TalentWise 401(k) Plan
Bothell, Washington

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the TalentWise 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015, and the related statement of changes in net assets available for benefits for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2016 and 2015, and for the year ended December 31, 2016, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of a Matter – Subsequent Events

As discussed in Note 8, the Plan merged into the Sterling Infosystems, Inc. 401(k) Profit Sharing Plan effective January 1, 2017 and the assets were transferred on January 3, 2017, the first business day of the 2017 Plan year.

The accompanying financial statements have been reissued to include a disclosure as described in Note 8 in order to reconcile the financial statements to the amended Form 5500. The reissuance had no impact on the Plan's net assets as reported on the Statement of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

TalentWise 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the TalentWise 401(k) Plan (the “Plan”) provides summarized general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan provides certain benefits to the employees of TalentWise, Inc. (the “Company” or “TalentWise”). The Plan is sponsored by TalentWise. The Plan is intended to qualify under Sections 401(a) and 401(k) of the Internal Revenue Code (“IRC”). The purpose of the Plan is to enable eligible employees to save for retirement.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

On January 27, 2016, the Company was acquired by Sterling, a Company providing background and drug screening services. The acquisition was completed pursuant to an Agreement and Plan of Merger dated as of December 7, 2015. As a result of this transaction TalentWise is now a wholly-owned subsidiary of Sterling. The Board of Directors of the Plan Sponsor approved a merger of the Plan into the Sterling Infosystems, Inc. 401(k) Profit Sharing Plan, effective January 1, 2017.

Eligibility

All Company employees who attain the age of 21 are eligible to participate in the Plan and may join effective the first day of the month following the date of hire.

Contributions

Participants may elect to make pre-tax and Roth (after-tax) contributions based on a percentage of their eligible compensation, as defined in the Plan agreement, subject to certain Internal Revenue Service (“IRS”) limitations, which for 2016 were \$18,000 for participants; additional catch-up contributions of \$6,000 were permitted for participants who attained age 50 before the end of the Plan year. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company makes employer matching contributions equal to the participant contribution, not to exceed 4% of each participant’s eligible compensation.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, employer contributions, Plan net earnings and losses, and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

TalentWise 401(k) Plan

Notes to Financial Statements

Vesting

Participants are immediately vested in their contributions and employer matching contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of one-half of their vested account balance or \$50,000. All notes must be repaid over a term not to exceed five years, unless the note is for the purchase of a primary residence, in which case the note may be for a maximum of up to 10 years. Participants are allowed only one outstanding note at a time. Notes are secured by the participant's vested account balance and bear interest at a rate commensurate with prevailing rates as determined by the Plan Administrator. Interest rates ranged between 4.25% to 4.50% for loans held by the Plan as of December 31, 2016 and 2015.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or for any other reason, a participant can elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. The Plan also allows hardship withdrawals to participants meeting certain criteria. Upon execution of a hardship withdrawal, participant deferrals are suspended for a period of six months.

Upon termination, if the participant's vested benefit under the Plan does not exceed \$1,000, then the Plan Trustee may direct the trustee to make a single lump sum distribution to the participant without prior written consent. If the vested benefit under the Plan exceeds \$1,000, then the participant must consent to the distribution before it may be made.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to participant-requested services are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and

TalentWise 401(k) Plan

Notes to Financial Statements

liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan allows participants to direct their account balance into various investment options offered by the Plan. Investment securities, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments in mutual funds and money market accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are valued at amortized cost, plus any accrued and unpaid interest. No allowance for credit losses has been recorded as of December 31, 2016 or 2015.

Payment of Benefits

Benefits are recorded when paid.

Recent Accounting Pronouncements

In July 2015, the Financial Account Standards Board ("FASB") issued ASU 2015-12, *Plan Accounting: Defined Benefits Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962) and Health and Welfare Benefit Plans (Topic 965): I. Fully Benefit-Responsive Investment Contracts; II. Plan Investment Disclosures; and III. Measurement Date Practical Expedient*. Part I requires fully benefit-responsive investment contracts to be measured, presented, and disclosed only at contract value and accordingly removes the requirement to reconcile contract value to fair value on the face of the financial statements.

