Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2016 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Charles Schwab Bank and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustees of the Plan, except for comparing the information with the related information included in the 2016 financial statements. We have been informed by the plan administrator that Charles Schwab Bank held the Plan's investment assets and executed investment transactions from September 1, 2016 to December 31, 2016 and that Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company held the Plan's investment assets and executed investment transactions from January 1, 2016 to August 31, 2016. The plan administrator has obtained certifications from the trustees as of December 31, 2016 and for the year then ended that the information provided to the plan administrator by the trustees is complete and accurate.

Other Matter

The supplemental schedule of assets (held at year end) as of December 31, 2016, is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Their report, dated July 28, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

ENGINEERED GLASS PRODUCTS, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of the Engineered Glass Products, LLC Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions, which are available from the plan administrator.

General - The Plan is a defined contribution plan sponsored by Engineered Glass Products, LLC (the "Company"), which covers all employees who have three months of service. Non-resident aliens and leased employees are excluded from participation in the Plan. Effective September 1, 2016, non-union employees were excluded from participation in the Plan and as of that date only bargained employees are included in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan restatement - Effective September 1, 2016, the Plan changed trustees from Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company to Charles Schwab Bank. The Plan recordkeeper changed from Principal Life Insurance Company ("Principal") to Schwab Retirement Plan Services ("Charles Schwab"). Effective September 1, 2016, the Plan adopted the Charles Schwab prototype defined contribution plan document and made some changes to the plan provisions as noted below. The Internal Revenue Service ("IRS") has determined that the prototype defined contribution plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC") and informed Charles Schwab of such in a letter dated June 19, 2014.

Contributions - Prior to September 1, 2016, participants could contribute up to 40% of annual compensation as pre-tax or Roth contributions, as defined in the Plan. Prior to September 1, 2016, the Company matched 100% of non-union employees' contributions up to \$700 per year and matched 50% of union employees' contributions up to \$700 per year. Prior to September 1, 2016, the Company at its discretion could make an additional profit sharing contribution to the Plan during the plan year for non-union employees. For the year ended December 31, 2015, the Company made a discretionary profit sharing contribution in the amount of \$322,070.

Effective September 1, 2016, participants may contribute up the maximum statutory dollar limitation as defined by the IRC as pre-tax or Roth contributions, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. Effective September 1, 2016, the Company matches 50% of the union employees' contributions up to \$700 per year. Contributions are subject to certain IRC limitations.

Participant investment account options - The Plan currently offers nineteen mutual funds and a stable value fund as investment options for participants.

ENGINEERED GLASS PRODUCTS, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are 100% vested at all times in the value of their contributions and 100% vested at all times in the Company's matching contribution.

Company profit sharing contributions made prior to September 1, 2016 are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested %</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may only have one outstanding loan at a time. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of benefits - Upon termination, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest, installment payments or annuity payments. Terminated participants with account balances of less than \$1,000 are mandatorily cashed out.

Forfeited accounts - At December 31, 2016 and 2015, forfeited nonvested accounts totaled \$5,716 and \$3,222, respectively. These amounts will be used to reduce future employer contributions. For the years ended December 31, 2016 and 2015, employer contributions were reduced by \$23,514 and \$10,368, respectively, from forfeited nonvested accounts.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared on the accrual method of accounting.

ENGINEERED GLASS PRODUCTS, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

New accounting pronouncement - In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2015-07, "*Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*." The ASU removes the requirement to categorize within the fair value hierarchy investments for which fair values are estimated using the net asset value per share as a practical expedient provided by FASB Accounting Standards Codification ("ASC") 820 *Fair Value Measurement*. Disclosures about investments in certain entities that calculate net asset value per share are limited under this ASU to investments for which the entity has elected to estimate the fair value using the net asset value practical expedient. The guidance requires retrospective application and is effective for public business entities for fiscal years, and interim periods within those years, beginning after December 15, 2015. For all other entities, the guidance is effective for fiscal years, and interim periods within those years, beginning after December 15, 2016. Early adoption is permitted. Management elected to early adopt the provisions of this new standard. The adoption has been reflected in Note 4 to the financial statements.

