Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, except for comparing such information with the related information included in the 2016 financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. NOTE 1 – DESCRIPTION OF PLAN

The following description of the ERI 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a salary deferral plan covering substantially all employees of Electronic Recyclers International, Inc. and subsidiaries (the "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Electronic Recyclers International, Inc. is the Plan sponsor and serves as plan administrator.

Eligibility - Employees of the Company are eligible to participate in the Plan upon reaching age 18 and after completing one month of service. Participants must complete one year of service and at least 1,000 hours of service during the Plan year, to be eligible to receive any employer discretionary matching contribution.

Contributions

Participant contributions – Each year, participants may contribute between 1-100% of pretax annual compensation, as defined in the Plan. Participants may also elect to make Roth contributions utilizing after-tax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution Plans (rollovers).

Employer contributions – Employer matching contributions are discretionary and determined annually by the Company's Board of Directors. There were no employer contributions in 2016.

Contributions are subject to regulatory limitations.

Participant accounts – Each participant's account is credited with their contribution, any Company matching contribution, forfeitures of terminated participant's non-vested account balance, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan.

Vesting – Participants are vested 100% immediately in their elective deferral contributions, rollover contributions, plus actual earnings thereon. Participants vest 100% in any Company contributions upon death, normal retirement age, or based on the following schedule:

Years of service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes receivable from participants – Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case the loan must be repaid within a reasonable period of time not to exceed thirty years. Plan loans will bear a reasonable rate of interest determined by the Plan administrator, currently 2% above the USA Today prime rate. Principal and interest is paid ratably through semi-monthly payroll deductions. As of December 31, 2016, the rates of interest on outstanding loans were 5.25% to 5.5% with various maturities through November 2021. Delinquent loans are reclassified as distributions based on the terms of the plan document.

Payment of benefits – Upon termination of service, death, disability or retirement, a participant will receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Participants whose vested account balance exceeds $5,000 and who are subject to lifetime required minimum distributions may receive installments payable in monthly, quarterly or annual installments equal to or exceeding the annual required minimum distribution amount. In addition, a participant may elect to receive a hardship or an in-service distribution when certain criteria are met as outlined in the Plan document.

Administrative costs – The Plan is administered by the Company and administrative expenses of the Plan are paid principally by the Company. Investment management fees related to the administration of the Plan are paid directly by the Plan. Participants are responsible for any distribution and loan expenses.

Forfeitures – Forfeited non-vested accounts may be applied to payment of the plan administration expenses or to reduce any Company matching contribution.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the accrual method of accounting.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition – The investments are reported at fair value. The Plan's custodian, John Hancock Life Insurance Company (U.S.A.) ("John Hancock"), certifies the fair market value of all investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Income recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Notes receivable from participants – Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan Agreement. No allowance for credit losses has been recorded as of December 31, 2016 or 2015.

Payment of benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain investment management fees, and distribution and loan transaction fees, are paid by the Plan participants. All other investment fees from the investment options are charged directly against the investment performance and are included in net appreciation in fair value of investments.

Subsequent events – The Plan has evaluated subsequent events through October 13, 2017, which is the date the financial statements were available to be issued.

NOTE 3 – INVESTMENTS

The Plan holds sub-accounts within a pooled separate account under a group annuity contract with John Hancock. The sub-accounts are invested in shares of a corresponding fund issued by John Hancock, or in shares of funds issued by other management investment companies or collective investment trusts. The 2015 investments have been reported differently than they were in the prior year to conform with the December 31, 2016 presentation and to reflect a more current understanding of the investments. The change has no impact on the value of investments or net assets available for benefits in either period presented. Following is a description of the valuation techniques used for assets measured at fair value.

Pooled separate account: Units held in pooled separate account sub-accounts are valued using the net asset value practical expedient (NAV practical expedient) of the sub-account as reported by the custodian. The NAV practical expedient is based on the fair value of the underlying assets owned by the sub-account, minus its liabilities, and then divided by the number of units outstanding.

The Plan currently invests in the following sub-accounts under the John Hancock Separate Account B. (Other sub-accounts available are not disclosed here). All of the sub-accounts calculate NAV practical expedient per share. There are no unfunded commitments, redemption frequency restrictions, redemption notice periods, or any redemption restrictions, except restrictions may be imposed to minimize short-term trading activity.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – TAX STATUS

The plan document is a volume submitter defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the statement of net assets available for benefits.

NOTE 6 – INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock, the custodian of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2016 and 2015.

- Net appreciation in fair value of investments and interest income from notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2016.

- Investments reflected on the schedule of assets (held at end of year).

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock Asset Management, an affiliate of John Hancock, the custodian of the Plan. Therefore, transactions with these entities qualify as exempt party-in-interest transactions. Fees paid by the Plan to John Hancock were $8,048 for the year ended December 31, 2016. Fees paid to John Hancock Asset Management are included as reductions of the return on each related investment.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. In the event of Plan termination, amounts allocated to a participant's account become fully vested.

NOTE 9 – RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits in the financial statements to the Form 5500 as of December 31:

	2016	2015
Net assets available for benefits, per the financial statements	$ 980,842	$ 767,340
Adjustments from cash basis to accrual basis – contributions receivable	-	(10,460)
Net assets per the Form 5500	$ 980,842	$ 756,880

The following is a reconciliation of the change in net assets available for benefits reported in the financial statements and the net income reported on the Form 5500 for the year ended December 31, 2016:

Change in net assets available for benefits in the financial statements	$ 213,502
Adjustment from cash basis to accrual basis, prior year – contributions receivable	10,460
Less: current year receivable	-
Net income per the Form 5500	$ 223,962

The Form 5500 has certain items that differ from amounts shown on the accompanying financial statements. These differences relate to classification only and have no effect upon net assets available for benefits for either period.