Part II eliminates the requirements for plans to disclose individual investments that represent 5 percent or more of net assets available for benefits and the net appreciation or depreciation for investments by general type for both participant-directed investments and nonparticipant-directed investments. Part II also requires that investments be grouped only by general type, eliminating the need to disaggregate the investments by nature, characteristics, and risks. In addition, if an investment is measured using the net asset value per share (or its equivalent) practical expedient in *Topic 820* and that investment is in a fund that files a U.S. Department of Labor Form 5500,

TalentWise 401(k) Plan

Notes to Financial Statements

Annual Return/Report of Employee Benefit Plan, as a direct filing entity, disclosure of that investment's strategy will no longer be required. Part III provides a practical expedient to permit plans to measure investments and investment related accounts as of a month-end date that is closest to the plan's fiscal year-end, when the fiscal period does not coincide with month-end.

The ASU is effective fiscal years beginning after December 15, 2015. Retrospective application is required for items I and II, however, only prospective application is allowed for item III. The Company adopted Parts I and II of these provisions effective January 1, 2016. Part I and Part III of the ASU have no impact on the Plan's financial statements. As a result of the adoption of this standard, the Plan modified its investment disclosures as described above.

3. Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the accompanying financial statements is complete and accurate.

<i>December 31,</i>	2016	2015
Investments, at fair value		
Money market account	\$ 495,391	\$ 464,338
Mutual funds	9,082,386	9,010,628
Total Investments	\$ 9,577,777	\$ 9,474,966

<i>Year ended December 31,</i>	2016
Dividend income from mutual funds and interest income	
from money market account	\$ 371,560
Net appreciation in fair value of mutual funds	378,184
	\$ 749,744

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements.

4. Fair Value Measurements

U.S. GAAP has established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to

TalentWise 401(k) Plan

Notes to Financial Statements

unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Valued at cost plus accrued interest, which approximates fair value.

6. Income Tax Status

In a letter furnished to the Plan record keeper dated March 31, 2014, the Internal Revenue Service determined that the prototype of the plan used to develop the Plan is acceptable under the applicable sections of the IRC for use by employers for the benefit of their employees. The Plan administrator believes that the Plan is designed and currently operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. Partial Plan Termination

Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated due to actions taken by the Plan Sponsor. During 2016, the Plan Administration determined that a partial plan termination occurred due to the termination of approximately 60%

of active plan participants. Partial plan termination results in affected participants becoming fully vested in the accrued benefits at the termination date. Participants of the Plan are immediately fully vested in their contributions and employer matching contributions, therefore, the partial plan termination has no effect on the Plan or its participants.

8. Subsequent Events and Reconciliation of Financial Statements to Form 5500

Effective January 1, 2017, the TalentWise 401(k) Plan merged into the Sterling Infosystems, Inc. 401(k) Profit Sharing Plan. As a result for the merger, all net plan assets were transferred to the Sterling Infosystems, Inc. 401(k) Profit Sharing on January 3, 2017, the first business day in the 2017 Plan year.

Although the net assets of the Plan were not transferred to the Sterling Infosystems, Inc. 401(k) Profit Sharing Plan until January 3, 2017, the Plan was deemed to have merged in accordance with IRS instructions, effective December 31, 2016, for the purposes of the Plan's annual Form 5500 filing. Plan management elected to amend its 5500 filing, subsequent to the previously issued financial statements, to reflect the merger and transfer of net assets in accordance with IRS instructions, effective December 31, 2016.

The following is a reconciliation of total assets per the financial statements at December 31, to the Form 5500, as a result of the Plan management's decision to amend its Form 5500 filing:

<i>December 31,</i>	2016	2015
Net assets available for benefits per the financial statements	\$ 9,638,651	\$ 9,591,905
Transfer of assets from the plan	(9,638,651)	-
Net Assets Available for Benefits per Form 5500	\$ -	\$ 9,591,905

The amendment to the Form 5500 resulting in the additional disclosures above had no impact on the Plan's net assets as reported on the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

The Plan has evaluated subsequent events through October 12, 2017, the date the accompanying financial statements were available to be issued, except for Note 8 which has been updated through December 1, 2017, the date the financial statements were reissued.
