

FOR THE YEARS ENDED DECEMBER 31, 2016 AND 2015

NOTE 5 - TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service as to the Plan's tax-exempt status, the master prototype plan which the Plan adopted has received favorable determination from the IRS. Plan management believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code. Therefore, management believes that the Plan is qualified and the related trust is exempt from taxation under the Internal Revenue Code. The Plan Administrator is not aware of any action or event that has occurred that might affect the Plan's qualified status.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016 and 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan Sponsor would be liable for interest and penalties, if any, related to unrecognized tax benefits. The Plan's Forms 5500 are subject to examination by the respective taxing authorities, generally for three years after they were filed.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments include shares of pooled separate accounts and guaranteed funds administered by Lincoln National Life Insurance Company. Therefore, transactions in these investments qualify as party-in-interest transactions.

NOTE 7 – FIDELITY BOND

As of December 31, 2016, the plan was covered by a fidelity bond in the amount of \$500,000.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated the impact on the financial statements, if any, of subsequent events through the date of this report, which is the date the financial statements were available to be issued.

See Independent Auditor's Report and Financial Statements.
