AVENTICS CORPORATION 401(K) PLAN FOR BARGAINING UNIT EMPLOYEES

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

1. DESCRIPTION OF PLAN

The following description of the Aventics Corporation (the Company) 401(k) Plan for Bargaining Unit Employees (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all bargaining unit employees of the Company who have attained age nineteen and completed six months of employment. The Plan's entry date for eligible employees is the first day of the first month upon meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Ascensus Trust Company (Ascensus) is the trustee of the Plan and, as such, has custody of all of the Plan's assets, executes transactions therein, receives contributions from the Company, and disburses funds according to the trust agreement.

Eligibility:

Employees who are employed under a collective bargaining agreement with the International Brotherhood of Teamsters, Local 651, and are age nineteen and over, and completed six months of service may join the plan on the first day of the month after meeting the eligibility requirements.

Contributions:

The Plan is funded by both pre-tax salary deductions and employer contributions. Participants may elect to defer up to 17% of their compensation up to Internal Revenue Code annual limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined employee benefit plans. The employer makes a weekly contribution for all employees up to 50% of the first 7% of eligible compensation contributed by the participant.

Investment Options:

Participants may, upon enrollment in the Plan, elect to invest their contributions and the employer contributions in various investment options currently offered by the Plan. The Plan currently offers twenty-one core investment funds inclusive of mutual funds. Periodic transfers among funds of certain accumulated account balances and directions of future employee deferral and employer contributions are permitted.

AVENTICS CORPORATION 401(K) PLAN FOR BARGAINING UNIT EMPLOYEES

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

Participant Accounts:

Each participant's account is credited with the participant's elective pre-tax contributions, the Company's matching contributions, allocations of Plan earnings and fees which are directly attributable to a participant's transactions. Allocations of the Company's contributions are based upon participant earnings as defined in the Plan's provisions. Allocations of Plan earnings are based on the specific investment performance of each participant's investment account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as outlined in the following table:

<u>Years of service</u>	<u>Percent of non-forfeitable interest</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years or more	100%

Notes Receivable from Participants:

Participants may borrow from their accounts up to the lesser of one-half (50%) of their vested account balance, or \$50,000 (subject to certain limitations as defined in the Plan document). The minimum loan is \$1,000. Participants may only have one outstanding loan at any time. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loan Fund. Loan terms generally range from one to five years. The loans are secured by the balance in the participant's account and bear interest at 4.25%-4.50%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits:

Upon termination of service due to death, disability, retirement, or termination of employment, or attainment of age 59 ½, a participant or participant's beneficiary (in the event of a participant's death) may elect to receive the entire value of his or her account in a lump sum payment, annual or quarterly installments, or a rollover into an Individual Retirement Account (IRA) or the participant's new employer's qualified plan if it accepts rollovers. If a participant's entire account value is \$1,000 or less, it will be distributed without consent. If the account balance is greater than \$1,000 but less than \$5,000, a terminated participant's account balance will automatically be rolled into a qualified IRA.

AVENTICS CORPORATION 401(K) PLAN FOR BARGAINING UNIT EMPLOYEES

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

In the event of financial hardship, the employer may allow a participant to withdraw from his or her account. The amount may not exceed the amount contributed by the participant, or the participant contribution account, if less. Employee deferral contributions to the Plan, and any other employer-sponsored matching contributions, are suspended for six months after a participant receives a hardship withdrawal.

Forfeitures:

Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company contributions or fees. At December 31, 2016 and 2015, forfeited nonvested accounts totaled approximately \$-0- and \$720, respectively. Forfeitures of approximately \$720 and \$3,100 were used for plan expenses during the years ended December 31, 2016 and 2015, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Plan is presented to assist in the understanding of the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the accompanying financial statements.

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

AVENTICS CORPORATION 401(K) PLAN FOR BARGAINING UNIT EMPLOYEES

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2016. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Additionally, the Plan is not charged for accounting and administrative services performed on its behalf by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included as a reduction of the return earned on each fund.

Subsequent Events:

The Plan has evaluated subsequent events through the date the financial statements were available to be issued, which is October 16, 2017.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2016 and 2015, and the supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2016 and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2016.

AVENTICS CORPORATION 401(K) PLAN FOR BARGAINING UNIT EMPLOYEES

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

<i>Money market mutual funds:</i>	Generally transact subscription and redemption activity at \$1 stable net asset value (NAV) however, on a daily basis the funds are valued at their daily NAV calculated using the amortized cost of securities held in the fund.
-----------------------------------	---

<i>Mutual funds:</i>	Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.
----------------------	---

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its

AVENTICS CORPORATION 401(K) PLAN FOR BARGAINING UNIT EMPLOYEES

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

6. NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS

During 2015, the Company failed to remit contributions totaling \$11,418 in a timely manner, as defined by ERISA. The delay in remitting the contributions to the trustee was due to an administrative error, and the plan sponsor agreed to credit participants' accounts with the amount of participants' withheld contributions and investment income that would have been earned had the participant contributions been remitted on a timely basis.

7. TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 19, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's ERISA counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2016 and 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2013.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will be entitled to 100% of the value of their accounts.

In the event of any merger or consolidation of the Plan with, or transfer of assets of the Plan to any other Plan, each participant's account, immediately after such event, would equal the market value of the account prior to such event. As further discussed in Note 10, Plan assets were transferred to a new plan under the administration of the Company in 2017.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. SUBSEQUENT EVENTS

The Plan will be terminated and all Plan assets will be transferred to Fidelity Management Trust Company. The transfer is scheduled to occur on November 15, 2017. The Plan assets will be transferred into a new plan, which is under the administration of the Company.
