MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, which includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

BASIS FOR DISCLAIMER OF OPINION

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), as amended, the Plan's administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by State Street Bank

Trust Company, the trustee of the Plan for the year ending December 31, 2016, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan's administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan's administrator has obtained a certification from the trustee as of December 31, 2016, and for the year ended December 31, 2016, that the information provided to the Plan's administrator by the trustee is complete and accurate.

DISCLAIMER OF OPINION

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

OTHER MATTER - SUPPLEMENTAL SCHEDULES

We were engaged for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedules (Form 5500, Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2016), which are the responsibility of management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, however, it is inappropriate to express, and we do not express, an opinion on the supplemental schedules referred to above.

OTHER MATTER - 2015 FINANCIAL STATEMENTS

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan's administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by State Street Bank and Trust company, the trustee of the Plan. Their report dated, October 14, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient, appropriate audit

evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements; and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

REPORT ON FORM AND CONTENT IN COMPLIANCE WITH DOL'S RULES AND REGULATIONS

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation, Transactions and Income Recognition -

General - Investments are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods - In determining fair value, FASB ASC 820 allows various valuation approaches. The specific method used for the Plan's investment classes are presented below.

Mutual funds: The fair value of mutual funds is generally based on quoted prices in active markets (Level 1).

Collective trust fund: The collective trust fund is stated at fair value as determined by the issuer of the collective trust fund based on the fair market value of the underlying investments. The Stable Pooled Fund (the Fund) is a collective trust fund that is considered to be a stable value fund with underlying investments in fully benefit-responsive investment contracts that are valued at the net asset value (NAV) of units of the trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the Fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. There are not restrictions on redemptions from the Fund, and there are no unfunded commitments as of December 31, 2016 and 2015.

Participants do not have beneficial ownership in the specific underlying securities or other assets in the Fund, but do have an interest therein represented by units valued daily. The Fund earns dividends and interest, which are automatically reinvested in additional units. Generally, contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the Fund at contract value. Contract value represents contributions made to the Fund, plus earnings, less participant withdrawals. The Fund imposes certain restrictions on the Plan, and the Fund itself may be subject to circumstances that affect its ability to transact at contract value. Such events are not in the ordinary course of Fund operations and include, but are not limited to: material amendments to the Fund's structure or administration; changes to the Plan's competing investment options; complete or partial termination of the Fund, including merger with another fund; the failure of the Fund to qualify for

exemption from federal income taxes or any required prohibited transaction exemption under ERISA; the redemption of all or a portion of the interest in the Fund held by the Plan at the direction of the Plan's sponsor or delivery of any communication to Plan participants designed to influence a participant not to invest in the Fund. The Plan administrator believes that any event that would limit the Plan's ability to transact at contract value with participants is not probable. The Plan may only withdraw from the Fund upon 12 month's advance written notice.

Cash equivalents: The cash reserve account is valued at amortized cost, which approximates fair value (Level 1).

Valuation Methods, Consistency - The valuation techniques used in the accompanying financial statements have been consistently applied.

Transactions and Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Accounting Pronouncements - In July 2015, FASB issued Accounting Standards Update (ASU) 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*, to reduce complexity in employee benefit plan accounting. Part III is not applicable to the Plan. The ASU is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. The Plan's management elected to adopt Parts I and II for the year ended December 31, 2016.

Part I clarified that indirect investments in fully-benefit responsive contracts (e.g., common/collective trusts) typically qualify for measuring fair value using net asset value (NAV) per share (or its equivalent) as a practical expedient in a manner consistent with the measurement principles of Topic 946. Changes from fair value to contract value are no longer presented for these investments.

The primary provisions of Part II that are applicable to the Plan are: (1) Disclosure of individual investments that represent five percent or more of net assets available for benefits is no longer required; (2) The net appreciation or depreciation in investments is presented in the aggregate, but will no longer be required to be disaggregated and disclosed by general type; (3) Investments will be grouped only by general type, eliminating the need to disaggregate the investments by nature, characteristics and risks; and (4) If an

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

investment is measured at net asset value (or its equivalent) and that investment is in a fund that files a U.S. Department of Labor Form 5500, *Annual Return/Report of Employee Benefit Plan*, as a direct filing entity, disclosure of that investment's strategy will no longer be required.

Notes Receivable from Participants - Notes receivable from participants is measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Contributions Receivable - Participant and employer contributions receivable is based on participant and employer contributions due and not paid prior to year-end. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Benefit Payments - Participant withdrawals and termination payments are recorded when paid.

