Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in note 5, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of March 31, 2017 and December 31, 2016, and for the period from January 1, 2017 to March 31, 2017 and the year ended December 31, 2016, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Emphasis of Matter

As described in note 1 to the financial statements, during 2016, the Trustees of the Plan approved the merger of the Plan into a successor plan, effective March 31, 2017. Our opinion is not modified with respect to that matter.

BIOLOGICS, INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

March 31, 2017 and December 31, 2016

(1) Description of Plan

The following description of the Biologics, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

(a) General

The Plan became effective on January 1, 1997 as a 401(k) profit sharing plan. The Plan is sponsored by Biologics, Inc. (the "Company"). The Plan covers all full-time employees of the Company, who are at least age 21 and have one month of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective April 1, 2016, the Company was acquired by a third party with its own established retirement plan. During 2016, the Trustees of the Plan approved the merger of the Plan into the McKesson Corporation Profit-Sharing Investment Plan ("MCPSIP"), effective March 31, 2017. As a result, the net assets of the Plan, consisting of investments totaling \$6,760,686, were transferred to the MCPSIP on March 31, 2017, and the Plan was legally terminated. Each active participant in the Plan as of December 31, 2016 became a participant in the MCPSIP as of January 1, 2017. An employee's service with the Company was credited for purposes of vesting and eligibility to participate in the MCPSIP.

(b) Contributions

Each year, participants could elect to defer a percentage of their compensation into the Plan, not to exceed the limits of the Internal Revenue Code. Effective June 1, 2015, all new Plan participants were automatically enrolled at a 6% deduction from their pre-tax earnings, unless they chose to opt out. Participants could change this election at any time. The Company elected to make a nonelective safe harbor employer contribution equal to 3% of compensation for each eligible participant.

The Company could also elect on an annual basis to make a discretionary matching contribution equal to a percentage of the eligible contributions made by each eligible participant during the year. During 2017 and 2016, no discretionary matching contributions were made.

Participants could deposit "rollovers" (distributions from other qualified plans) into the Plan.

(c) Participant Accounts

Each participant's account was credited with the participant's contribution, the Company's contributions and Plan earnings (losses). Allocations were based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants were 100% vested in the salary reduction and safe harbor amounts contributed to the Plan. Vesting in the Company's discretionary contribution portion of their accounts was based on their years of continuous service. Vesting for discretionary contributions began in the second year of service and vested at the rate of 20% per year so that participants were 100% vested in such contributions after six years of service. A participant's vesting under the Plan carried over into the MCPSIP following the merger.

(e) Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in a variety of investment options.

(f) Payment of Benefits

Generally, participants became eligible to receive benefits on their normal retirement age (65), death, disability, termination of employment, or reasons of proven financial hardship. Participants could receive 100% of their account balance in substantially equal installments or a lump sum. As of March 31, 2017 and December 31, 2016, no amounts had been allocated to the accounts of participants who have elected to withdraw from the Plan, but have not been paid.

(g) Forfeited Accounts

Forfeited balances of terminated participants' nonvested accounts were used to reduce future Company matching contributions. All plan assets as of March 31, 2017, including forfeited, nonvested accounts, were transferred to the MCPSIP. As of December 31, 2016, forfeited nonvested accounts totaled \$7,051.

(h) Participant Loans

Participants were not permitted to borrow from their individual fund account.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America and present the net assets available for plan benefits and changes in those net assets on an accrual basis.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Fair Value Measurements

For determining fair value measurements, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Management follows an established framework for measuring fair value. That framework provides a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The three levels of inputs that may be used to measure fair value are described below:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: one or more significant inputs or significant value drivers that are unobservable or based on market assumptions

(d) Investment Valuation and Income Recognition

Investments in mutual funds managed by the Plan's trustee are valued on the last business day of the year based on the current market values (quoted prices in active markets) of the funds. All Plan assets were transferred to the MCPSIP before close of business on March 31, 2017.

The Plan presents in the statements of changes in net assets available for plan benefits the net appreciation (depreciation) in the fair value of its investments which consists of realized gains or losses and the unrealized appreciation (depreciation) on investments held at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(e) Payment of Benefits

Benefits were recorded as expense when paid.

(3) Administrative and Investment Costs

The Company paid for certain administrative expenses on behalf of the Plan for 2017 and 2016. These amounts are not included in the statements of changes in net assets available for plan benefits.

Investment management fees are charged to the individual funds in the Plan and are included in the net appreciation (depreciation) in the fair value of investments.

(4) Federal Income Taxes

The Plan's trustee has received an opinion letter dated March 31, 2014, in which the Internal Revenue Service stated that the form of the prototype plan which the Company has adopted is acceptable under the applicable requirements of the Internal Revenue Code ("IRC") for use by employers for the benefit of their employees. The Plan has been amended since that determination; however, the Plan's management believes that the Plan was designed and was operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(5) Investments

Fidelity Management Trust Company, the trustee of the Plan, has certified that the Plan's investments, totaling \$0 and \$6,723,855 as of March 31, 2017 and December 31, 2016, respectively, and investment return and activity for the periods then ended, as reported in the accompanying financial statements, are complete and accurate.

During 2017 and 2016, the Plan's investments (including investments bought, sold and held during the period), appreciated in value \$301,776 and \$383,547, respectively. In addition, interest and dividends on investments totaled \$16,650 and \$237,994 for 2017 and 2016, respectively.

(6) Fair Value Measurements

The Plan's assets were transferred to the MCPSIP as of March 31, 2017. The Plan's investments were reported at fair value in the accompanying statements of net assets available for plan benefits as follows as of December 31, 2016:

	<u>Fair Value</u>	<u>Level 1</u>
Mutual funds	\$ 6,716,081	6,716,081
Money market fund	7,774	7,774
Investments, at fair value	<u>\$ 6,723,855</u>	<u>6,723,855</u>

(7) Related Party Transactions

As of March 31, 2017, the Plan had no employer or employee contributions receivable from the Company. As of December 31, 2016, the Plan had employer and employee contributions receivable from the Company of \$24,562, which were received in 2017.

Certain Plan investments were shares of mutual funds managed by the trustee of the Plan and, therefore, such transactions qualified as party-in-interest transactions.

(8) Subsequent Events

The Plan Committee
Biologics, Inc. 401(k) Profit Sharing Plan:

We have conducted a DOL limited-scope audit of the financial statements of Biologics, Inc. 401(k) Profit Sharing Plan (the "Plan") for the period ended March 31, 2017, and have issued our report thereon dated December 5, 2017. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in note 5 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements taken as a whole. We did, however, audit the form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated September 1, 2017. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2017. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of the merger of the Plan into a successor plan in note 1(a) to the financial statements.

The disclosures in the financial statements appear to be unbiased, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no such misstatements identified in the audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated December 5, 2017.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Plan Committee and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.
