The Benefits Committee of the Company controls and manages the operation and administration of the Plan. The Plan is designed to qualify under Internal Revenue Code (the "IRC") Section 401(k) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Effective January 1, 2016, the Company adopted the Plan as amended and restated. Wells Fargo Bank, N.A. ("Wells Fargo") replaced Retirement Strategies Incorporated as the recordkeeper of the Plan effective January 1, 2016, and Wells Fargo replaced Matrix Trust Company ("Matrix Trust") as the Trustee for the Plan, effective January 5, 2016. Plan assets were transferred into funds comparable to those offered by Matrix Trust. The conversion initiated a blackout period beginning December 19, 2015, continuing through January 20, 2016. During the blackout period, funds could not be applied to employee-selected funds with the new trustee or withdrawn from the Plan until the trustee had time to accurately complete the conversions. During the period, employee contributions continue to be made through payroll deductions and at the end of the blackout period these funds were transferred to the investment options requested by each participant.

Contributions—As defined under the Plan, eligible employees may contribute from 1% to 25% of their compensation (either before tax, after tax, or a combination thereof) to the Plan to a maximum of \$18 for the year ended December 31, 2016. Employees may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company matched 50% of employee contributions, up to 8% of a participant's compensation, which includes overtime pay and bonuses, for the year ended December 31, 2016. The Company match shall not exceed 4% of a participant's compensation in any one year. The Plan also allows all employees who are projected to attain age 50 before the close of the Plan year to make catch-up contributions of up to \$6 for the year ended December 31, 2016. The annual compensation limit under Code § 401(a)(17) is \$265 for 2016.

Participant Accounts—Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contribution and an allocation of employer contributions and Plan earnings, and charged with benefit payments and an allocation of administrative expenses and Plan losses, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments—Participants direct the investment of their contributions and/or account balances into various investment options offered by the Plan. At December 31, 2016, as investment options for participants, the Plan currently offers sixteen mutual funds, including one money market fund, and one collective investment fund. Employer contributions are made in cash and invested in the same manner as the participant's elections.

Vesting—Participants are vested immediately in their contributions, plus actual earnings thereon. Participant contributions are fully vested at all times. Employer contributions vest according to the following schedule:

Completed Years of Service	Percentage
Less than two	- %
Two	20
Three	40
Four	60
Five	80
Six or more	100

Regardless of the vesting schedule, participants become 100% vested in all employer contributions on the date they reach age 65, become permanently or totally disabled or die if they are employed by the Company at that time.

Notes Receivable from Participants—Participants may borrow from their accounts a minimum of \$1 up to a maximum of 50% of their vested account balances or \$50, subject to certain requirements as defined in the Plan document. Loans are secured by an assignment of the participant's vested interest in the Plan and bear interest at a rate commensurate with local prevailing rates at the time funds are borrowed. Principal and interest are paid ratably through payroll deductions. Loan terms shall not exceed five years, unless the loan is to be used in conjunction with the purchase of the principal residence of the participant. Participants may not have more than two loans outstanding at any time. As of December 31, 2016, participant loans have maturities through 2023 with interest rates ranging from 4.25% to 4.75%.

Payment of Benefits—Upon termination of service with the Company (including termination of service due to death, disability, or retirement), distribution of the vested portion of a participant's individual account, less the amount held in a separate rollover account, shall be made in a cash lump-sum. A participant may elect to receive distribution of his or her special rollover account in the form of an annuity, providing monthly installments for the participant's lifetime, or a single lump-sum payment.

Participants are also eligible to make hardship withdrawals from their deferred contributions in the event of certain financial hardships. Following a hardship withdrawal, participants are not allowed to contribute to the Plan for a period of six months.

Forfeited Accounts—When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account as defined by the Plan, represents a forfeiture. The Plan document permits the use of forfeitures to reduce future employer contributions, pay Plan administrative expenses, or be allocated to remaining participants. At December 31, 2016 and 2015, there were no forfeited accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan provides for various investment options, including mutual funds and a collective investment fund. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the value of the participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition—The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants—Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recognized as distributions based upon the terms of the Plan document. No allowance for credit losses have been recorded as of December 31, 2016 and 2015.

Administrative Expenses—Expenses incurred in the administration and management of the Plan are paid by the Plan, unless otherwise paid by the Company at the Company's discretion.

Payment of Benefits—Benefit payments to participants are recorded upon distribution.

Subsequent Events—Subsequent events were evaluated through October 11, 2017, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – quoted prices in active markets for identical assets and liabilities

Level 2 – quoted prices for identical assets and liabilities in markets that are not active, or observable inputs other than quoted prices in active markets for identical assets and liabilities

Level 3 – unobservable inputs in which there is little or no market data available, which require the reporting entity to develop its own assumptions

Asset Valuation Techniques—Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Mutual funds – Equity and bond funds are valued at the net asset value of shares held by the Plan at year-end. The net asset value is a quoted price in an active market. Money market funds are valued at cost, which approximates fair value.

Collective investment fund – The Wells Fargo Stable Value Fund D is valued using net asset value as a practical expedient, based upon information reported by the investment advisor using the audited financial statements of the fund at year-end.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets that are measured at fair value as of December 31, 2016, with the exception of the collective investment fund measured at fair value using the net asset value practical expedient. The fair value of the collective investment fund is provided below to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits. As of December 31, 2015, there were no investments held by the Plan that require disclosure within the hierarchy of ASC 820.

	Level 1	Level 2	Level 3	Total

Total assets in the fair value hierarchy	\$ 10,675	\$ -	\$ -	\$ 10,675

Total investments measured at fair value				\$ 14,691

*Wells Fargo Stable Value Fund D is 100% invested in the Wells Fargo Synthetic Stable Value Fund, which holds investments in guaranteed investment contracts and security-backed contracts in which the issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Participant transactions in the fund (purchases and sales) may occur daily. If the Plan initiates a full redemption of the fund, the issuer reserves the right to require 12 months' notification. At December 31, 2016, the fund did not have any unfunded commitments.

4. INFORMATION CERTIFIED BY TRUSTEES

The following is a summary of information included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Wells Fargo, the trustee of the Plan for the period January 5, 2016 to December 31, 2016, and Matrix Trust, the trustee of the Plan for the period January 1, 2015 to January 4, 2016, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustees that such information is complete and accurate.

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Wells Fargo and Matrix Trust, the current and former Trustees of the Plan, respectively, and therefore these transactions, as well as participant loans, qualify as exempt party-in-interest transactions.

6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

7. FEDERAL INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated April 2, 2012, that the Plan and related trust were designed in accordance with the applicable regulations of the IRC. The Plan has been amended since receiving the determination letter. The Company and plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and the related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. federal, state, or local tax authorities. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2016, there are no uncertain tax positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

8. SUBSEQUENT EVENTS

On April 13, 2017, the acquisition of the Company by Rockwell Collins, Inc. ("Rockwell Collins") was consummated pursuant to the terms of the previously announced Agreement and Plan of Merger, dated as of October 23, 2016. As a result, B/E Aerospace became a wholly owned subsidiary of Rockwell Collins. At this time, management is not aware of any intentions to change the Plan as a result of the merger and expects the Plan will continue for the foreseeable future.