Administrative Expenses - Substantially all expenses incurred for administering the Plan are paid by RLJ-McLarty-Landers Automotive Holdings, LLC (the Company), except for loan fees, distribution fees, investment consulting fees and certain Plan asset-related fees. The Company also provides administrative services to the Plan at no charge.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan invests in mutual funds and a collective trust fund. Such investments are exposed to various risks, such as interest rate, market fluctuations and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

NOTE 2. DESCRIPTION OF THE PLAN

The following description of RLJ-McLarty-Landers Automotive Holdings, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

General - The Plan is a defined contribution plan established for the benefit of the Company's employees except for employees covered by a collective bargaining agreement; non-resident aliens, who receive no earned income from the Company; and leased employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participant Contributions - The Plan allows participants to contribute up to 100% of pre-tax annual compensation, as defined. The limit for Plan year 2016 was $18,000. A participant who attains age 50 or older by the end of the Plan year can elect to defer additional amounts, called "catch-up contributions," to the Plan. The catch-up contribution limit for 2016 was $6,000. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Employer Contributions - The Company will contribute for each participant a matching contribution equal to 50% of the first 4% of the participant's eligible contributions. Participants must have received credit for at least 1,000 hours of service during the Plan year and be employed on the last day of the Plan year, except in the event of death, disability or retirement, in order to share in the Employer matching contributions.

Participant Accounts - Each participant's account is credited with the participant's contribution, rollover, the Company's contribution and earnings, and is charged with an allocation of administrative expenses based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Forfeited Accounts - At December 31, 2016 and 2015, forfeited non-vested accounts totaled $54,618 and $36,879, respectively. These accounts will be used to reduce future employer contributions. In 2016, employer matching contributions were reduced by $0 from forfeited non-vested accounts.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portions of their accounts is based on years of continuous service. Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in Employer matching contributions is based upon years of continuous service, as follows:

Years of Service	Vesting Percentage
Less than two years	0%
Two, but less than three	20%
Three, but less than four	40%
Four, but less than five	60%
Five, but less than six	80%
Six years or more	100%

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

Participants automatically become 100% vested upon: (1) normal retirement (attainment of age 65); (2) disability; or (3) death. Participants who terminate for any reason are entitled to the vested amount of their accounts.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Participant notes are secured by the participant's account balance. Borrowings bear interest at rates ranging from 3.25% to 3.50% at December 31, 2016 and 2015. Principal and interest is paid ratably though payroll deductions.

Investment Options - Upon enrollment in the Plan, a participant may direct employee contributions and employer contributions to any of the investment options offered by the Plan. Participants may change their investment options daily. Participants may also reallocate contributions among investment funds at any time.

Benefits - On retirement, disability, death or termination of service, a participant will receive either a lump sum or a rollover amount equal to the value of the vested portion of his or her account. Distributions are subject to the applicable provisions of the Plan Agreement. The Plan allows in-service withdrawals under certain conditions. Hardship withdrawals are not allowed by the Plan.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Company to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved by the Company. Termination shall not permit any part of the Plan assets to be used for, or diverted to, purposes other than the exclusive benefit of the participants and beneficiaries. In the event of termination, participants will become 100% vested in their accounts, and the Company will direct the trustee to distribute each participant's account in a single sum, as soon as administratively practicable after the termination of the Plan, irrespective of the present value of the participant's account and whether or not the participant consents to that distribution.

NOTE 4. TAX STATUS

The Company has adopted a Volume Submitter Profit Sharing Plan with CODA Plan document, which received an opinion letter from the Internal Revenue Service (IRS), dated March 31, 2014, indicating that the prototype plan is designed in accordance with the applicable sections of the Internal Revenue Code (the IRC). Although the Plan has been amended, the Company and the Plan's administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

NOTE 4. TAX STATUS (CONT'D)

The Plan's administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2016, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's administrator believes the Plan is no longer subject to income tax examination for years prior to 2013.

Accordingly, as permitted under such election, the Plan's administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified by State Street Bank and Trust Company, the trustee of the Plan for the years ending December 31, 2016 and 2015, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedules, as follows:

The Company does not expect reimbursement from the Plan for these expenses. Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

The Plan invests in mutual funds and a collective trust fund, which were managed by State Street Bank and Trust Company, the trustee of the Plan for the Plan years ended December 31, 2016 and 2015.