Investment valuation and income recognition - Investments are reported at fair value (except for the fully benefit-responsive investment contract which was reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of benefits - Benefits are recorded when paid.

ENGINEERED GLASS PRODUCTS, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Administrative expenses - Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

(3) Information prepared and certified by the trustees

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Bank and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, the trustees of the Plan, have certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments at fair value (except the fully benefit-responsive investment contract which was reported at contract value)
- Notes receivable from participants
- Net appreciation (depreciation) in fair value of investments
- Interest and dividends
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

ENGINEERED GLASS PRODUCTS, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

(4) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value common collective trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

ENGINEERED GLASS PRODUCTS, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

(4) Fair value measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2016 and 2015:

	Investments at Fair Value as of December 31, 2016			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,345,631	\$ -	\$ -	\$ 1,345,631
Investments measured at NAV ^(a)				799,394
Total investments at fair value				\$ 2,145,025

	Investments at Fair Value as of December 31, 2015			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,675,236	\$ -	\$ -	\$ 5,675,236

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is based on NAV per share as of December 31, 2016 and 2015, respectively.

Investments	Fair Value 12/31/2016	Fair Value 12/31/2015	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Value Common Collective Trust	\$ 799,394	\$ -	\$ -	Daily	(b)

(b) Units may be redeemed on a daily basis. There is a 30 day redemption notice period for benefit payments and participant transfers to noncompeting options. Withdrawals, other than for benefit payments and participant transfers to noncompeting options, require a twelve month written notice.

ENGINEERED GLASS PRODUCTS, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

(5) **Fully benefit-responsive investment contract**

The Plan held a fully benefit-responsive guaranteed investment contract with Principal. Principal maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. The crediting rate was based on a formula established by the contract issuer but was not be less than 1 percent. The crediting interest rate was reviewed on a quarterly basis for resetting. The guaranteed investment contract did not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Because the guaranteed investment contract was fully benefit-responsive, contract value was the relevant measurement for the guaranteed investment contract. Contract value, as reported to the Plan by Principal, represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due was dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations could be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendment to the Plan document (including complete or partial termination or merger with another plan.), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events occurred that might limit the ability of the Plan to transact at contract value with the contract issuers and that would limit the ability of the Plan to transact at contract value with the participants.

Effective September 1, 2016, the value of the fully benefit-responsive investment contract offered by Principal was transferred to the Morley Stable Value Fund.

ENGINEERED GLASS PRODUCTS, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

(6) Related party transactions and party-in-interest transactions

Certain Plan investments are managed by Charles Schwab. Prior to September 1, 2016, certain Plan investments were shares of mutual funds and an investment contract managed by Principal. Charles Schwab and Principal are the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the third party administrators of \$19,682 and \$26,613 for the years ended December 31, 2016 and 2015, respectively, which was not covered by revenue sharing. The Plan paid certain expenses related to the Plan's operations and investment activity to various service providers. These transactions are party-in-interest transactions. The Plan Sponsor pays directly any other fees related to the Plan's operations.

(7) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

(8) Tax status

The Plan had filed for a determination letter from the IRS. The plan administrator believed the Plan was designed and operated in compliance with the applicable requirements of the Internal Revenue Code.

Effective September 1, 2016, the Plan adopted the Schwab Retirement Plan Services, Inc. prototype nonstandardized profit sharing plan. The IRS determined that the prototype nonstandardized profit sharing plan is designed in accordance with applicable sections of the IRC and informed the trustee of such in a letter dated June 19, 2014. The plan administrator has adopted the prototype plan and believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

ENGINEERED GLASS PRODUCTS, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

(9) Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(10) Transfers

Effective September 1, 2016, the Plan was restated and at that time, non-union employees were excluded from participation in the Plan. As a result, \$5,291,460 was transferred from the Plan to FutureGuard (EIN 38-0614230, Plan 004).

(11) Subsequent events

The Plan has evaluated subsequent events through October 16, 2017, which is the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.
